Gun Dilemma Robert J. Spitzer, 2023 In *The Gun Dilemma* Robert J Spitzer examines this gun rights 20 movement in the light of a host of gun controversies assault weapons ammunition magazines silencers public gun brandishing and display and the emergent Second Amendment sanctuary movement Given the importance of actual gun law history to this debate Spitzer draws from the historical record to illuminate several contemporary and emergent gun controversies that may well make their way to the Supreme Court Revealing and illuminating as that history is he argues that we should not be straitjacketed by that history but rather informed by it as the nation struggles with how to frame its gun policies

*Guns across America* Robert Spitzer, 2015-04-13 In vast swathes of America the sacredness of the Second Amendment has become a political third rail never to be questioned Gun rights supporters wear tri cornered hats wave the stars and stripes and ask what would have happened if the revolutionaries had been unarmed when the British were coming They have had great success in conflating unfettered gun ownership with the Founding Fathers the Constitution and all things American even in an era of repeated mass shootings Yet the all too familiar narrative of America's gun past echoed in the Supreme Court's *Heller* gun rights decision is not only mythologized but historically wrong As Robert J Spitzer demonstrates in *Guns across America* gun ownership is as old as the nation but so is gun regulation Drawing on a vast new dataset of early gun laws reflecting every imaginable type of regulation Spitzer reveals that firearms were actually more strictly regulated in the country's first three centuries than in recent years The first gun grabbers were not 1960's Chablis drinking liberals but seventeenth century rum guzzling pioneers and their legacy continued through strict gun regulations in the 1920s and beyond Spitzer examines interpretations of the Second Amendment the assault weapons controversy modern stand your ground laws and the so called right of rebellion to show that they play out in America's contemporary political landscape in ways that bear little resemblance to our imagined past And as gun rights proponents seek to roll back gun laws and press as many guns into as many hands as possible warning that gun rights are endangered they sidestep the central question are stricter gun laws incompatible with robust gun rights Spitzer answers this question by examining New York State's tough gun laws where his political analysis is complemented by his own quest for a concealed carry handgun permit and construction of a legal AR 15 assault weapon Not only can gun rights and rules coexist but they have throughout American history *Guns across America* reveals the long hidden truth that gun regulations are in fact as American as apple pie

**Gun Digest, 1992** Ken Warner, 1991-07 With sales of nearly a quarter million copies each year *Gun Digest* is the most authoritative book on the subject of firearms available today The front half of the book consists of the best writing available on firearms subjects The back half of the book consists of a complete catalog of all firearms manufactured in or imported to the U S with full specifications and prices

**The Writer's Guide to Weapons** Benjamin Sobiech, 2015-07-09 When it comes to writing weapons most authors shoot from the hip and miss *The Writer's Guide to Weapons* will help you hit your target every time Firearms and knives have starring roles in a wide range of genres crime thriller war mystery Western and more

Unfortunately many depictions of weapons in novels and film are pure fiction Knowing the difference between a shotshell and a slug a pistol and a revolver or a switchblade and a butterfly knife is essential for imbuing your story with authenticity and gaining popularity with discerning readers Inside you ll find An in depth look at the basics of firearms and knives how they work why they work what they look like and how to depict them accurately in your stories The biggest weapons myths in fiction TV and film A surefire guide for choosing the correct weapon for your characters no matter their skill level strength or background A review of major gun and knife laws weapons safety tips and common police tactics The Hit List showcasing the most popular weapons for spies detectives gunslingers gangsters military characters and more Examples highlighting inaccurate vs accurate weapons depictions An insightful foreword by David Morrell the award winning creator of Rambo Equal parts accessible humorous and practical The Writer s Guide to Weapons is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional

**The Battle Rifle** Russell C. Tilstra,2014-03-13 While the 20th century brought many technological advancements to the battlefield a key weapon of warfare remains the soldier and his rifle This volume chronicles the historical development of the modern service rifle after World War II and examines its resurgence in Afghanistan after generations of absence following the introduction of the assault rifle Individual chapters survey the most combat tested models including the FN FAL U S M14 and HK 417 in technical detail emphasizing key points in the evolution of rifle technology and ammunition Also explored is the development of the current M16 series rifle and how recent difficulties in Afghanistan have led to an increasing reliance on the venerable M14 Providing a strong knowledge base of the various weapons now in service throughout the world this instructive work demonstrates that the battle rifle has not outlived its usefulness

**It's Legal but It Ain't Right** Nikos Passas,Neve R. Goodwin,2010-02-22 It s Legal but It Ain t Right chronicles the abuse of power and privilege by businesses that defy the strictures of law and limits of regulation Contributors stretch the conceptual boundaries of corporate deviance across a wide range of industries at a time when standards of corporate social responsibility and good corporate citizenship are in flux William S Laufer Professor The Wharton School of Business This delightful and serious book involves a matter I have long felt of first importance That is our tendency to make social truth and acceptance conform to personal or larger corporate interests On this I have written but gladly yield to this persuasive parallel No one concerned with literate informed and relevant as distinct from self serving truth should miss It s Legal but It Ain t Right John Kenneth Galbraith This absorbing and well written book of essays on the harmful consequences of legal industries skillfully illuminates the ways in which some corporate harms fail to be transformed into criminal law making and enforcement and offers cogent suggestions for better regulation in the public interest Dr Michael Levi Professor of Criminology Cardiff University Many U S corporations and the goods they produce negatively impact our society without breaking any laws We are all too familiar with the tobacco industry s effect on public health and health care costs for smokers and nonsmokers as well as the role of profit in the pharmaceutical industry s research priorities

It's Legal but It Ain't Right tackles these issues plus the ethical ambiguities of legalized gambling the firearms trade the fast food industry the pesticide industry private security companies and more Aiming to identify industries and goods that undermine our societal values and to hold them accountable for their actions this collection makes a valuable contribution to the ongoing discussion of ethics in our time This accessible exploration of corporate legitimacy and crime will be important reading for advocates journalists students and anyone interested in the dichotomy between law and legitimacy

**Reducing Gun Violence in America** Daniel W. Webster, Jon S. Vernick, 2013-01-25 The staggering toll of gun violence which claims 31 000 U S lives each year is an urgent public health issue that demands an effective evidence based policy response The Johns Hopkins University convened more than 20 of the world's leading experts on gun violence and policy to summarize relevant research and recommend policies that are both constitutional and have broad public support Collected for the first time in one volume this reliable empirical research and legal analysis will help lawmakers opinion leaders and concerned citizens identify policy changes to address mass shootings along with the less publicized gun violence that takes an average of 80 lives every day Selected recommendations include Background checks Establish a universal background check system for all persons purchasing a firearm from any seller High risk individuals Expand the set of conditions that disqualify an individual from legally purchasing a firearm Mental health Focus federal restrictions on gun purchases by persons with serious mental illness on the dangerousness of the individual Trafficking and dealer licensing Appoint a permanent director to ATF and provide the agency with the authority to develop a range of sanctions for gun dealers who violate gun sales or other laws Personalized guns Provide financial incentives to states to mandate childproof or personalized guns Assault weapons and high capacity magazines Ban the future sale of assault weapons and the future sale and possession of large capacity ammunition magazines Research funds Provide adequate federal funds to the Centers for Disease Control and Prevention National Institutes of Health and National Institute of Justice for research into the causes and solutions of gun violence The book includes an analysis of the constitutionality of many recommended policies and data from a national public opinion poll that reflects support among the majority of Americans including gun owners for stronger gun policies

*Saps, Blackjacks and Slungshots: A History of Forgotten Weapons* Robert Escobar, 2018-05-31

Exit Wounds Ieva Jusionyte, 2025-04 Turns the familiar story of trafficking across the US Mexico border on its head looking at firearms smuggled south from the United States to Mexico and their ricochet effects American guns have entangled the lives of people on both sides of the US Mexico border in a vicious circle of violence After treating wounded migrants and refugees seeking safety in the United States anthropologist Ieva Jusionyte boldly embarked on a journey in the opposite direction following the guns from dealers in Arizona and Texas to crime scenes in Mexico An expert work of narrative nonfiction Exit Wounds provides a rare intimate look into the world of firearms trafficking and urges us to understand the effects of lax US gun laws abroad Jusionyte masterfully weaves together the gripping stories of people who live and work with guns north and south of the border a

Mexican businessman who smuggles guns for protection a teenage girl turned trained assassin two US federal agents trying to stop gun traffickers and a journalist who risks his life to report on organized crime Based on years of fieldwork Exit Wounds expands current debates about guns in America grappling with US complicity in violence on both sides of the border

Dismantling of the Bureau of Alcohol, Tobacco, and Firearms United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1983      Assault Weapons United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1990
