A Sky Full of Kites Tom

Bowser, 2021-06-03 Shortlisted for the Saltire Society First Book of the Year Award Red kites were once Britain's most common bird of prey. By the early 1900s they'd been wiped out in Scotland and England following centuries of ruthless persecution. When some reintroduced kites began roosting on their 1,400-acre farm at Argaty in Perthshire, Tom Bowser's parents, Lynn and Niall, decided to turn their estate into a safe haven. They began feeding the birds and invited the world to come and see them, learn about them, and fall in love with them. *A Sky Full of Kites* is the story of the Argaty Red Kite project and the re-establishing of these magnificent raptors to Scotland, but it is also much more than that. Ill at ease with the traditional rural values of livestock farming, Lynn and Niall's son, Tom, who returned to work on the farm after a career in journalism, reveals his passion for nature and his desire to dedicate his family's land to conservation.

A Kite at the Edge of the World Katy Grant, 2020-04-02 It had been a great day. Perhaps the Best Day. A seaside village many years ago. A boy makes a new friend who says he has always wanted to come to the seashore. This is his last wish: to see where the world ends and the blue begins because he is dying. Then we should do something fun today, the younger boy announces. Fun. With all the doctors and hospitals, there's been little time for fun. But what should they do? Flying

a kite is great fun on a windy day But first they must make their kite And they ll need supplies And the money to buy them
And they will have to get around all the grown ups who might stand in their way And so this never to be forgotten day begins
