**Spiral Jerk** Robert C. Solomon, 2005-07      *Out of the spiral of conflict* Andrea Hartmann-Piraudeau, 2023-01-01 The topic of spiraling conflict and what happens to us when we are in conflict fascinates everyone equally The reaction is then thoughtfulness and self reflection Everyone has their own conflicts and therefore the topic is close to us Conflicts are usually stressful and therefore we wish for explanations and ways out What dynamics do conflicts take on and how do they develop What happens to us when we enter the spiral of conflict How does our thinking our view of things and our interests change What does the conflict do to us and how do we get out of the vortex That is what this book is about It is based on scientific findings from psychology and conflict research      The Production of Reality Jodi O'Brien, 2006 This social psychology reader contains readings from popular literature as well as from peer reviewed journals and framing essays written by the editors All articles have been chosen with their readability and appropriateness for an undergraduate audience      Truth, 1885

**Some Necessary Angels** Jay Parini, 2000-08-15 Distinguished poet and novelist Jay Parini presents some of his best essays both classic and unpublished works on topics ranging from baseball to Frost and Emerson to the culture of creative writing For aspiring writers *Some Necessary Angels* is an illuminating glimpse into the workshop of a distinguished novelist and critic For readers who share Parini's love of language it is an invigorating expression of faith      **American & European Literary Imagination**, Western culture is composed of a subtle and complex mixture of influences religious philosophical linguistic political social and sociological American culture is a particular strain but unless European antecedents and contemporary leanings are duly noted any resulting history is predestined to provincialism and distortion In his account of American literature during the period 1919 to 1932 McCormick deals with the extraordinary work of artists who wrested imaginative order from a world in which the abyss was never out of sight McCormick's volume is intended as a critical rather than encyclopedic history of literature on both sides of the Atlantic between the end of World War I and the political and social crises that arose in the 1930s Although he emphasizes American writers the emergence of a vital and distinctly modern American literature is located in the cultural encounter with Europe and the rejection of national bias by the major figures of the period McCormick deals with Gertrude Stein and the mythology of the lost generation the tensions and ambivalences of traditionalism and modernity in the work of Sherwood Anderson and F Scott Fitzgerald the effect and qualities of Hemingway's style as compared to that of Henry de Montherlant and the provincial iconoclasm of Sinclair Lewis juxtaposed with the more telling satire of Italo Svevo The formal innovations in the work of John Dos Passos E E Cummings and William Faulkner the poetic revolution against cultural parochialism and genteel romanticism is given extensive consideration with regard to the work of T S Eliot Ezra Pound Wallace Stevens William Carlos Williams and Marianne Moore are also discussed The concluding chapters discuss literary and social criticism and assess the influence of psychoanalysis philosophical pragmatism and radical historiography on the intellectual climate of the period Teachers and students in

English and American Literature American History and Comparative Literature and the general reader interested in the writing of the period may gain new insights from these valuations devaluations and re evaluations John McCormick is professor emeritus of comparative literature at Rutgers University and Honorary Fellow of English and Literature at the University of York He is author of many books including Catastrophe and Imagination Fiction as Knowledge and George Santayana A Biography *Gleason's Monthly Companion* ,1880 **Aren't You Bojack Horseman?** Harriet E.H.

Earle,2024-01-04 When the final episode of BoJack Horseman aired on Netflix in 2020 it was to massive critical and popular acclaim Across six seasons viewers followed the exploits of a washed up sitcom actor and his wacky collection of friends set against the fading glitz of Hollywood and played out through a distinct cast of both human and anthropomorphic characters Before the series even concluded it was clear that it would be the topic of research and discussion long beyond its relatively short run This collection brings together essays about the ways this series handles complex and highly nuanced topics within three main themes mental health masculinity and the perils of celebrity With contributions from researchers across a broad range of fields these essays offer a variety of perspectives on these themes how they are represented within the show and the ways that both characters and viewers engage with them **The Complete Works of George MacDonald: Novels, Short Stories, Poetry, Theological Writings & Essays (Illustrated)**
