Spiders In The House And Workers In The Field:

Spiders in the House and Workers in the Field Ernesto Galarza, 1970 *The Countryside in the Age of the Modern State* Catherine McNicol Stock, Robert D. Johnston, 2018-05-31 However urban the nation has become Catherine McNicol Stock and Robert D Johnston write twenty percent of its citizens still live outside major metropolitan areas Moreover rural economic activity agricultural extractive recreational and industrial has an enormous impact on the nation s overall economic well being The stories of contemporary rural people still have the power to move us They reflect the values dreams and ideals at the core of the economically racially and ethnically diverse American experience The Countryside in the Age of the Modern State moves rural history into explorations of modern politics diverse rural peoples and their complex relationships to the American state in the twentieth century The volume s contributors examine African American progressive farm organizers the experiences of Caribbean and Mexican farm laborers agrarian intellectuals in the New Deal the politics of land and landscape in the Rocky Mountain west and the origins of today s rural political movements **In the Struggle** Daniel J. O'Connell, Scott J. Peters, 2021-07-13 Scholars working for communities rights in California s Central Valley In the Struggle tells the story of the persistent engagement of eight public scholars spanning generations of sustained endeavor a dogged war in which workers and scholars together repeatedly took on the powerful agricultural industry the political machines and even the universities The stories begin in the 1930s with Paul Taylor a professor of economics at University of California Berkeley who pioneered field research and activism as he travelled through the areas marked by the Great Depression together with his wife photographer Dorothea Lange Working in the heart of California s agricultural Central Valley Taylor was the first of a succession of scholars who shared the dual commitment to research and engagement to making problems visible and to effecting change through strategic action Taylor and Lange intentionally wove their political engagement into their identities and work as researchers as they conducted studies led strikes organized underserved communities founded community development programs created nonprofit institutions and more This book documents a tradition of politically engaged scholarship in one of the world s most dramatic contexts full of disparities and contradictions but also ripe with opportunities to make a difference It covers a struggle that continues undiminished in the present **The Spanish Speaking in the United States: a Guide to Materials** United States. Cabinet Committee on Opportunity for the Spanish Speaking, United States. Cabinet Committee on Opportunities for Spanish-Speaking People, 1971 **Voices of the U.S. Latino Experience** Rodolfo F. Acuña, Guadalupe Compeán, 2008-08-30 The history and experiences of the diverse groups labeled Latinos in this country are abundantly documented in this major new collection From the Treaty of San Ildefonso in 1803 to remembrances of life on the frontier to the Young Lords platform of 1969 to a discussion of Latinos and the war on Iraq today this 3 volume collection showcases more than 400 crucial primary documents from and concerning the major Latino groups in the United States Sources include letters memoirs speeches articles essays interviews treaties government

reports testimony and more The voices include whites as well as Latinos prominent and obscure and Americans as well as foreigners The bulk of the primary documents concern Mexico and the United States and Mexican Americans who paved the way for immigrants from Cuba Puerto Rico the Dominican Republic and Central and South America to come The scope also includes primary documents pertaining to events in Latin American and Caribbean history that have had an impact on these groups Each primary document has a short introduction placing it in historical and cultural context An introduction that gives an historical overview a chronology a selected bibliography chock full of useful websites and a set index provide added value Sample documents memoirs of early Texas commentary by a Mexican diplomat on the Treaty of Guadalupe Hidalgo of 1848 essay on the social condition of New Mexico in 1852 Cuban independence leader Jose Marti in New York on race 1894 El Corrido de Gregorio Cortez a ballad about a Mexican who stood up to the Texas Rangers in 1901 excerpts from an autobiography by Ella Winter on school segregation in the 1930s a Latino soldier's reminiscences of World War II testimony from a Bracero worker in the 1950s article on Cuban Miami in the 1960s socioeconomic profile of Dominicans in the United States in 2000 interview with Subcomandante Marcos from the Zapatista Army of National Liberation

Triangulations
David J. Vázquez, How Latino autobiographical texts reconfigure identity in opposition to familiar notions of self *Latino Almanac* Nicolás Kanellos, 2022-09-20 A celebration of people and pride Explore the achievements and contributions of Latinos in the United States with this illuminating history Latinos in the United States are a vibrant mix of people and multiple identities each unique varied and accomplished Beginning with the Spanish explorers in the sixteenth century Latinos have been an important part of American society They've fought the Revolutionary War the Civil War and all wars in between and since and in the last decade their businesses have grown at twice the pace of the overall U S economy The most complete and affordable single volume reference on Latino history available today Latino Almanac From Early Explorers to Corporate Leaders honors the history and the impact of Latinos on the United States This hefty tome is a fascinating mix of biographies little known or misunderstood historical facts and enlightening essays on significant legislation movements current issues and achievements across a variety of fields including business labor politics the military music sports law media religion art literature theater film science technology and medicine A large collection of 650 biographies includes both celebrated and lesser known Latino stars such as Dolores Fernandez Huerta labor leader Sonia Sotomayor Supreme Court justice Juan Felipe Herrera U S poet laureate Roberto C Goizueta businessperson former CEO of Coca Cola Selena Gomez actor singer producer Rebecca Lobo basketball player sports analyst Anthony D Romero executive director of the American Civil Liberties Union ACLU Alexandria Ocasio Cortez U S congressperson Ellen Ochoa astronaut engineer Anthony R Jimenez entrepreneur Mar a Hinojosa journalist Dennis Chavez U S senator Oscar Muñoz businessperson CEO United Airlines Antonia Novello surgeon general of the United States Geraldo Miguel Rivera journalist Lin Manuel Miranda playwright actor director Alex Rodriguez baseball player Rodolfo Anaya novelist Desi Arnaz television producer actor singer Jessica Mendoza

sportscaster softball player Nydia Vel squez U S congressperson Edward James Olmos actor Marco Rubio U S senator Rita Moreno actor dancer Cesar Chavez labor leader Marcelo Claure businessperson former Sprint CEO Ariel Dorfman playwright novelist Miriam Colón actress theater owner producer Joaquín Castro chair of the Hispanic Congressional Caucus And many many more While Latinos are among both the original and newest immigrants today the majority of U S Latinos were born here and most speak English although most are bilingual to one degree or another Their influence on the economy and culture continues to increase Their impact on the United States has been wide ranging Salsa has even overtaken ketchup to become the most popular condiment in the United States Devoted to illustrating the moving and often lost history of Latinos in America Latino Almanac is a unique and valuable resource Numerous photographs and illustrations a helpful bibliography a timeline and an extensive index add to its usefulness Commemorating and honoring Latino achievements honors and influence this important book brings to light all there is to admire and discover about Latino Americans Monthly Labor Review, 1971-12 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

The Making of a Chicano Militant Jose Angel Gutierrez, 1998 Texas for years was a one party state controlled by white democrats In 1962 a young eighteen year old heard the first rumblings of Chicano community organization in the barrios of Crystal The rumor in the town was that five Mexican Americans were going to run for all five seats on the city council But first poor citizens had to find a way to pay the 1.75 poll tax Money had to be raised through bake sales of tamales cake walks and dances So began the political activism of Jose Angel Gutierrez Gutierrez's autobiography *The Making of a Chicano Militant* is the first insider's view of the important political and social events within the Mexican American communities in South Texas during the 1960s and 1970s A controversial and dynamic political figure during the height of the Chicano movement Gutierrez offers an absorbing personal account of his life at the forefront of the Mexican American civil rights movement first as a Chicano and then as a militant Gutierrez traces the racial ethnic economic and social prejudices facing Chicanos with powerful scenes from his own life his first summer job as a tortilla maker at the age of eleven his racially motivated kidnapping as a teenager and his coming of age in the face of discrimination as a radical organizer in college and graduate school When Gutierrez finally returned to Crystal he helped form the Mexican American Youth Organization and subsequently the Raza Unida Party to confront issues of ethnic intolerance in his community His story is soon to be a classic in the developing literature of Mexican American leaders

The Latino Question Armando Ibarra, Alfredo Carlos, Rodolfo D Torres, 2018-08-20 While so many Latino Chicano Americans struggle in pursuit of the American dream while figures such as Donald Trump are accepted in mainstream politics and scaremongering and paranoia is rife the need for a vivid empirically grounded study on Latino politics culture and society has never been greater *The Latino Question* fulfills this need offering a cutting edge analysis of the transformative nature of Latino politics in the US In a radical alternative to dominant ideas the authors emphasise the importance of political economy for understanding Latino

politics culture and social issues It draws from original research and a number of critical traditions including the thought of Karl Marx and Antonio Gramsci to understand the politics of race and ethnicity in a modern capitalist society Including case studies of how Latino Chicano communities across the US are not only resisting but also reinventing and transforming ethnic politics in the age of neoliberalism this book is required reading for all those hoping to understand the Latino question in contemporary America

The North American West in the Twenty-First Century Brenden W. Rensink, 2022-11 In 1893 Frederick Jackson Turner famously argued that the generational process of meeting and conquering the supposedly uncivilized western frontier is what forged American identity In the late twentieth century new western historians dissected the mythologized western histories that Turner and others had long used to embody American triumph and progress While Turner's frontier is no more the West continues to present America with challenging processes to wrestle navigate and overcome *The North American West in the Twenty First Century* edited by Brenden W Rensink takes stories of the late twentieth century modern West and carefully pulls them toward the present explicitly tracing continuity with or unexpected divergence from trajectories established in the 1980s and 1990s Considering a broad range of topics including environment Indigenous peoples geography migration and politics these essays straddle multiple modern frontiers not least of which is the temporal frontier between our unsettled past and uncertain future These forays into the twenty first century West will inspire more scholars to pull histories to the present and by doing so reinsert scholarly findings into contemporary public awareness

Latina/o Studies Ronald L. Mize, 2018-12-05 Who are Latinos What's the difference between Hispanic and Latino or indeed Latina Latina o Latin Latinx Beyond the political rhetoric and popular culture representations how can we explore what it means to be part of the largest minority group in the United States This compelling book acts as an illuminating primer introducing the multidisciplinary field of Latina o Studies Bringing together insights from a wide variety of communities the book covers topics such as the history of Latinos in the United States gender and sexuality popular culture immigration patterns and social movements Mize traces the origins of the field from the history of Latin American revolutionary thought through the Chicano and Puerto Rican movements and key disruptions from Latina feminisms queer studies and critical race theory right up to the latest developments and interventions Combining analysis and advocacy Latina o Studies is an accessible yet theoretically sophisticated introduction to the communities charting the future of the United States of America and the Americas writ large

Migrant and Seasonal Farmworker Powerlessness United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Migratory Labor, 1970

Hearings, Reports and Prints of the Senate Committee on Labor and Public Welfare United States. Congress. Senate. Committee on Labor and Public Welfare, 1970

Migrant and Seasonal Farmworker Powerlessness: Who are the migrants? United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Migratory Labor, 1970

Migrant and Seasonal Farmworker Powerlessness: A-B. Border commuter labor problem. 2 v United

States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Migratory Labor, 1970 Workers, Managers, and Technological Change Daniel B. Cornfield, 2013-11-11 Workers Managers and Technological Change Emerging Patterns of Labor Relations contributes significantly to an important subject Technological change is one of the most powerful forces transforming the American industrial relations In fact the synergistic relationships between technology and industrial system relations are so complex that they are not well or completely understood We know that the impact of technology while not independent of social forces already has been profound it has transformed occupations creating new skills and destroying others altered the power relationships between workers and managers and changed the way workers learn and work Technology also has made it possible to decentralize some economic activities out of large metropolitan areas and into small towns rural areas and other countries Most important information technology makes it possible for international corporations to operate on a global basis Indeed some international corporations especially those based in the United States are losing their national identities detaching the welfare of corporations from that of particular workers and communities Internationalization facilitated by information technology has transformed industrial relations systems A major objective of the traditional American industrial relations system was to take labor out of competition *Working Stiffs, Union Maids, Reds, and Riffraff* Tom Zaniello, 2018-05-31 The revised and expanded edition of *Working Stiffs Union Maids Reds and Riffraff* offers 350 titles compared to the original edition's 150 The new book is global in scope with examples of labor films from around the world Viewers can turn to this comprehensive annotated guide for films about unions or labor organizations labor history working class life where an economic factor is significant political movements if they are tied closely to organized labor production or the struggle between labor and capital from a top down either entrepreneurial or managerial perspective Each entry includes a critical commentary production data cast list MPAA rating if any suggested related films annotated references to books and websites for further reading and information about availability of films for rental and or purchase This edition addresses both historical and contemporary films and features many more documentaries and hard to find information about agitprop and union financed films *Working Stiffs Union Maids Reds and Riffraff* An Expanded Guide to Films about Labor features fifty eight production stills and frame enlargements It also includes a greatly expanded Thematic Index of Films Two new sections will help the reader discover labor films in chronological order or by nationality or affiliation with certain cinematic movements To read Tom Zaniello's blog on the cinema of labor and globalization featuring even more reviews visit <http://tzaniello.wordpress.com> Praise for the earlier edition Zaniello has created a useful and far reaching guide with abundant information These are the sorts of films that prove what James Agee wrote in these pages nearly fifty years ago The only movies whose temper could possibly be described as heroic or tragic or both have been made by leftists The Nation Zaniello has done a monumental job identifying the films that should be included in this genre *Working Stiffs Union Maids Reds and Riffraff* is sorely needed and long overdue Cineaste An engaging and

opinionated book Even though mining trucking Jimmy Hoffa and class warfare are the book s major themes what holds the project together is Zaniello s sense of fun and wit Zaniello is a better writer than most major film critics Village Voice Literary Supplement

Grounds for Dreaming Lori A. Flores, 2016-01-05 Known as The Salad Bowl of the World California s Salinas Valley became an agricultural empire due to the toil of diverse farmworkers including Latinos A sweeping critical history of how Mexican Americans and Mexican immigrants organized for their rights in the decades leading up to the seminal strikes led by Cesar Chavez this important work also looks closely at how different groups of Mexicans U S born bracero and undocumented confronted and interacted with one another during this period An incisive study of labor migration race gender citizenship and class Lori Flores s first book offers crucial insights for today s ever growing U S Latino demographic the farmworker rights movement and future immigration policy

They Saved the Crops Don Mitchell, 2012 At the outset of World War II California agriculture seemed to be on the cusp of change Many Californians reacting to the ravages of the Great Depression called for a radical reorientation of the highly exploitative labor relations that had allowed the state to become such a productive farming frontier But with the importation of the first braceros guest workers from Mexico hired on an emergency basis after the United States entered the war an even more intense struggle ensued over how agriculture would be conducted in the state Esteemed geographer Don Mitchell argues that by delineating the need for cheap flexible farm labor as a problem and solving it via the importation of relatively disempowered migrant workers an alliance of growers and government actors committed the United States to an agricultural system that is in important respects still with us They Saved the Crops is a theoretically rich and stylistically innovative account of grower rapaciousness worker militancy rampant corruption and bureaucratic bias Mitchell shows that growers workers and officials confronted a series of problems that shaped and were shaped by the landscape itself For growers the problem was finding the right kind of labor at the right price at the right time Workers struggled for survival and attempted to win power in the face of economic exploitation and unrelenting violence Bureaucrats tried to harness political power to meet the demands of as one put it the people whom we serve Drawing on a deep well of empirical materials from archives up and down the state Mitchell s account promises to be the definitive book about California agriculture in the turbulent decades of the mid twentieth century
