Spirit Of The Bog

Joseph E. Worcester

Spirit Of The Bog:

The Spirits of the Bog Mary Arrigan,1998 Arty and Susy are staying with their Irish Grandma Kate in her cottage on the bog When she shows them her latest painting the children react to it as if it were terrifyingly alive That night a storm blows through and strange things began happening Another chiller from the author of Seascape with Barber s Harp **Ainu Spirits Singing** Sarah M. Strong,2011-10-31 Indigenous peoples throughout the globe are custodians of a unique priceless and increasingly imperiled legacy of oral lore Among them the Ainu a people native to northeastern Asia stand out for the exceptional scope and richness of their oral performance traditions Yet despite this cultural wealth nothing has appeared in English on the subject in over thirty years Sarah Strong s *Ainu Spirits Singing* breaks this decades long silence with a nuanced study and English translation of Chiri Yukie s *Ainu Shin yoshu* the first written transcription of Ainu oral narratives by an ethnic Ainu The thirteen narratives in Chiri s collection belong to the genre known as *kamui yukar* said to be the most ancient performance form in the vast Ainu repertoire In it animals and sometimes plants or other natural phenomena all regarded as spiritual beings *kamui* within the animate Ainu world assume the role of narrator and tell stories about themselves The first person speakers include imposing animals such as the revered orca the Hokkaido wolf and Blakiston s fish owl as well as the more humble Hokkaido brown frog snowshoe hare and pearl mussel Each has its own story and own signature refrain Strong provides readers with an intimate and perceptive view of this extraordinary text Along with critical contextual information about traditional Ainu society and its cultural assumptions she brings forward pertinent information on the geography and natural history of the coastal southwestern Hokkaido region where the stories were originally performed The result is a rich fusion of knowledge that allows the reader to feel at home within the animistic frame of reference of the narratives Strong s study also offers the first extended biography of Chiri Yukie 1903 1922 in English The story of her life and her untimely death at age nineteen makes clear the harsh consequences for Chiri and her fellow Ainu of the Japanese colonization of Hokkaido and the Meiji and Taisho governments policies of assimilation Chiri s receipt of the narratives in the Horobetsu dialect from her grandmother and aunt both traditional performers and the fact that no native speakers of that dialect survive today make her work all the more significant The book concludes with a full integral translation of the text [Country Life](#) ,1910 **Edgewood** Kristen Ciccarelli,2022-03-01 Edgewood has everything I love in a Kristen Ciccarelli book lyrical prose a romance that will hurt and themes rooted in raw and intimate questions making for a timeless tale Joan He New York Times bestselling author of *The Ones We re Meant to Find* Can love survive the dark No matter how far she runs the forest of Edgewood always comes for Emeline Lark The scent of damp earth curls into her nose when she sings and moss creeps across the stage It s as if the woods of her childhood shrouded in folklore and tall tales are trying to reclaim her But Emeline has no patience for silly superstitions When her grandfather disappears leaving only a mysterious orb in his wake the stories Emeline has always scoffed at suddenly seem less foolish She enters the forest she has

spent years trying to escape only to have Hawthorne Fell a handsome and brooding tithe collector try to dissuade her from searching Refusing to be deterred Emeline finds herself drawn to the court of the fabled Wood King himself She makes a deal her voice for her grandfather s freedom Little does she know she s stumbled into the middle of a curse much bigger than herself one that threatens the existence of this eerie world she s trapped in along with the devastating boy who feels so familiar With the help of Hawthorne an enemy turned reluctant ally who she grows closer to each day Emeline sets out to not only save her grandfather s life but to right past wrongs and in the process discover her true voice Haunting and romantic Kristen Ciccarelli s Edgewood is an exciting novel from a bold unforgettable voice in fantasy Darkly gorgeous and moving Edgewood is full of curses and fae magic that will capture your heart and wrap it in thorns before setting you free again forever changed I devoured Edgewood whole and couldn t put it down Evelyn Skye New York Times bestselling author of The Crown s Game

Cowboy Cruncher Lane Bristow,2011-02-01 I once told one of my American friends about the great Canadian sea serpent the Ogopogo of Lake Okanagan His only response was Bucky a country needs to have culture before it can have mythology Well the hard reality is that Canada really does have monster legends Whether or not we have culture yet is still up in the air However I will swear to my dying day that the Ogopogo exists because I saw it with my own eyes Coincidentally this sighting took place on the Ogopogos dying day because I also accidentally killed it Hey I said reality was hard Hi Im Bucky Laroo

Comparative Chukotko-Kamchatkan Dictionary Michael Fortescue,2011-12-22 This volume is the first comprehensive comparative dictionary to cover the whole of the Chukotko Kamchatkan family The genealogical status of this family whether from a common source or due to convergence has long been controversial but its coherence as a family can now be taken as proven Its geographical position between Siberia and northernmost America renders it crucial in any attempt to relate the languages and peoples of these large linguistic regions The dictionary consists of cognate sets arranged alphabetically according to reconstructed proto forms and covers all published lexical sources for the languages concerned plus a good deal of unpublished material The criterion for setting up Proto Chukotian sets is the existence of clear cognates in at least two of the four languages Chukchi Koryak Alutor and now extinct Kerek and for Proto Chukotko Kamchatkan sets cognates in at least one of these plus Itelmen Internal loans between the two branches of the family are indicated this is

particularly important in the case of the many loans from Koryak to modern western Itelmen Proto Itelmen sets without clear cognates in Chukotian are listed separately without reconstructions The data is presented in a reader friendly format with each set divided into separate lines for the individual languages concerned and with a common orthography for all reliable modern forms given as full word stems not just roots The introduction contains information on the distribution of the individual languages and dialects and all sound correspondences relating them plus a sketch of what is known of their pre historical background Inflections and derivational affixes are treated in separate sections and Chukchi and English proto form indexes allows multiple routes of access to the data A full reference list of sources is included Secretive Spirits Brian Monahan, Second book in a series about adventures in both the physical world and the world of spirit beings Alternative realities for all ages organic traditional spiritual beliefs of Old Ireland The Sidh The Good People The Fairy Folk of lore and modern new age understanding While taking a pilgrimage tour of Connemara as far as The Twelve Pins Mountains *The Muddy Little Bell* Brigitta Gisella Geltrich-Ludgate,2013-05-09 About the book The Muddy Little Bell consists of stories legends dialogues and essays based on the authors folkloristic writing style Each story is self contained and was inspired by an incident happening in the authors life or by a city or a countryside where the author was living or visiting **Nature Spirits, Spirit Guides, and Ghosts** Atala Dorothy Toy,2012-05-29 A specialist in interdimensional communication helps readers recognize the subtle energy all around them to become more in tune with Faeries angels ghosts orbs and other spirits as well as offering explanations of time travel portals and vortexes Original *Encyclopædia of Religion and Ethics: Indexes* James Hastings,John Alexander Selbie,Louis Herbert Gray,1927 Experiments in Agriculture John Wynn Baker,1774 *A Dictionary of the English Language* Joseph Emerson Worcester,1859 **Dictionary of the English Language** Joseph E.
