on Earth and in Heaven Marsha Keith Schuchard,2011-10-28 Emanuel Swedenborg 1688 1772 won fame and infamy as a natural scientist and visionary theosopher but he was also a master intelligencer who served as a secret agent for the French king Louis XV and the pro French pro Jacobite party of Hats in Sweden This study draws upon unpublished diplomatic and Masonic archives to place his financial and political activities within their national and international contexts It also reveals the clandestine military and Masonic links between the Swedish Hats and Charles Edward Stuart Bonnie Prince Charlie providing new evidence for the prince s role as hidden Grand Master of the Order of the Temple Swedenborg s usage of Kabbalistic meditative and interpretative techniques and his association with Hermetic and Rosicrucian adepts reveal the extensive esoteric networks that underlay the exoteric politics of the supposedly enlightened eighteenth century especially in the troubled Northern World of Sweden and Scotland **The Mysteries and Secrets of Magic** Charles John Samuel Thompson,1927 *The Secret of the Earth* Charles Willing Beale,2024-11-23 When Dirk Waaijen master of the Voorne was five days out from the island of Celebes a strange thing happened For nearly a week the Dutchman had idled along with a cargo of cocoa jagaree trepang some Manado coffee a few bags of nutmegs and other products of the Archipelago but without an incident worth logging when suddenly an odd looking cask with mast and streamer was seen floating in the waters ahead and all hands became alive with excitement A couple of burly fellows hauled the barrel upon the deck with the expectation of a prize but were discomfited on finding that it contained only some cotton cloth carefully wrapped about a dirty water stained document written in a language which no one could understand Even Captain Waaijen himself was unable to read a word of it despite his wise look and the volumes of smoke which he blew from time to time over the packet Had he confided in me his only English speaking passenger I might at least have made him comprehend the importance of the paper even if unable to render a literal translation but the captain was surly and took the bundle to his room It is even possible that he was ignorant of the fact that it was written in the English language However this may have been I was surprised on reaching Gravenhage the end of our voyage to have the paper thrust into my hands by Waaijen himself and without a word of explanation Believing it to be merely the record of some unfortunate craft foundered in the South Sea I laid the packet aside not even unrolling it for weeks When I did so I was amazed at the contents and immediately sought the master of the Voorne but he had left upon another of those endless voyages the length of which even the company was unable to decide Assured that no claim will ever be made upon the document and overwhelmed with the profundity of its contents I offer it to the public convinced that in the history of our planet there is nothing half so astounding as the revelation it contains It is to be regretted that the paper cannot be given in its entirety the omissions indicated by asterisks being the result of damage caused by salt water to the MS which has made it undecipherable in those places the total thus lost amounting to more than a hundred pages The following is an exact rendering of the decipherable parts of the Attlebridge papers handed me by the captain of the Voorne The Legend Of The Secret Saga Estee Shoesmyth,2023-08-01 Over twenty years in the writing the

three books in The Legend of The Secret Saga series evolved to be an fascinating magical story unlike any other as they poetically weave together a strange epic tale THE AUTHOR Estee Shoesmyth is a tangible figment of her own unbridled paradoxical imagination and the fantasy fiction pseudonym of eclectic American artist Suzanne T Dietz The Legend Of The Secret Saga is the complete epic trilogy in one colorful volume There is no other story like it in The Real World The fantastical epic tale opens in Book One which is When Begin Began Celestial Scribe Angel Daria pens the following words To Whom It May Concern When this immense historical accounting commenced I surely did not anticipate that the nature of this story would ever veer off the straight and narrow path Instead it proceeded to travel along the strangest winding ways And so I followed it most dutifully with my pen in hand Once upon a time an anonymous philosopher on The Ultimate Earth aptly intellectualized There are always three sides to every story your side the other side and the truth The story presented to you here may seem like nothing more than a collection of my own fantastical delusions Surely it could not be that which I myself have ever witnessed In that case it would certainly not make it to be truth However it is by my best accounting the strange but true enough telling of a deliberately long lost story from somewhere far out on the other side of Who Knows Where That s just the beginning In Book Two The Murky Middle the story dims to very very dark with the introduction of a terribly wicked magician s sorcery Through magic he enters into a spirit world and adamantly decided to stay there From that secret domain he meets another and the two in cahoots do some deliberately evil damage that stretches out from that invisible place right into the unsuspecting folks who live day to day in The Real World Those folks do not stand a chance to escape being affected by the magician s insidious determination to capture them all Eventually Adam and Eve are reincarnated into The Real World on a specific mission years beyond the peak of that magician s vicious reign By then the worse had evidently devolved into the worst that ultimately leads through to Book Three The End Of The End This story is utterly fascinating Its twisting and turning through that which may be somewhat recognizable is more tangled up into the fantastical that is addictive to read onward to find out what happens next All throughout there is mystery magic love hate obsessiveness rejection maliciousness brilliance stupidity sickness healing forgiveness revenge romance weirdness wonderment heavy heartedness humor life death and reincarnation All along there is that concept of eternity being a time lasting for Forever Which according to all reports in The Real World Forever is a long long time The Legend Of The Secret Saga is the complete epic trilogy in one colorful volume There is no other story like it in The Real World Not from When Begin Began throughout The Murky Middle and all the way to The End Of The End It is a story that is a Fairytale and a Fantasy Magical and Mythical Poetic and Artistic The Legend Of The Secret Saga is fantastical and not as expected it might be **Walkers Between the Worlds** Caitlín Matthews, John Matthews, 2004-01-14 A comprehensive overview of the Western perennial tradition the hermetic tradition and the ancient earth wisdom of shamanic indigenous peoples Provides practical exercises to reawaken mystical awareness and reconnect with the ancient mystery traditions of our ancestors Reveals how earth wisdom and high magic complement

one another In Walkers Between the Worlds the authors reveal the development of both these traditions that were never far beneath the surface of Western culture and how they complement each other As the orthodox structures of the West appear increasingly hollow and irrelevant the Western way trod by the shaman and the magus remains vital with many practical methods for reawakening awareness and reconnecting with the earth In addition to its in depth theoretical analysis Walkers Between the Worlds contains practical exercises drawn from traditional teaching methods used by both native and hermetic traditions to help the reader explore these mysteries

From the Mysteries Hermann Beckh, 2020-06-03 In the early part of the last century Professor Hermann Beckh began a search to discover the truth about the Mystery wisdom of antiquity As a recognized authority on Buddhist texts he knew that complete knowledge of such Mysteries was not to be found within the limitations of waking consciousness sense perception and logic Beckh was already aware that Gautama Buddha had indicated the stages of higher knowledge Furthermore his studies of Rudolf Steiner's anthroposophical teachings revealed that such knowledge could be experienced directly given disciplined meditation Clairvoyant cognition included the conscious penetration of sleep consciousness the dream state and an experience of pre natal consciousness Both the Mysteries and Rudolf Steiner's major books he concluded were founded on the same perceptions Beckh a worldwide expert on Tibetan Sanskrit Pali and Avestan texts quickly became disenchanted with Madame Blavatsky's Theosophy as it displayed little precise academic knowledge of primary records At the same time university departments showed scant trace of understanding the texts they analysed through philology and sociology Thus based on comprehensive studies and personal experience he resolved to present his own perceptions and vision to the public The results are to be found in this invaluable book bringing together for the first time in English three groundbreaking publications Our Origin in the Light Genesis 1919 Zarathustra 1927 and From the World of the Mysteries 1927 as well as five of Beckh's articles from contemporary periodicals
