Robert Leventhal

Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present:

Spirit Possession in Judaism Matt Goldish, 2003 Goldish has edited an extremely important collection of essays that promises to radically transform the way many people view Judaism One of the volume s most useful features is its wide historical scope This collection explores different forms of possession including dybbuk malevolent possession the best known phenomenon and lesser known types such as ibbur impregnation gilgul reincarnation and maggid angelic mentor

Spirit Possession around the World Joseph P. Laycock, 2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world from Europe to Asia and the Middle East to the Americas Possession and exorcism are elements that occur in nearly every culture Why is belief in spiritual possession so universal This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism presenting thoughts on this widely popular topic by experts from the fields of anthropology sociology religious studies history neuroscience forensics and theology The entries cover the subject of possession and exorcism across all inhabited continents from the Bronze Age to the 21st century providing information that is accessible and intriguing as well as scholarly and authoritative Beyond addressing the Christian tradition of possession and exorcism Pentecostalism and New Age and less widely known Western concepts about possession and exorcism this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia Africa and the Americas It also covers historic cases of possession and presents biographies of famous theologians exorcists and possessed individuals High school and undergraduate readers will learn about world history religious and spiritual traditions and world cultures through a topic that figures prominently in popular culture and modern entertainment Bibliographies that accompany each entry as well as a selected general bibliography serve to help students locate print and electronic sources of additional information

The Dybbuk Morris M. Faierstein, 2024-06-01 The Dybbuk is the first comprehensive study of the historical and kabbalistic sources of the dybbuk phenomenon from the first recorded case of dybbuk possession in Safed in 1571 onward Dybbuk possession differs from possession by demons or Satan Its origin is in the Kabbalistic concept of gilgul transmigration for sins that are so grievous that Gehenna is not sufficient punishment and the soul must therefore wander until expiation is found The dybbuk can temporarily find refuge in animals or people and can only be exorcised by a Baal Shem a great kabbalist or expert in Jewish magic In addition to describing the history and evolution of this concept The Dybbuk includes English translations of all dybbuk stories discussed in the book many translated for the first time

Making the Case Robert Leventhal, 2019-11-18 One hundred years before Freud s striking psychoanalytic case histories the narrative psychological case history emerged in the second half of the eighteenth century in Germany as an epistemic genre Gianna Pomata that cut across the disciplines of medicine philosophy law psychology anthropology and literature It differed significantly from its predecessors in theology jurisprudence and medicine Rather than subsuming the individual

under an established classification moral precept category or type the narrative psychological case history endeavored to articulate the individual in its very individuality thereby constructing a self in its irreducible singularity The presentation and analysis of several significant psychological case histories their theory and practice as well as the controversies surrounding their utility validity and function for an envisioned science of the soul constitutes the core of the book Close and distant F Moretti readings of key texts and figures in the discussion regarding empirical psychology psychologia empirica experiential psychology Erfahrungsseelenkunde and medical psychology medizinische Psychologie such as Christian Wolff J C Kr ger J C Bolton Ernst Nicolai J A Unzer J G Sulzer J G Herder Friedrich Schiller Jacob Friedrich Abel Marcus Herz Karl Philipp Moritz J C Reil Ernst Platner and Immanuel Kant provide the disciplinary historical scientific context within which this genre comes to the fore As the first systematic argument concerning the early history of this genre my thesis is that the psychological case history evolved as part of a pastoral apparatus of care concern guidance and direction for what it fashioned as the unique individual as the discursive medium in a process by which the soul became a self The narrative psychological case history was in fact a meta genre that transcended traditional boundaries of history and fiction medicine and philosophy psychology and anthropology and sought for the first time to explicitly link the experience history memory fantasy previous trauma or suffering of a unique individual to illness deviance aberration and crime In a word it demonstrated as Freud later said of his own case histories in Studies on Hysteria the intimate relation between the history of suffering and the symptoms of illness die innige Beziehung zwischen Leidensgeschichte und Krankheitssymptome This genre not only had a profound and far reaching effect on the evolution of German and European literature one thinks of the rich traditions of the Novella and the Fallgeschichte from Goethe B chner R L Stevenson Edgar Allen Poe and Chekhov to Kafka and beyond but in shaping modern literature the clinical sciences and even popular culture The book should therefore be of interest not merely to Germanists modern European cultural historians historians of science and literary historians but also those interested in the history of medicine and psychology the origins of psychoanalysis the history of anthropology cultural studies and more generally the history of ideas

Jews and Muslims in Morocco Jane S. Gerber, Joseph Chetrit, Drora Arussy, 2021-07-27 Multiple traditions of Jewish origins in Morocco emphasize the distinctiveness of Moroccan Jewry as indigenous to the area rooted in its earliest settlements and possessing deep connections and associations with the historic peoples of the region The creative interaction of Moroccan Jewry with the Arab and Berber cultures was noted in the Jews use of Morocco s multiple languages and dialects characteristic poetry and musical works as well as their shared magical rites and popular texts and proverbs In Jews and Muslims in Morocco Their Intersecting Worlds historians anthropologists musicologists Rabbinic scholars Arabists and linguists analyze this culture in all its complexity and hybridity The volume s collection of essays span political and social interactions throughout history cultural commonalities traditions and halakhic developments As Jewish life in Morocco has dwindled much of what is left are traditions maintained in Moroccan ex pat communities and memories of those who stayed

and those who left The volume concludes with shared memories from the perspective of a Jewish intellectual from Morocco a Moroccan Muslim scholar an analysis of a visual memoir painted by the nineteenth century artist Eugène Delacroix and a photo essay of the vanished world of Jewish life in Morocco *Disturbing Spirits* Beverly A. Tsacoyianis, 2021-06-15 This book investigates the psychological toll of conflict in the Middle East during the twentieth century including discussion of how spiritual and religious frameworks influence practice and theory The concept of mental health treatment in war torn Middle Eastern nations is painfully understudied In *Disturbing Spirits* Beverly A Tsacoyianis blends social cultural and medical history research methods with approaches in disability and trauma studies to demonstrate that the history of mental illness in Syria and Lebanon since the 1890s is embedded in disparate but not necessarily mutually exclusive ideas about legitimate healing Tsacoyianis examines the encounters between Western psychiatry and local practices and argues that the attempt to implement modern cosmopolitan biomedicine for the last 120 years has largely failed in part because of political instability and political traumas and in part because of narrow definitions of modern medicine that excluded spirituality and locally meaningful cultural practices Analyzing hospital records ethnographic data oral history research historical fiction and journalistic nonfiction Tsacoyianis claims that psychiatrists presented mental health treatment to Syrians and Lebanese not only as a way to control or cure mental illness but also as a modernizing worldview to combat popular ideas about jinn based origins of mental illness and to encourage acceptance of psychiatry Treatment devoid of spiritual therapies ultimately delegitimized psychiatry among lower classes Tsacoyianis maintains that tensions between psychiatrists and vernacular healers developed as political transformations devastated collective and individual psyches and disrupted social order Scholars working on healing in the modern Middle East have largely studied either psychiatric or non biomedical healing but rarely their connections to each other or to politics In this groundbreaking work Tsacoyianis connects the discussion of global responsibility to scholarly debates about human suffering and the moral call to caregiving *Disturbing Spirits* will interest students and scholars of the history of medicine and public health Middle Eastern studies and postcolonial literature

[The Ashgate Encyclopedia of Literary and Cinematic Monsters](#) Jeffrey Andrew Weinstock, 2016-04-01 From vampires and demons to ghosts and zombies interest in monsters in literature film and popular culture has never been stronger This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A Z of monsters throughout the ages It is the first major reference book on monsters for the scholarly market Over 200 entries written by experts in the field are accompanied by an overview introduction by the editor Generic entries such as ghost and vampire are cross listed with important specific manifestations of that monster In addition to monsters appearing in English language literature and film the Encyclopedia also includes significant monsters in Spanish French Italian German Russian Indian Chinese Japanese African and Middle Eastern traditions Alphabetically organized the entries each feature suggestions for further reading The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an

essential addition to library reference shelves *Encyclopedia of Jewish Folklore and Traditions* Raphael Patai, 2015-03-26
This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind

Jewish Views of the Afterlife Simcha Paull Raphael, 2019-04-15 Originally published in 1994 *Jewish Views of the Afterlife* is a classic study of ideas of afterlife and postmortem survival in Jewish tradition and mysticism As both a scholar and pastoral counselor Raphael guides the reader through 4 000 years of Jewish thought on the afterlife by investigating pertinent sacred texts produced in each era Through a compilation of ideas found in the Bible Apocrypha rabbinic literature medieval philosophy medieval Midrash Kabbalah Hasidism and Yiddish literature the reader learns how Judaism conceived of the fate of the individual after death throughout Jewish history In addition this book explores the implications of Jewish afterlife beliefs for a renewed understanding of traditional rituals of funeral burial shiva kaddish and more This newly released twenty fifth anniversary edition presents new material on little known Jewish mystical teachings on reincarnation a chapter on Spirits Ghosts and Dybbuks in Yiddish Literature and a foreword by the renowned scholar of Jewish mysticism Rabbi Arthur Green Both historical and contemporary this book provides a rich resource for scholars and laypeople and for teachers and students and makes an important Jewish contribution to the growing contemporary psychology of death and dying

Dybbuks and Jewish Women in Social History, Mysticism and Folklore Rachel Elior, 2014-08-01 How and why a person comes to be possessed by a dybbuk the possession of a living body by the soul of a deceased person and what consequences ensue from such possession form the subject of this book Though possession by a dybbuk has traditionally been understood as punishment for a terrible sin it can also be seen as a mechanism used by desperate individuals often women who had no other means of escape from the demands and expectations of an all encompassing patriarchal social order *Dybbuks and Jewish Women* examines these and other aspects of dybbuk possession from historical and phenomenological perspectives with particular attention to the gender significance of the subject [Sleep, Death, and](#)

[Rebirth](#) Zvi Ish-Shalom, 2021-08-17 In the sixteenth century the famous kabbalist Isaac Luria transmitted a secret trove of highly complex mystical practices to a select groups of students These meditations were designed to capitalize on sleep and death states in order to effectively split one's soul into multiple parts and which when properly performed permitted the adept to free oneself from the cycle of rebirth Through an in depth analysis of these contemplative practices within the broader context of Lurianic literature Zvi Ish Shalom guides us on a penetrating scholarly journey into a realm of mystical teachings and practices never before available in English illuminating a radically monistic vision of reality at the heart of Kabbalistic metaphysics and practice **Reformation and Early Modern Europe** David M. Whitford, 2007-11-01

Continuing the tradition of historiographic studies this volume provides an update on research in Reformation and early modern Europe Written by expert scholars in the field these eighteen essays explore the fundamental points of Reformation and early modern history in religious studies European regional studies and social and cultural studies Authors review the

present state of research in the field new trends key issues scholars are working with and fundamental works in their subject area including the wide range of electronic resources now available to researchers Reformation and Early Modern Europe A Guide to Research is a valuable resource for students and scholars of early modern Europe **Was 70 CE a Watershed in Jewish History?** Daniel R. Schwartz,Zeev Weiss,2011-11-25 These twenty studies ask whether changes in different fields of ancient Jewish culture were caused by the destruction of the Second Temple in 70 CE what changed for other reasons and what did not change despite that event *Jewish Mysticism and Kabbalah* Frederick E. Greenspahn,2011-11-01 Over the past generation scholars have devoted increasing attention to the diverse forms that Jewish mysticism has taken both in the past and today what was once called nonsense by Jewish scholars has generated important research and attention both within the academy and beyond as demonstrated by the popular fascination with figures such as Madonna and Demi Moore and the growing interest in spirituality In *Jewish Mysticism and Kabbalah* leading experts introduce the history of this scholarship as well as the most recent insights and debates that currently animate the field in a way that is accessible to a broad audience From mystical outpourings in ancient Palestine to the Kabbalah Centre and from attitudes towards gender to mystical contributions to Jewish messianic movements this volume explores the various expressions of Jewish mysticism from antiquity to the present day in an engaging style appropriate for students and non specialists alike **Abstinence Cinema** Casey Ryan Kelly,2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 *Abstinence Cinema* comes to a very different conclusion finding echoes of the evangelical movement s abstinence only rhetoric in everything from *Easy A* to *Taken* Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman s primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the *Twilight* films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years *Abstinence Cinema* offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency **Music in Biblical Life** Jonathan L. Friedmann,2013-01-22 Music was integral to the daily life of ancient Israel It accompanied activities as diverse as manual labor and royal processions At key junctures and in core institutions musical tones were used to deliver messages convey emotions strengthen communal bonds and establish human divine contact This book explores the intricate and multifaceted

nature of biblical music through a detailed look into four major episodes and genres the Song of the Sea Exod 15 King Saul and David's harp 1 Sam 16 the use of music in prophecy and the Book of Psalms This investigation demonstrates how music helped shape and define the self identity of ancient Israel In the Demon's Bedroom Jeremy Asher Dauber,2010-01-01 This important study is the first to offer a sustained look at a variety of early modern Yiddish masterworks and their writers and readers paying particular attention to their treatment of supernatural themes and beings The Feminine Messiah Ruth Kara-Ivanov Kaniel,2021-08-30 In *The Feminine Messiah* King David in the Image of the Shekhina in Kabbalistic Literature Ruth Kara Ivanov Kaniel presents an in depth study focusing on the centrality of the figure of King David in Jewish culture and mystical literature King David is one of the most colorful complex and controversial personalities in Jewish lore While numerous studies have focused on David's centrality to biblical literature and late antiquity to date no comprehensive scholarly attempt has been made to investigate his image in Jewish kabbalistic literature This innovative study also contributes to the understanding of the connection between the mystical and psychoanalytic perception of the self as well as illuminating issues of gender fluidity identity and sexuality in medieval kabbalistic literature **The Velizh Affair** Eugene M. Avrutin,2018 The Velizh case was the longest ritual murder investigation in the modern world Drawing on newly discovered trial records historian Eugene M Avrutin looks beyond antisemitism as the single most important factor in understanding ritual murder accusations and in the process provides an intimate glimpse of small town life in eastern Europe

Jews in the Realm of the Sultans Yaron Ben-Naeh,2008 Jewish society in the Ottoman Empire has not been the subject of systematic research The seventeenth century is the main object of this study since it was a formative era For Ottoman Jews the Ottoman century constituted an era of gradual acculturation to changing reality parallel to the changing character of the Ottoman state Continuous changes and developments shaped anew the character of this Jewry the core of what would later become known as Sephardi Jewry Yaron Ben Naeh draws from primary and secondary Hebrew Ottoman and European sources the image of Jewish society in the Ottoman Empire In the chapters he leads the reader from the overall urban framework to individual aspects Beginning with the physical environment he moves on to discuss their relationships with the majority society followed by a description and analysis of the congregation its organization and structure and from there to the character of Ottoman Jewish society and its nuclear cell the family Special emphasis is placed throughout the work on the interaction with Muslim society and the resulting acculturation that affected all aspects and all levels of Jewish life in the Empire In this the author challenges the widespread view that sees this community as being stagnant and self segregated as well as the accepted concept of a traditional Jewish society under Islam

When somebody should go to the ebook stores, search instigation by shop, shelf by shelf, it is in reality problematic. This is why we allow the books compilations in this website. Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present Introduction

In today's digital age, the availability of Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals for download is the cost-saving aspect. Traditional books

and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and

self-improvement. So why not take advantage of the vast world of Spirit Possession In Judaism Cases And Contexts From The Middle Ages To The Present books and manuals for download and embark on your journey of knowledge?
