As an adult, a phone call at four o'clock in the morning launched a trifecta of trauma that changed Lisa's life forever. Three experiences with death and illness occurred in her family in just 10 months. Her beloved brother died suddenly of an asthma-induced heart attack; her father was battling lymphoma; and her son became catastrophically ill. When her family's world imploded, Lisa felt as if she had become irrevocably damaged. Instead, she discovered her calling during a sunrise walk along the beach at the height of her son's illness. Lisa heard the word Soaringwords and suddenly knew why she was born. She channeled her passion and resilience into a global movement that would inspire millions of people to never give up. Her lifetime of experiences helping others through trauma, grief, illness, and setbacks, combined with her own personal experiences, led her to found Soaringwords, a not-for-profit organization with the mission of inspiring children, families, adults, seniors, and health care professionals to take active roles in self-healing to experience greater physical, emotional, and mental well-being.
