Spindletop 50th Anniversary Commission, 1951 **Spindletop where Oil Became an Industry** Spindletop 50th anniversary commission, Beaumont, Texas, 1951 **Spindletop** Spindletop 50th Anniversary Commission (Beaumont, Tex.), 1951 Oilfield Revolutionary Houston Faust Mount II, 2014-09-28 Everett Lee DeGolyer wore many hats and he wore them with distinction Though not a geophysicist he helped make geophysics central to oil exploration Though not a politician he played an important role in the national politics of energy Though trained as a geologist he became an important business executive DeGolyer left his stamp on oil exploration and his name on a number of philanthropic institutions including the DeGolyer Library at Southern Methodist University This account of DeGolyer's life at once readable and yet authoritative covers the period from his training with the United States Geological Survey in the American West to his geological exploration of Mexico during the Revolution of the 1910s his pioneering investment in geophysical prospecting technologies and his work on behalf of the United States government in World War II including a ground breaking mission to the Middle East Houston Mount develops his account of the career of Everett Lee DeGolyer in a way that provides a useful lens through which to examine the rising fortunes of earth scientists in the oil industry and in government a process for which DeGolyer's spectacular career was both an exemplar and a catalyst **Spindletop** Everett DeGolyer, 1950 **Spindletop**, 1951 The Complete Idiot's Guide to the Politics Of Oil Lita Epstein MBA, C.D. Jaco, Julianne C. Iwersen-Neimann, 2003-11-04 Learn how oil fuels both politics and history You're no idiot of course Just thinking about life without oil to heat your home gives you the chills But when it comes to understanding the politics involved in getting it you feel like your brain is running empty The Complete Idiot's Guide to the Politics of Oil helps you understand why we go to war over oil In this Complete Idiot's Guide you get Compelling insights into how the discovery of oil in the Arabian Peninsula 50 years ago changed the global political landscape The relationship between so called Big Oil and US energy environmental and national security policy as well as prices at the pump Easy to understand explanations of what can be done to prevent oil spills and blowouts how such accidents are cleaned up and who pays for them **Neil Cockett on Bunkers** Neil Cockett, 2020-11-25 Bunkers are the lifeblood of the shipping industry their availability quality and above all else cost often determine whether a shipowner can operate efficiently and profitably Cockett on Bunkers provides those involved in the shipping and oil industries with an understanding of the worldwide bunker fuel industry and a comprehensive manual that can be used as a reference in day to day bunker management and operation Cockett on Bunkers contains up to date information on marine fuel standards and monitoring services bunker buying techniques bunker suppliers and the art of blending pricing and bunkering operational procedures and takes into account recent developments in these areas Written in an accessible style with the emphasis on practical interpretation , The A to Z of the Petroleum Industry Marius S. Vassiliou, 2009-09-24 The world as we have known it for the past century would have been very different without petroleum

Petroleum particularly in the form of crude oil and its refined products has been central to all aspects of modern industrial society and has been a major strategic geopolitical objective for nations The 20th century was the age of oil and at least part of the 21st century will be as well Petroleum is used as an energy source and as a raw material for the production of an immense variety of chemicals and synthetic materials Almost all the world's food relies on petroleum for fertilizer pesticides cultivation or transport Petroleum has been particularly dominant as a source of transportation fuels an application for which cost effective substitutes will be especially difficult to find The A to Z of the Petroleum Industry presents a concise but complete one volume reference on the history of the petroleum industry from pre modern times to the present day This is done through a chronology an introductory essay and over 400 cross referenced dictionary entries on companies people places events technologies and phenomena related to the history of the world's petroleum industry Anyone interested in the history status and outlook for the petroleum industry will find this book a uniquely valuable source Historical Dictionary of the Petroleum Industry Marius S. Vassiliou, 2018-06-20 The petroleum industry is unique it is an industry without which modern civilization would collapse Despite the advances in alternative energy petroleum's role is still central Petroleum still drives economics geopolitics and sometimes war The history of petroleum is to some measure the history of the modern world This book represents a concise but complete one volume reference on the history of the petroleum industry from pre modern times to the present day covering all aspects of business technology and geopolitics The book also presents an analysis of the future of petroleum and a highly useful set of statistical graphs Anyone interested in the history status and outlook for petroleum will find this book a uniquely valuable first place to look This new second edition incorporates all the revolutionary changes in the petroleum landscape since the first edition was published including the boom in extraction of oil and gas from shale formations using techniques such as fracking and horizontal drilling This second edition of Historical Dictionary of the Petroleum Industry contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on companies people events technologies countries provinces cities and regions related to the history of the world's petroleum industry This book is an excellent resource for students researchers and anyone wanting to know more about the petroleum industry Austrian Information, 1994 **The Reader's Companion to American History** Eric Foner, John A.
