## **Spindles And Spires:**

*Spindles and Spires* John R. Earle, Dean D. Knudsen, Donald Woods Shriver (Jr.), 1976      **Southern Labor in Transition, 1940-1995** Robert H. Zieger, 1997 A collection of original essays based on oral history and archival research this volume illuminates diverse aspects of southern workers experience in the modern era Included here are essays on agricultural workers teachers and fire fighters as well as pieces on air transport paper manufacturing and aircraft production Other topics include workers organizations that fall outside the traditional labor movement and the role of cotton textile workers in the recent history of southern labor relations Themes involving race the varieties of union representation and labor s impact on southern politics are especially prominent throughout this collection      **Christian Ethics in Conversation** Isaac B. Sharp, Christian T. Iosso, 2020-10-05 Inspired by Donald W Shriver Jr s leadership of Union Theological Seminary New York City *Christian Ethics in Conversation* brings together essays by members of a stellar faculty including Gary Dorrien Larry Rasmussen Phyllis Tribble and Cornel West and interdisciplinary colleagues such as Columbia University biologist Robert Pollack Chancellor Emeritus of the Jewish Theological Seminary Ismar Schorsch and Pulitzer Prize winning Yale historian David W Blight The challenges they describe of embracing diversity while facing financial pressure and encouraging social change speak to seminaries churches denominations and faithful individuals facing similar challenges today The chapters model the kinds of interdisciplinary interfaith and inter institutional conversations foundational to Shriver s approach to Christian public ethics Shriver and Union Seminary addressed racial justice directly and colleagues describe lessons learned from an activist academic who was also a Southerner committed to reconciling and repairing the wounds of history International conversation partners analyze the place of moral claims in successful social transformation but those claims also had to be lived out in the seminary s institutional life Gender justice full inclusion and liberation theologies became crucial to Union s identity but not automatically The changes required are described by a former dean board member worship leader and several students All the while faculty and students of Union and its neighbors were engaged in ongoing debates about honest patriotism friendship across division and the dangers of uncritical nationalism also captured by the book s contributors With contributions from M Craig Barnes Serene Jones Dean K Thompson Donald W Shriver Jr Gary Dorrien Milton McCormick Gatch Jr Larry Rasmussen Cornel West Janet R Walton James A Forbes Jr Phyllis Tribble Robert Pollack Ismar Schorsch Hays Rockwell Thomas S Johnson Lionel Shriver David Kwang sun SUH Roger Sharpe Bill Crawford Robert W Snyder Eric Mount Joseph V Montville Helmut Reihlen and Erika Reihlen David Blight Ronald H Stone Steve Phelps      Varieties of Southern Evangelicalism David Edwin Harrell (Jr.), 1981      **Writing North Carolina History** Jeffrey J. Crow, Larry E. Tise, 2017-10-10 *Writing North Carolina History* is the first book to assess fully the historical literature of North Carolina It combines the talents and insights of eight noted scholars of state and southern history William S Powell Alan D Watson Robert M Calhoon Harry L Watson Sarah M Lemmon and H G Jones Their

essays are arranged in chronological order from the founding of the first English colony in North America in 1585 to the present. Traditionally, North Carolina has not received the same scholarly attention as Virginia and South Carolina despite the excellent resources available on Tar Heel history. This study derived from a symposium sponsored by the North Carolina Division of Archives and History in 1977 asks questions and describes methodologies needed to redress past neglect. Besides providing a comprehensive evaluation of what has been written about North Carolina, the essayists offer perspectives on how historians have interpreted the state's history and what directions future historians need to take. Particularly important, the book provides a bibliography and suggests opportunities for future historical investigation by discussing topics, themes, and source materials that remain untapped or underused. North Carolina's unique and colorful culture, folklore, geography, politics, and growth demand new and creative historical analysis. Collectively, the authors and editors of *Writing North Carolina History* offer a welcome, necessary guide to the study of Tar Heel history. Originally published in 1979, A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value. **On Jordan's Stormy**

**Banks** Rich Kirby, Guy Carawan, Candy Carawan, Will Campbell, Paul Gillespie, Keith Head, Claude Williams, Thelma Stevens, Lee Howard, Ron Short, Horace Newcomb, Janet Rechtman, Pam Durban, Bob Arnold, John Gaventa. Trying to describe the religious folk music of the Southern mountains is a little like trying to organize the church itself: songs like people just will not line up quietly in neat rows. Still, there are patterns in this varied and vital tradition, and searching for them reveals as well as anything can the intensity of religious feeling that has always been part of mountain life. Religious singing in the mountains flourished with the wave of revivals that has swept the region in the last two hundred years. The emotional intensity of these movements combined with the strong musical traditions of the area to produce some of America's most powerful music. It is true, folk music, home-made music that people use in their everyday lives to express their deepest feelings.

My Roman History Alizah Holstein, 2024-06-25. A lyrical and moving exploration of the ways in which the heart governs even the pursuit of a life of the mind, this is a book for anyone who has ever loved Rome as well as anyone who shares the experience of having found in an unfamiliar history their own unexpected home. Rebecca Mead, author of *My Life in Middlemarch* and *Home Land*. In this exquisite and profound memoir, a medieval historian traces her lifelong obsession with Rome and the encounters with the city's past and present that became fulcrum points in her life. From the time she first felt called to its gates as a high school student, fascinated by Dante and Italian, thanks to a life-changing teacher, Rome has been a fixed star around which Alizah Holstein's life has rotated, despite the fact that she bears no Italian heritage and has never lived there long enough to call it home. In this kaleidoscopic yet intimate memoir, her shifting relationship to a vibrant city layered with human history becomes a lens on why we look to the past, on the mysteries of affinity and desire, and on what it

means to grow up Holstein weaves the stories of Romans past and present and encounters with the city of historical figures from Petrarch to Freud into the narrative of her evolution from a curious student abuzz with the thrill of discovery to a lonely researcher in a city to which she feels she belongs despite knowing no one to an ambitious young historian struggling to find her place in the halls of academia Following a trail of memories that first taste of a tartufo cioccolato in Piazza Navona the ancient walls of the Via Appia blurring from the back of a motorcycle the smudge of ink on a manuscript left by a scribe's hand over seven hundred years before she explores what it means to be romana Roman and to find solace and self knowledge in the presence of the past An enveloping original and deeply resonant account set against one of the world's most beguiling cities of the unexpected things that give our lives meaning My Roman History is a profound depiction of the winding path to self realization which much like history itself is mysterious captivating and ever unfolding **Brunnstrom's Clinical**

**Kinesiology** Peggy A Houglum,Dolores B Bertoti,2011-12-07 Now celebrating its 50 years in print this text has held onto the foundation of its great success while also being re invented for today's audience The focus of this text remains the practical instruction of functional anatomy in order to quickly and convincingly guide readers to its use in professional performance This text is filled with modern applications that will show your students the relevance of foundational material to their future careers **A Glossary of Terms Used in Heraldry** Henry Gough,James Parker,1894 **Hendricks' Commercial**
