

STEP BY STEP SPINNING & DYEING

Here is a fascinating new book for everyone who enjoys working with texture, fibers, and colors—whether in knitting, weaving, macramé, crochet, or other crafts. Everything you need to know about how to spin and dye your own yarns is covered in this handsome, clearly-written guide. Included are sections on the equipment needed; step-by-step directions for spinning yarns from wool, cotton, flax, and other fibers (with either a simple spindle or a wheel); and complete instructions for using natural dyes to obtain a glorious range of subtle, unique colors. Detailed illustrations and photographs accompany the step-by-step instructions, and a complete list of sources for all supplies is included. Both the beginning and the experienced spinner will enjoy creating the various projects that were designed as examples of practical and beautiful ways to use hand-spun and dyed yarns.
