Spinning Wheel Building And Restoration:

Spinning Wheel Building and Restoration Bud Kronenberg, 1981 American Studies Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen, 2009-03-09 American Studies is a vigorous bold account of the changes in the field of American Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context Explores topics such as American politics history culture race gender and working life Shows how changing perspectives have enabled older concepts to emerge in a different context Shuttle, Spindle & Dyepot, 1983 Index to Handicraft Books, 1974-1984 Carnegie Library of Pittsburgh. Science and Technology Department, 1986 Handicrafts and do it yourself projects have always been a library's most popular and heavily requested subject And for more than a decade a definitive index to handicraft books has not been published To fill this gap the Science and Technology Department at Carnegie Library of Pittsburgh has compiled the Index to Handicraft Books listing more than 900 books and over 12 400 subject entries covering books published from 1974 to 1984 The Index to Handicraft Books is an essential reference tool for librarians who want to help someone find instructions for a varied range of do it yourself projects providing quick access to craft projects in books more recent than previous handicraft index books have listed Each entry in the index consists of a subject heading the name of the project as listed in the book the author and title of the book and the page numbers on which the project can be found The author and title correspond to those in the List of Works Cited section which gives full bibliographic information in order to help librarians find the book on their shelves or obtain the book through inter library loan Because this index developed from a card file index of craft books acquired by Carnegie Library since 1974 the list concentrates mainly on medium priced books that most libraries buy *The Age of Homespun* Laurel Thatcher Ulrich, 2009-08-26 They began their existence as everyday objects but in the hands of award winning historian Laurel Thatcher Ulrich fourteen domestic items from preindustrial America ranging from a linen tablecloth to an unfinished sock relinquish their stories and offer profound insights into our history In an age when even meals are rarely made from scratch homespun easily acquires the glow of nostalgia The objects Ulrich investigates unravel those simplified illusions revealing important clues to the culture and people who made them Ulrich uses an Indian basket to explore the uneasy coexistence of native and colonial Americans A piece of silk embroidery reveals racial and class distinctions and two old spinning wheels illuminate the connections between colonial cloth making and war Pulling these divergent threads together Ulrich demonstrates how early Americans made used sold and saved textiles in order to assert their identities shape relationships and create history **Reconstruction and Restoration of**
