The Many Faces Of Menopause With Humor:

The Many Faces of Menopause with Humor Gladys Gobely, 2003-07-01 *The Many Faces of Biblical Humor* David A. Peters, 2007-11-06 The Many Faces of Biblical Humor examines how the Bible writers intentionally used humor irony and sarcasm to argue their points concisely This work begins with the dysfunctional families of Genesis continues delightfully through every book of the Bible and ends with a glorious fulfillment in Revelation Along the way the reader is presented humorous stories pathetically funny characters and poignant quips and quotes from prophets poets and principals The author paraphrases each biblical text in an engaging prose that highlights the humor of that passage humor that may not have been previously noted by the reader Between the paraphrases the author sets the historical and linguistic setting allowing the reader to see how the humor and puns of the text enrich the biblical understanding of God's message Also included are applications of these marvelous passages to our daily lives as we see our own foibles portrayed in the biblical characters In many ways this is a Bible commentary with an accent on the humorous In another sense it is simply a delightful book that makes the Bible come alive through the latent humor of its characters and their stories This revised edition contains corrections of typographical errors in the first edition as well as some clarifying material to make the humor more enjoyable For more information visit the author's website **The Menopause Industry** Sandra Coney, 1993 This work challenges the stereotypes of women at mid life and questions the pressures which the new preventative medicine is creating It examines the benefits and risks of interventions such as hormone replacement therapy mammography and cervical screening
