The Haunted House:

Horror at the Haunted House Peg Kehret, 2002-06-10 It was a job any kid would kill for to play a role in the Historical Society's Haunted House Halloween fundraising event Ellen Streater was thrilled to play Joan of Arc burning at the stake It was for a good cause to benefit the eerie old Clayton House soon to reopen as a museum They said the house was haunted Ellen didn't believe it until she felt a strange icy feeling when she touched the beautiful Fairylustre bowl Then she saw the ghost in the mirror a beautiful phantom who beckoned her into a nightmare beyond her wildest dreams Entertaining and appealing with lively and believable young people and a personable ghost School Library Journal

Chapter 1 Max s Inquisitiveness Max was a unique little mouse with an incredibly brave and inquiring heart Max was always looking for something more something thrilling and unknown as opposed to his pals who were content with the simple life of chasing cheese and staying warm in their tiny tunnels He believed that there were many mysteries in the world waiting to be solved and he aspired to be the one to do so He walked deeper into the forest than any other mouse had dared to go before far from his warm home motivated by his need for adventure Max s little feet led him to a location most people would avoid on a particularly misty morning when the woodland was shrouded in a thick layer of fog that made everything appear mysterious and bizarre The Haunted House loomed there towering over the old trees with its intimidating presence Among the woodland creatures it was a fabled spot that was talked about in whispers and watched with a mix of curiosity and terror The home remained an empty monument to the unknown with ghost stories and strange noises scaring visitors away But Max saw an opportunity where others saw threat His small heartbeat seems enthusiastic about the prospect of exploring the house rather than scared It was more than just an ancient creepy structure to him it was a buried treasure trove waiting to be unearthed He imagined himself roaming its hallways uncovering stories hidden beneath the layers of time and proving to everyone that there was nothing to be afraid of Max had a sense of purpose that he had never felt before as he stood in the heart of the famed Haunted House with all of its secrets and tales revealed before him Max confidently waved his tail as he approached the Haunted House s towering entryway He did not even wait to cast a brief check behind him The walls moaning and the creaking of the old wood seemed like a welcome song inviting him inside to explore what lay on the other side Max was ready to face whatever the house had in store for him because he knew a great adventure required courage He was an adventurer on the verge of making a huge discovery demonstrating that even the smallest creatures may have the biggest hearts and the bravest goals with each step he took inside the old building
