body spirituality and technology The individual chapters address cross cultural research related to the central theme of the section from the perspectives of the particular arts discipline Interludes provide reflective thoughts on the theme

Dancing the Deep Hum, One Woman's Ideas about How to Live in a Dancing, Singing Universe Connie Tyler, 2009-03 In *Dancing the Deep Hum* Connie Tyler examines the sometimes delightful and sometimes painful lessons she has learned in her sixty five years of life and humbly presents some ideas about how to live life joyfully Weaving in and out between the personal and the public the individual and the whole the universe the infinite and the here and now she searches for the definition of that unnamable something that hums uses her own experiences and other people's stories found in books film and the media to suggest a set of principles for living that just might bring us personal happiness while moving us toward a solution to the world's ecological and social justice problems

Authentic Movement: Moving the Body, Moving the Self, Being Moved Patrizia Pallaro, 2007-01-15 This second volume on Authentic Movement a new discipline aiding the creative process in the expressive arts is an engaging and dynamic collection of scholarly essays personal stories practical suggestions and resources It reflects cutting edge work on creative expression meditative discipline and psychotherapeutic endeavour

Praying with Body and Soul Jane E. Vennard, 1998-10-01 *Praying with Body and Soul* involves the whole person our senses our bodies at rest or in motion our imaginations as well as our minds and emotions By paying prayerful attention to the body people will not only recognize the ways in which they already pray but will learn how to deepen their relationship with God Each chapter includes questions for reflection and practical exercises such as drawing walking meditation fasting making music dancing and praying in sickness and disability This guide to prayer can be used by individuals prayer partners and small groups

Dance As Religious Studies Douglas G. Adams, Diane Apostolos-Cappadona, 2001-04-05 *Dance as religious studies* reveals resources for the art of liturgical dance in terms of both performance and scholarly interpretation This collection of methodological essays has been arranged to suggest the wide spectrum and the underlying unity of these diverse and varied approaches to understanding dance as religious studies Part I concentrates on the relationship between liturgical dance and the scriptural traditions of Judaism and Christianity Part II indicates the feminist possibilities for liturgical and modern dance Part III presents a spectrum of the contemporary theory and practice of liturgical dance The book concludes with a bibliographic survey of sources and resources available to both liturgical dancers and students of dance as religious studies

All in Sync Robert Wuthnow, 2003-05-05 Robert Wuthnow shows how music and art are revitalizing churches and religious life across the nation in this first ever consideration of the relationship between religion and the arts *All in Sync* draws on more than four hundred in depth interviews with church members clergy and directors of leading arts organizations and a new national survey to document a strong positive relationship between participation in the arts and interest in spiritual growth Wuthnow argues that contemporary spirituality is increasingly encouraged by the arts because of its emphasis on transcendent experience and personal reflection This kind of spirituality contrary to what many

observers have imagined is compatible with active involvement in churches and serious devotion to Christian practices The absorbing narrative relates the story of a woman who overcame a severe personal crisis and went on to head a spiritual direction center where participants use the arts to gain clarity about their own spiritual journeys Readers visit contemporary worship services in Chicago Philadelphia and Boston and listen to leaders and participants explain how music and art have contributed to the success of these services All in Sync also illustrates how music and art are integral parts of some Episcopal African American and Orthodox worship services and how people of faith are using their artistic talents to serve others Besides examining the role of the arts in personal spirituality and in congregational life Wuthnow discusses how clergy and lay leaders are rethinking the role of the imagination especially in connection with traditional theological virtues He also shows how churches and arts organizations sometimes find themselves at odds over controversial moral questions and competing claims about spirituality Accessible relevant and innovative this book is essential for anyone searching for a better understanding of the dynamic relationships among religion spirituality and American culture Dance.

Creative/rhythmic Movement Education ,1981 **The Worship Workshop** Dr. Marcia McFee,2010-10-01 The Worship Workshop rather than providing simply another manual for doing worship offers instead an interactive workshop that helps worship teams develop more meaningful and memorable worship for the congregation By combining liturgical history and the creative process The Worship Workshop encourages worship teams and staff to break out of the traditional worship box in order to create diverse ways to present the Good News in worship Through a variety of activities ideas and informational handouts The Worship Workshop helps worship committees planners and designers evaluate the state of their current worship get more people involved in the planning and designing process explore the diverse designs of congregational worship learn the history of worship and utilize the arts and artists in worship The Music and Dance of the World's Religions E.
