## **The Hibbert Lectures 1878 Lectures On The Origin:**

The Hibbert Lectures 1878 F.Max Muller,2014-03 This Is A New Release Of The Original 1878 Edition *Catalogue of the Library of the Peabody Institute of the City of Baltimore* N. H. Morison,1889 Sermons in All Souls Monthly, 1888-1891 Richard Heber Newman,1888 **Catalogue of the Barnes Reference Library for Biblical Study** Cornell University. Library,1898 **Confucianism as a World Religion** Anna Sun,2013-04-21 Is Confucianism a religion If so why do most Chinese think it isn't From ancient Confucian temples to nineteenth century archives to the testimony of people interviewed by the author throughout China over a period of more than a decade this book traces the birth and growth of the idea of Confucianism as a world religion The book begins at Oxford in the late nineteenth century when Friedrich Max Müller and James Legge classified Confucianism as a world religion in the new discourse of world religions and the emerging discipline of comparative religion Anna Sun shows how that decisive moment continues to influence the understanding of Confucianism in the contemporary world not only in the West but also in China where the politics of Confucianism has become important to the present regime in a time of transition Contested histories of Confucianism are vital signs of social and political change Sun also examines the revival of Confucianism in contemporary China and the social significance of the ritual practice of Confucian temples While the Chinese government turns to Confucianism to justify its political agenda Confucian activists have started a movement to turn Confucianism into a religion Confucianism as a world religion might have begun as a scholarly construction but are we witnessing its transformation into a social and political reality With historical analysis extensive research and thoughtful reflection Confucianism as a World Religion will engage all those interested in religion and global politics at the beginning of the Chinese century **A Study of Origins: Or, the Problems of Knowledge, of Being, and of Duty** Edmond de Pressensé,2025-08-29 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Catalogue of Books* Perth (W.A.). Public Library,1905 The Influence of Greek Ideas and Usages Upon the Christian Church Edwin Hatch,1890 *Comparative Religion* J. Estlin Carpenter,2022-06-13 In *Comparative Religion* J Estlin Carpenter offers a profound exploration of the world's major faiths illuminating the common threads that weave through diverse spiritual traditions while simultaneously respecting their unique characteristics The text is characterized by its analytic rigor and eloquent prose reflecting Carpenter's scholarly approach to understanding religion as a social and historical phenomenon In a period marked by increasing globalization and interfaith dialogue Carpenter's work stands as a significant contribution to the field contextualizing religious beliefs within their cultural frameworks and addressing both the theoretical and practical implications of faith in modern society J Estlin Carpenter a prominent theologian and scholar of religious studies drew upon his extensive background in philosophy and history to undertake this comprehensive examination of religion His academic

tenure coupled with personal experiences in various religious contexts equipped him with a unique perspective that spurred his interest in comparative analysis Carpenter's passionate advocacy for ecumenism and understanding among different faiths is interwoven throughout the book reflecting his belief in the potential for mutual respect and cooperation among diverse religious communities Comparative Religion is a highly recommended read for students scholars and anyone seeking to deepen their understanding of the complexities and interconnections of faith Carpenter's insightful analysis is not only enlightening but also fosters a greater appreciation for the diverse tapestry of human spirituality The book serves as an indispensable resource for those looking to navigate the intricate landscape of contemporary religious thought

**Embodying the Vedas** Borayin Larios, 2017-04-10 Popularly Hinduism is believed to be the world's oldest living religion This claim is based on a continuous reverence to the oldest strata of religious authority within the Hindu traditions the Vedic corpus which began to be composed more than three thousand years ago around 1750-1200 BCE The Vedas have been considered by many as the philosophical cornerstone of the Brahmanical traditions still even previous to the colonial construction of the concept of Hinduism However what can be pieced together from the Vedic texts is very different from contemporary Hindu religious practices beliefs social norms and political realities This book presents the results of a study of the traditional education and training of Brahmins through the traditional system of education called gurukula as observed in 25 contemporary Vedic schools across the state of Maharashtra This system of education aims to teach Brahmin males how to properly recite memorize and ultimately embody the Veda This book combines insights from ethnographic and textual analysis to unravel how the recitation of the Vedic texts and the Vedic traditions as well as the identity of the traditional Brahmin in general are transmitted from one generation to the next in contemporary India

**The Philosophy of Enchantment** R. G. Collingwood, 2005 This is the long awaited publication of a set of writings by the British philosopher historian and archaeologist R G Collingwood on critical anthropological and cultural themes only hinted at in his previously available work At the centre of the book are six chapters of a study of folktale and magic composed by Collingwood in the mid 1930s and intended for development into a book Here Collingwood applies the principles of his philosophy of history to problems in the long term evolution of human society and culture This is preceded in Part I by a range of contextualizing material on such topics as the relations between music and poetry the nature of language the value of Jane Austen's novels the philosophy of art and the relations between aesthetic theory and artistic practice Part III of the volume consists of two essays one on the relationship between art and mechanized civilization and the second written in 1931 on the collapse of human values and civilization leading up to the catastrophe of armed conflict These offer a devastating analysis of the consequences that attend the desertion of liberal principles indeed of all politics as such in the ultimate self annihilation of military conquest The

volume opens with three substantial introductory essays by the editors authorities in the fields of critical and literary history social and cultural anthropology and the philosophy of history and the history of ideas they provide their explanatory and contextual notes to guide the reader through the texts The Philosophy of Enchantment brings hitherto unrecognized areas of Collingwood s achievement to light and demonstrates the broad range of Collingwood s intellectual engagements their integration and their relevance to current areas of debate in the fields of philosophy cultural studies social and literary history and anthropology
