The Petrov Affair

Robert Manne, 2014-05-17 The Petrov Affair Politics and Espionage is a memoir of the Petrov Affair a historical event that involves the defection of Vladimir Petrov a colonel in the Soviet intelligence service in Sydney and the announcement of his defection ten days later by Australian Prime Minister Robert Menzies With information gathered from different reliable sources the book details in chronological order the Petrov's defection the events that occurred before and the factors that led to it its announcement and the implications of this event for politics and espionage The text also explains how the affair affected the Australian people and the world the conclusion of this event and the events that happened after it The book is recommended for historians and history enthusiasts who would want to know more about this particular event The text is also recommended for experts who delve in the Cold War and the Soviet Union

A Worldly Affair Pamela

Hanlon, 2017-09-05 The tumultuous entertaining true story of how the city has welcomed the world's leaders and diplomats or not For over seven decades New York City and the United Nations have shared the island of Manhattan coexisting in a bond likened to a long marriage tempestuous and supportive quarrelsome and committed *A Worldly Affair* tells the story of this hot and cold romance from the 1940s when Mayor La Guardia was doggedly determined to bring the new world body to New York to the UN's flat rejection of the offer then its abrupt change of course and various tense troubling periods in the years since Racial prejudice and anti Communist passions challenged the young international institution Spies scofflaw diplomats provocative foreign visitors and controversial UN member policy positions tested New Yorkers' patience And all the while the UN's growth from its original fifty one member states to 193 by 2017 placed demands on the surrounding metropolis for everything from more office space to more security to better housing and schools for the international community's children As the city worked to accommodate the world body's needs New Yorkers at times grew to resent it a sentiment that provoked more than one New York mayor to be less than hospitable in dealing with the city's international guests Yet with the UN headquarters complex freshly renovated and the city proudly proclaiming that the organization adds nearly 4 billion to the New York economy each year it seems clear the decades old marriage will last whatever the inevitable spats and clashes along the way

Affairs of State

Robert P. Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes

love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders Affairs of State is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C SPAN please click here

The Papers of Henry Clay Henry Clay, The Papers of Henry Clay span the crucial first half of the nineteenth century in American history Few men in his time were so intimately concerned with the formation of national policy and few influenced so profoundly the growth of American political institutions The year 1837 found Henry Clay hard at work in a successful effort to organize and strengthen the new Whig party In his attempt to provide for it an ideological core he emphasized restoration of the Bank of the United States distribution of the treasury surplus to the states continued adherence to his Compromise Tariff Act of 1833 and federal funding of internal improvements The achievement of these goals Clay reasoned would mitigate the severe impact of the Depression of 1837 and sweep the Whigs into the White House in 1840 Soon after the election of 1836 Clay began running again for the presidency By 1838 it was clear to him that he would have to come to grips politically with the long muted slavery question This he did in February 1839 in a Senate speech that was so proslavery anti abolitionist and racially extremist that it cost him the Whig presidential nomination at the Harrisburg convention in December 1839 William Henry Harrison was nominated in his stead and won handily But one month after his inauguration Harrison died and Vice President John Tyler a states rights Democrat turned Whig was elevated to the presidency Senator Clay emerged from his disappointment at Harrisburg as the acknowledged leader of the Whig party and further unified it in a wide ranging assault on the Tyler administration s refusal to support Whig principles By the end of 1843 Tyler had been broken the Whig party was Clay s to lead and the Kentuckian was again in the presidential lists Confident that 1844 would surely be his year Clay unfortunately failed to see the formation and growth of the black cloud that was Texas annexation Publication of this book was assisted by a grant from the National Historical Publications and Records Commission

Columbia Studies in the Social Sciences ,1926 **Thomas Reid on Mathematics and Natural Philosophy** Thomas Reid,2017-07-28
Reconstructs Reid s career as a mathematician and natural philosopher for the first time *Columbia University Studies in the Social Sciences* ,1926 **The Missouri and North Arkansas Railroad Strike** Orville Thrasher Gooden,1926 **The Preliminaries of the American Revolution as Seen in the English Press, 1763-1775** Fred Junkin Hinkhouse,Orville Thrasher Gooden,Ruth Reed,1926 *Minnesota's Boundary with Canada* William E. Lass,1980 Lass s book will be the standard work on the Lake Superior to Red River boundary but it reaches beyond those limits defined in the title In order to make any sense out of the border Lass has gone a long way towards writing a good general survey of Canadian American boundary issues The book is based on an extensive use of published and manuscript materials and it is well illustrated with

photographs and maps including reproductions of important historic maps [Www mhs ca docs mb_history 04](#)
boundarycommission.shtml **Hearings** United States. Congress. House. Committee on Rules,1917 *Rhetoric, Media, and the Narratives of US Foreign Policy* Adam Lusk,2021-12-30 Rhetoric Media and the Narratives of US Foreign Policy Making Enemies studies the process of communicating threats to the US public and explores when and why the American public believes another country or regime is a threat Through a comparative and historical study the author focuses on how the media environment enables and constrains rhetorical strategies deployed to construct reproduce and change narratives about a threat Recent literature on threat inflation securitization and critical security studies returned to the concept of threat Building on this renewed conceptual attention this book examines why and how policy makers and other public figures in particular the President convince the public about a threat and will be of interest to students and academics in the disciplines of political science international relations foreign policy security studies and contemporary history The Michigan Alumnus ,1989 In v 1 8 the final number consists of the Commencement annual *Beatle Wives* Marc Shapiro,2021-11-23 They ve had songs written about them They ve been the subject of legend and lore Yoko allegedly broke up The Beatles Pattie dropped George for George s best friend Eric Clapton Olivia beat an intruder senseless and bloody with a lamp stand The stories are endless These women have lived loved and fallen under the spell of four of the most famous musicians in the history of popular music They are the wives of the Beatles nine women who came from somewhere or nowhere and were thrust into the midst of Beatlemania and pop culture history in the most intimate and public way and lived to tell about it There have been literally hundreds of books about The Beatles But Beatle Wives The Women the Men We Loved Fell in Love With is the story of the women who married The Beatles told from their perspective during and after they said their I do s Their memories and insights are straightforward and pull no punches Within these pages are the good times and the bad the moments when their love and marriage went off the rails and the moments when these women had it all and lived happily ever after Being a Beatle wife was difficult in the best of times relates author Shapiro The fans hated them The media hounded them senseless They were married to men who did not often treat them with kindness and respect But they stuck it out many until they could stand it no longer and many who toughed it out through thick and thin There were happy endings Sad endings Endings that will shock anger or bring a tear These women have seen it all This is their story *A Rum Affair* Karl Sabbagh,2016-07-07 A true story of a Scottish isle an eminent professor a lie and an amateur botanist who saw the truth by the author of Antisemitism Wars In the 1940s the eminent British botanist John Heslop Harrison proposed a controversial theory that vegetation on the islands off the west coast of Scotland had survived the last Ice Age His premise flew in the face of what most botanists believed that no plants had survived the 10 000 year period of extreme cold But Heslop Harrison had proof the plants and grasses found on the isle of Rum Harrison didn t anticipate however an amateur botanist called John Raven who boldly questioned whether these grasses were truly indigenous to the area or whether they

had been transported there This is the story of what happened when a tenacious amateur set out to find out the truth and how he uncovered a most extraordinary fraud Praise for *A Rum Affair* A breezy ride informative and amusing Washington Post Book World An exciting scientific detective story Times Literary Supplement **The Musical Worlds of Lerner and Loewe** Gene Lees,2005-01-01 Biography of lyricist Alan Jay Lerner and composer Frederick Loewe creators of memorable Broadway and motion picture musicals **An Industrial War** ,1923 *Going to the Territory* Ralph Ellison,1995-03-14 The work of one of the most formidable figures in American intellectual life Washington Post Book World The seventeen essays collected in this volume prove that Ralph Ellison was not only one of America s most dazzlingly innovative novelists but perhaps also our most perceptive and iconoclastic commentator on matters of literature culture and race In *Going to the Territory* Ellison provides us with dramatically fresh readings of William Faulkner and Richard Wright along with new perspectives on the music of Duke Ellington and the art of Romare Bearden He analyzes the subversive quality of black laughter the mythic underpinnings of his masterpiece *Invisible Man* and the extent to which America s national identity rests on the contributions of African Americans Erudite humane and resounding with humor and common sense the result is essential Ellison
