

THE 12-STEPS

1 We admitted we were powerless over alcohol; that our lives had become unmanageable.

2 Humbly asked Him to remove our shortcomings.

3 Came to believe that a Power greater than ourselves could restore us to sanity.

4 Made a list of all persons we had harmed, and became willing to make amends to them all.

5 Made a decision to turn our will and our lives over to the care of God as we understood Him.

6 Made direct amends to such people wherever possible, except when to do so would injure them or others.

7 Made a searching and fearless moral inventory of ourselves.

8 Continued to take personal inventory and when we were wrong promptly admitted it.

9 Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

10 Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

11 Were entirely ready to have God remove all these defects of character.

12 Having had a spiritual awakening as the result of these Steps, we tried to carry this message to alcoholics and practice these principles in all our affairs.

Preventing and Countering Violent Extremism and Radicalisation Teresa C. Silva, Marzena Kordaczuk-Was, 2024-11-29 EPUB and EPDF available open access under CC BY NC ND licence How can we use evidence to improve deradicalisation and violence prevention outcomes Based on work developed during the implementation of the cross European INDEED project this is an essential reference book for practitioners researchers and policy makers It sets out the three pillars of best evidence based practice scientific evidence professional judgement and consideration of clients preferences values and beliefs Demonstrating both successful and unsuccessful approaches with case studies from the field the book offers practical strategies for prevention teams designing and evaluating their programmes The Hazards of 12 Step Programs and Religious Fanaticism L. Michael Audley, 1990 *Forthcoming Books* Rose Army, 1990 Spiritual Competence For Mental Health Professionals: A Culturally Inclusive Perspective Jacqueline Wallen, 2022-05-25 Spiritual Competence for Mental Health Professionals takes a holistic developmental approach toward spirituality in psychotherapy and counseling This means that it considers an understanding of spiritual development to be as germane to mental health practice as an understanding of physical cognitive emotional and social development and that it views spirituality as shaped by developmental processes Common spiritual issues at each stage in the individual and family life course are discussed Tools for understanding one s own and one s clients spiritual orientations and goals along with interventions and practices that foster spiritual growth in the client and the practitioner are presented Reflection and discussion topics are provided at the end of each chapter Ultimately this book aims to help mental health practitioners educators and students to change their approach from meet the client where they are spiritually to meet the client where they are spiritually and help them develop further Exit from Soul-Abuse Graig Burns, 2012-06-28 Sometimes cults misuse their theological doctrine as an excuse to harm people in the best interests of their Eternal Soul or their Future Life I differentiate between tangible knowable soul and spiritual transcendent definitions of soul *The Ecology of Violent Extremism* Lisa Schirch, 2018-08-23 *The Ecology of Violent Extremism* brings together leading theorists and practitioners to describe an ecological or systems approach to violent extremism Nothing can be fixed until it is understood News media keep us alarmed to the close up devastation of acts of terrorism This book climbs a ladder to get a better view of the problem What is beneath and beyond violent extremism How do we respond to the problem of violent extremism in ways that do not fertilize the root causes that fueled it in the first place While many books offer one or two hypotheses for preventing terrorism this book gives readers the tools to look at the problem from many different angles The book offers a map of violent extremism drawing connections between twenty five factors that correlate with violent extremism VE On a spectrum counterterrorism seeks to disrupt detain and destroy terrorist plans and networks P CVE seeks to prevent and counter the belief systems that support violent extremism Peacebuilding addresses the longer term factors and root causes driving VE An ecological approach to VE recognizes that

interventions also interact with each other For example some approaches to counterterrorism also motivate further recruitment to VE groups and undermine peacebuilding interventions Readers finish the book recognizing the debates within the very definition of violent extremism and understanding a broader paradigm for how we understand and respond to violent extremist beliefs and acts of terror

Neurocognitive Risk Assessment for the Early Detection of Violent Extremists Geoff Dean, 2014-06-10 This Brief provides a theoretical and conceptual development of a new Risk Assessment Toolbox RAT for the early detection of violent extremists It is based on a neurocognitive perspective conceptualized as neuroplasticity in action arising from brain based neural patterns expressed in mind based cognitive pathways likely to form a mind set of violent extremism This neurocognitive based Risk Assessment Toolbox RAT is comprised of two distinct components a cognitive indicators instrument that serves as an early detection checklist for trained practitioners and a software visualisation program The Brief includes A framework of contemporary approaches to the risk assessment of violence as well as the background context for the current research project on violent extremism and its related concepts of terrorism and radicalisation out of which the RAT was developed A detailed overview of RAT and a pilot case study experiment to highlight the practical value and utility of this neurocognitive Risk Assessment Toolbox Preliminary research findings of a study conducted with a sample of recognized experts academics and practitioners in several countries around the world to fine tune and validate the risk parameters of the two components that constitute RAT Risk Assessment Toolbox The current stage of development of RAT as a practitioner based system for the early detection of potentially violent extremists as well as its strategic intelligence implications for using a neurocognitive risk assessment approach to violent extremism is discussed Research limitations and plans for future research studies This work will be of interest to researchers in Criminology and Criminal Justice interested in studying violent extremism terrorism and crime prevention and intervention and policing as well as researchers in related fields of Forensic Psychology Cognitive Neuroscience and Social Work or Social Intervention

Preventing and Countering Violent Extremism Michael J. Williams, 2020-10-29 This textbook serves as a guide to design and evaluate evidence based programs intended to prevent or counter violent extremism P CVE Violent extremism and related hate crimes are problems which confront societies in virtually every region of the world this text examines how we can prevent or counter violent extremism using a systematic evidence based approach The book equal parts theoretical methodological and applied represents the first science based guide for understanding what makes hate and how to design and evaluate programs intended to prevent this Though designed to serve as a primary course textbook the work can readily serve as a how to guide for self study given its abundant links to freely available online toolkits and templates As such it is designed to inform both students and practitioners alike with respect to the management design or evaluation of programs intended to prevent or counter violent extremism Written by a leading social scientist in the field of P CVE program evaluation this book is rich in

both scientific rigor and examples from the real world of research and evaluation dedicated to P CVE This book will be essential reading for students of terrorism preventing or countering violent extremism political violence and deradicalization and highly recommended for students of criminal justice criminology and behavioural psychology **Understanding Deradicalization** Daniel Koehler,2016-11-10 first comprehensive guide to the theory and practice of de radicalization offers a coherent typology and methodology regarding the effects and concepts of de radicalization programs will be of much interest to students of deradicalisation counter terrorism criminology radical Islam security studies and IR *Federal Probation* ,1987 **Cultivating Reasonableness in Education** Marella Ada V. Mancenido-Bolaños,Cathlyne Joy P. Alvarez-Abarejo,Leander Penaso Marquez,2023-09-19 This book focuses on the real world application of the Philosophy for with Children P4wC pedagogy to cultivate reasonableness in individuals through communities of philosophical inquiry It presents a collection not only of theories but more importantly of experiences discoveries and innovations on P4wC by scholars trainers advocates and practitioners around the world Each chapter provides readers with insights and lessons that have resulted from the continuous application exploration and enrichment of the concepts principles and practices that were developed by Matthew Lipman and Ann Margaret Sharp into what P4wC is today a dialogic pedagogical approach that may just be what is needed at a time when reasonableness and dialogue are essential to maintaining global stability and progress In this light this book also looks into how the P4wC approach can be practiced with adults such as when it is employed in various settings or contexts such as in business consulting textbook writing peace education and extremism prevention among others Furthermore this book also features chapters that discuss how the P4wC pedagogy can be beneficial once integrated into processes such as classroom teaching teacher education bioethics and employee education This book provides valuable insights about how reasonableness that is cultivated through building communities of philosophical inquiry in education can be a powerful tool for nation building and social transformation *The Spectacular Few* Mark S. Hamm,2013-03-11 Mark Hamm is without doubt the world s leading expert on prison radicalization Based on decades of research this book presents a nuanced and sophisticated picture Beautifully written it is the most complete and the most empirically rigorous account of this phenomenon to date A must read for anyone interested in homegrown radicalization Peter Neumann Director of the International Centre for the Study of Radicalisation ICSR King s College London The Madrid train bombers shoe bomber Richard Reid al Qaeda in Iraq and the 9 11 attacks all were led by men radicalized behind bars Today s prisons are hotbeds for personal transformation toward terrorist beliefs and actions due to the increasingly chaotic nature of prison life caused by mass incarceration In *The Spectacular Few* Mark Hamm a former prison warden demonstrates how prisoners use criminal cunning collective resistance and nihilism to incite terrorism Drawing from a wide range of sources *The Spectacular Few* imagines the texture of prisoners lives Hamm covers their criminal thinking styles the social networks that influenced them and personal turning points that set them on the pathway to violent extremism Hamm

argues that in order to understand terrorism today we must come to terms with how prisoners are treated behind bars Mark S Hamm is a former prison warden from Arizona and currently Professor of Criminology at Indiana State University and a Senior Research Fellow at the Terrorism Center John Jay College of Criminal Justice The City University of New York His books include *Terrorism as Crime From Oklahoma City to Al Qaeda* and *Beyond NYU Press 2007 Alternative Criminology series*

Forever Suspect Saher Selod, 2018-06-28 The declaration of a War on Terror in the aftermath of the September 11 2001 terrorist attacks brought sweeping changes to the American criminal justice and national security systems as well as a massive shift in the American public opinion of both individual Muslims and the Islamic religion generally Since that time sociologist Saher Selod argues Muslim Americans have experienced higher levels of racism in their everyday lives In *Forever Suspect* Selod shows how a specific American religious identity has acquired racial meanings resulting in the hyper surveillance of Muslim citizens Drawing on forty eight in depth interviews with South Asian and Arab Muslim Americans she investigates how Muslim Americans are subjected to racialized surveillance in both an institutional context by the state and a social context by their neighbors and co workers *Forever Suspect* underscores how this newly racialized religious identity changes the social location of Arabs and South Asians on the racial hierarchy further away from whiteness and compromises their status as American citizens
