The Hebrew Impact on Western Civilization. Edited by D. D. Runes. [Essays by Various Authors.] Dagobert David RUNES, 1951 **The Jewish World In Modern Times** Abraham J Edelheit, Hershel Edelheit, 2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research methods **How Jewish is Jewish History?** Moshe Rosman, 2007-10-25 Moshe Rosman cogently and critically presents the considerations that must be brought

to bear on the writing of Jewish history in the light of post modernist thinking *United States Jewry, 1776-1985* Jacob Rader Marcus, 2018-02-05 The third volume covers the period from 1860 to 1920 beginning with the Jews slavery and the Civil War and concluding with the rise of Reform Judaism as well as the increasing spirit of secularization that characterized emancipated prosperous liberal Jewry before it was confronted by a rising tide of American anti Semitism in the 1920s

Moses, Muhammad and Nature's God in Early American Religious-Legal History, 1640-1830 R. Charles Weller, 2024-09-23 This is the first comparative study of Mosaic and Islamic law in American history to be published Constructing a complex picture in trans Atlantic trans European and world historical perspectives this book elucidates the intersections that lie beneath and behind the rise of the debates in the 1990s and 2000s over the promotion of the Ten Commandments and Mosaic Law as alleged sources of American Constitutional law and symbols of American national identity These debates have taken shape in close connection with resurgent anti Semitism anti Sharia protests and anti Sharia legislation throughout the United States and other Western societies *The Jewish Mind* Raphael Patai, 1996 A landmark exploration of Jewish history and culture First published in 1977 The Jewish Mind provides a penetrating insight into the complex collective reality of the Jewish people Raphael Patai examines how six great historical encounters spanning three millennia between the Jews and other cultures led to both change and continuity in Jewish communities throughout the global diaspora A timeless analysis by a prominent scholar Patai a noted cultural anthropologist and historian drew on a lifetime of research and personal experience to explore the contemporary Jewish mind in its many manifestations including an exploration of the notion of Jews as a race an investigation into Jewish intelligence and talents as discussion of Jewish self hate and a profile of Jewish personality and character An insightful new foreword by Ari L Goldman Bestselling author and journalist Ari L Goldman places the book in the context of recent turbulent events especially in the Middle East and confirms Patai s conclusion that Judaism remains enormous value to humankind Goldman calls the book a brilliant and absorbing survey of everything poured into the Jewish mind over the millennia The Jewish Mind is a towering work of scholarship that remains relevant to anyone trying to understand Jewish culture and society around the world today Book jacket **The Course of Modern Jewish History** Howard M. Sachar, 2013-10-30 When this encyclopedic history of the Jews was first published in 1958 it was hailed as one of the great works of its kind a study that not only chronicled an assailed and enduring people but assessed its astonishing impact on the modern world Now this scholarly and comprehensive book has been massively revised and updated by its author a professor of modern history at the George Washington University and one of the most respected authorities on the lives and times of the Jewish people The new edition casts additional light on the milestones of the Jewish saga from the eighteenth century to the close of the twentieth the Jews emergence from the ghetto and into the heart of Western society the debate between the voices of tradition assimilation and Zionism virtual destruction during the Holocaust and troubled rebirth in Israel Here too are evocative portraits of today s diaspora from the Jews of

America to the embattled communities of the former Soviet Union and the Third World **We Remember with Reverence and Love** Hasia R Diner, 2009-04-01 Winner of the 2009 National Jewish Book Award in American Jewish Studies Recipient of the 2010 Guggenheim Fellowship in Humanities Intellectual Cultural History It has become an accepted truth after World War II American Jews chose to be silent about the mass murder of millions of their European brothers and sisters at the hands of the Nazis In this compelling work Hasia R Diner shows the assumption of silence to be categorically false Uncovering a rich and incredibly varied trove of remembrances in song literature liturgy public display political activism and hundreds of other forms **We Remember with Reverence and Love** shows that publicly memorializing those who died in the Holocaust arose from a deep and powerful element of Jewish life in postwar America Not only does she marshal enough evidence to dismantle the idea of American Jewish forgetfulness she brings to life the moving and manifold ways that this widely diverse group paid tribute to the tragedy Diner also offers a compelling new perspective on the 1960s and its potent legacy by revealing how our typical understanding of the postwar years emerged from the cauldron of cultural divisions and campus battles a generation later The student activists and new Jews of the 1960s who in rebelling against the American Jewish world they had grown up in a world of remarkable affluence and broadening cultural possibilities created a flawed portrait of what their parents had or rather had not done in the postwar years This distorted legacy has been transformed by two generations of scholars writers rabbis and Jewish community leaders into a taken for granted truth Modern Jewish Identity Esther Reisel, Rudi Reisel, 2000 The authors explore the philosophical spiritual and ideological uniqueness of Jewish thinking its ability to meet the social and scientific challenges of the present and future and argue for unity within Judaism based on the Bible as A History of the Middle East Saul S. Friedman, 2014-01-10 As the birthplace of three principal religions the Middle East is holy to 15 million Jews 2 billion Christians and 1 billion Muslims As the cradle of western civilization it is fundamental to world history the place where humans transformed themselves from nomadic hunters to settled farmers capable of building great cities and societies This detailed history covers the Middle East from its ancient beginnings to the present The confluence of events that produced civilized society is fully discussed along with the establishment of Judaism Christianity and Islam The emergence and decline of the Byzantine and Ottoman empires which laid much of the framework for the region to move into the modern era is covered in depth Analysis of the area in recent decades focuses on World War I and II and the regional conflicts that inflame the Middle East of the 21st century Instructors considering this book for use in a course may request an examination copy here *Ancient Beijing and Western Civilization* Zhesheng Ouyang, 2024-10-29 This book explores the historical interactions between Beijing and the West before the Opium War It focuses on the experiences of Western travellers missionaries and envoys who visited Beijing during the Yuan Ming and Qing dynasties As the capital of Imperial China since the Yuan dynasty Beijing has been central to communication between China and the West The study uses first hand historical materials such as travelogues memoirs letters Ming and
