context of the larger transformations of democratic governance in India Hansen demonstrates that democratic transformation has enabled such developments as political mobilization among the lower castes and civil protections for religious minorities Against this backdrop the Hindu nationalist movement has successfully articulated the anxieties and desires of the large and amorphous Indian middle class A form of conservative populism the movement has attracted not only privileged groups fearing encroachment on their dominant positions but also plebeian and impoverished groups seeking recognition around a majoritarian rhetoric of cultural pride order and national strength Combining political theory ethnographic material and sensitivity to colonial and postcolonial history The Saffron Wave offers fresh insights into Indian politics and by focusing on the links between democracy and ethnic majoritarianism advances our understanding of democracy in the postcolonial world *The Revival*,1862 **The Present Age**,1882 *The Gospel Trumpet*,1914
