The background image is a photograph of a contemporary home interior. In the foreground, a wooden dining table with a metal top and an X-shaped base is partially visible. On the table, there are some papers and a small object. Above the table, a large abstract painting with dark and light tones is mounted on the wall. To the left, a doorway leads into another room, which appears to be a kitchen or a living area with a window and some furniture. The overall lighting is warm and natural.

But perhaps more importantly, she goes one step further, teaching you the inner work of feng shui using her own Inner Wisdom Bagua map, which correlates the characteristics, beliefs, and attitudes that will help you flourish in each area of your life. Sharing anecdotes from her own experience switching careers from an ESPN executive to a feng shui consultant, as well as her clients' success stories, Grace walks you through each area of the standard and Inner Wisdom Bagua maps to create unique solutions for your life. She teaches you to harness the power of your intuition to determine what's true and important for you. And she offers practical tools based on concepts such as Yin and Yang, the Five Elements, and the Magical Day to help you figure out which enhancements will be the most effective in transforming your life. By celebrating key principles like universal gratitude, a positive outlook, and living in the present moment, she shows you how to manage life on a day-to-day basis and points you toward your life's true purpose. *Feng Shui Made Easy* Davina MacKail, 2018-09-25
