The Major Writings Of Nichiren Daishonin Volume Two Volume :

The Writings of Nichiren Daishonin, vol. 2 Soka Gakkai, 2024-08-01 An authoritative translation of 234 of Nichiren's writings presented in chronological order. The collection includes Nichiren's five major works as well as other treatises setting forth his doctrine, writings remonstrating with government officials, and letters offering advice, encouragement, or consolation to believers. The translations are based on those of Burton Watson, formerly of Columbia University and an award-winning translator of Chinese and Japanese literature. Edited by the Soka Gakkai's Gosho Translation Committee, these are the translations used by English-speaking Soka Gakkai members the world over. *Chanting in the Hillsides* Jeaneane D. Fowler, Merv Fowler, 2009 In 1983, a tiny group of people in Cardiff and a married couple in Aberporth, West Wales, were the only Welsh members of Soka Gakkai International, a Japanese movement based on the beliefs and teachings of the 13th-century Buddhist Nichiren Daishonin. Today there are hundreds of members in Wales and the Borders. This book examines the history of the movement in these two areas and draws on original research gleaned from the members themselves. The research elicits facets of their faith, practices, and study, as well as their testimonies to the success of such beliefs and practices in their daily lives. The book combines the twin goals of academic analysis of the Buddhism of Nichiren Daishonin in general with the warmth of its expression in the lives of its adherents in Wales and the Borders. **The Writings of Nichiren Daishonin** Soka Gakkai, 2023-09-01 An authoritative translation of 172 of Nichiren's writings presented in chronological order. The collection includes Nichiren's five major works as well as other treatises setting forth his doctrine, writings remonstrating with government officials, and letters offering advice, encouragement, or consolation to believers. The translations are based on those of Burton Watson, formerly of Columbia University and an award-winning translator of Chinese and Japanese literature. Edited by the Soka Gakkai's Gosho Translation Committee, these are the translations used by English-speaking Soka Gakkai members the world over. *Psychology and Buddhism* Kathleen H. Dockett, G. Rita Dudley-Grant, C. Peter Bankart, 2006-05-02 This book advances a serious consideration of how the goals and practices of psychology can be informed and enriched by Buddhist traditions that transcend the individual to consider the interconnectedness of all things and the responsibility we have towards the other. Individualistic and psychotherapeutic applications of Buddhism in psychology are examined, followed by a bold step into the community arena with consideration given to the intersection between community psychology and Buddhist approaches to empowerment, social change, and prevention. *The New Human Revolution, vol. 10* Daisaku Ikeda, 2020-05-01 Through this novelized history of the Soka Gakkai, one of the most dynamic, diverse, and empowering movements in the world today, readers will discover the organization's goals and achievements, even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the
