The Gyrfalcon Eugene Potapov, Evgeni? Potapov, 2005 This book is the first monograph on one of the most beautiful and admired birds in the world The Gyrfalcon is the world s largest and most powerful falcon a truly awe inspiring bird which inhabits the ferociously inhospitable Arctic taiga from Greenland and Iceland right across Siberia and northern Canada Its plumage varies from a dark mottled grey to pure white the white birds in particular are coveted by birders and falconers Like other titles in the series it covers all aspects of the species biology taxonomy distribution status and historical associations with mankind The result is an exhaustively researched and enthrallingly readable biography of a spectacular bird illustrated throughout with photographs and line drawings a good read presenting much previously inaccessible information as well as some interesting insights into some of the most remote and inhospitable places on earth British Birds Bloomsbury Publishing , **Gyrfalcon** Norman Barichello, 2020-03-13 Gyrfalcons and humans have shared a remarkable relationship since prehistoric times These extraordinary arctic falcons have been revered coveted as an item of commerce persecuted and enjoyed as a spectacle of sport for at least ten thousand years Today climate change has brought new challenges with habitat in the far north changing rapidly as natural cycles begin to break down Drawn from over thirty years of study and observation this in depth study provides a comprehensive view of the gyrfalcon s place in the arctic ecosystem including their inextricable link to their primary prey the ptarmigan and their antagonistic relationship with golden eagles It explores the connection the bird has had with humanity in both legend and practice and the challenges it faces as its habitat continues to change This definitive look at the gyrfalcon shows us both sides of the majestic bird the master of its domain and a threatened species facing an uncertain future

The Sea Lark's Song Diana Marcellas, 2014-04-01 Mother Ocean Daughter Sea Strength Unchanging Strengthen Me The Shari a are an ancient race They are un warlike and they are ruled by their shamanic witches The Allemanii are more recently arrived in their locale and are both awed and made fearful by the magical powers of the witches After generations of peaceful coexistence a cataclysm occurred out of nowhere and the Allemanii turned on their neighbors

and hosts slaughtered most of them and scattered the survivors Suddenly to be a Shari a is proscribed and to be caught practicing their magic is to be hunted to the death In MOTHER OCEAN DAUGHTER SEA Brierly was a secret healer who was betrayed by someone she had trusted In SEA LARK S SONG exposed as a Shari a healer on the run and now aware of a secret truth about what had happened to her people and in love with one who may put her life at risk even more Brierly must hide in the mountains and sort her way through a tangle of secrets as she attempts to bring her lost people and their magical healing power back into the world Her true love faces an almost overwhelming challenge he must struggle against centuries of fear hatred secrecy and conspiracy to turn his own people away from the commitment to destruction If he does not not only will Brierly and her people s survival be at risk but his own people may end up facing a similar fate as destructive as the one they had wrought upon the Shari a
