The Magic Of Woody Allen:

The magic of Woody Allen Diane Jacobs,1978 **But We Need the Eggs** Diane Jacobs,1982 **The Reluctant Film Art of Woody Allen** Peter Bailey,2010-09-12 For three decades no American filmmaker has been as prolific or as paradoxical as Woody Allen From *Play It Again Sam* 1972 through *Celebrity* 1998 and *Sweet and Lowdown* 1999 Allen has produced an average of one film a year yet in many of these films Allen reveals a progressively skeptical attitude toward both the value of art and the cultural contributions of artists In examining Allen s filmmaking career *The Reluctant Film Art of Woody Allen* demonstrates that his movies often question whether the projected illusions of magicians artists benefit audience or artists Other Allen films dramatize the opposed conviction that the consoling life redeeming illusions of art are the best solution humanity has devised to the existential dilemma of being a death foreseeing animal Peter Bailey demonstrates how Allen s films repeatedly revisit and reconfigure this tension between image and reality art and life fabrication and factuality with each film reaching provisional resolutions that a subsequent movie will revise Merging criticism and biography Bailey identifies Allen s ambivalent views of the artistic enterprise as a key to understanding his entire filmmaking career Because of its focus upon filmmaker Sandy Bates s conflict between entertaining audiences and confronting them with bleak human actualities *Stardust Memories* is a central focus of the book Bailey s examination of Allen s art life dialectic also draws from the off screen drama of Allen s very public separation from Mia Farrow and the book accordingly construes such post scandal films as *Bullets Over Broadway* and *Mighty Aphrodite* as Allen s oblique cinematic responses to that tabloid tempest By illuminating the thematic conflict at the heart of Allen s work Bailey seeks not only to clarify the aesthetic designs of individual Allen films but to demonstrate how his oeuvre enacts an ongoing debate the screenwriter director has been conducting with himself between creating cinematic narratives affirming the saving powers of the human imagination and making films acknowledging the irresolvably dark truths of the human condition **Annie Hall** Peter Cowie,2019-07-25 For an entire generation Annie Hall embodied the notion of a New York peopled by sophisticated intellectuals all sent up by the deadpan comedy genius of Woody Allen writer director and of course star It also confirmed the sparkling acting talent of Diane Keaton as a partner for Woody on screen The film has survived as a popular comedy however by virtue of Allen s inventiveness as a director and the timelessness of his satire Peter Cowie s study of Annie Hall recaptures the mood of the 70s and examines the myriad imaginative touches that distinguish this film from other American productions of the period The book also includes a glossary of the many cultural references which give the film its distinctively intellectual tone Start to Finish Eric Lax,2017 Introduction The script The money The cast the cinematographer Locations production design and costumes The shoot Editing The music The color correction and the mix The end **Hermeneutics of the Film World** Alberto Baracco,2017-10-09 This book identifies a new methodological strategy for the interpretation of film philosophizing Many recent works in film philosophy adopting the approach identified

with the term film as philosophy have considered film as capable of doing philosophy Focused on the basic relationship between film and filmgoer the proposed method is founded on the concept of the film world Combining Merleau Ponty's and Ricoeur's philosophies and reconsidering Goodman's theory of worldmaking the film world becomes the hermeneutic horizon from which film philosophical thought can emerge The book shows how Ricoeurian methodology has the potential to provide a valuable resource for film studies by inviting scholars to consider film interpretation in terms of film world hermeneutics
