Spirit World Breakthrough:

Spirit World Breakthrough Robert Neil Porter, Nicodemus Theopholus, 1969 *Breakthrough Fast* Guillermo Maldonado, 2018-12-18 If today's believers only knew the spiritual power for breakthrough that comes through fasting they would practice it more. A breakthrough is a sudden spiritual burst that pushes us beyond our limitations and into deliverance and freedom. Many Christians are struggling with a need for guidance, deliverance from long-term issues and answers to perplexing circumstances, and they desperately need breakthroughs. Furthermore, as the second coming of the Lord draws near, we are dealing with demonic powers that have never before been seen on the earth. Our need to pray and fast has intensified because this is the only way we can be prepared to confront these destructive powers. Now is the time to press through to breakthrough by developing a lifestyle of fasting and prayer. Learn what fasting is, the different types of fasts, and their benefits, and how to fast effectively. Fasting is one of the keys to entering the presence of God. Allow God to deliver you, transform you, and use you as a vessel of His supernatural power in the world as you discover how to enter into a Breakthrough Fast. Your Father, who sees your fasting in secret, will reward you openly. Matthew 6:18 *Know Your Spiritual Enemies and Destroy Their Kingdom of Darkness* Gilbert Enyidah-Okey Ordu, 2007 **Spiritual Breakthroughs**, *Spirit World Breakthrough* Jack Perry, 1969 **Fasting for Spiritual Breakthrough** Elmer L. Towns, 2017-11-07 This time-tested book will strengthen your faith, drawing you closer to God. This comprehensive book is for you if you seek a closer walk with God, whether you wonder how to fast or you've been practicing this spiritual discipline for years. As you learn the clear biblical reasons for fasting, you'll also be introduced to nine biblical fasts that God can use for specific physical and spiritual outcomes. These include The Disciple's Fast to free yourself and others from addictions to sin, The Ezra Fast to solve problems, inviting the Holy Spirit's aid, The Saint Paul Fast to bring clearer perspective and insight in critical decision making, The Daniel Fast to gain a healthier life or healing. Each fast includes its purpose and biblical basis, why or when to practice this fast, and a practical step-by-step guide as you prepare for it. Now included in the book are new stories from people who have found spiritual breakthroughs in fasting, study questions for individuals or groups, biblical references to fasting, a fasting glossary, and more. **Breakthrough Prayer** Guillermo Maldonado, 2018-10-02 Prayer is not a practice or a ritual. It is a place. A secret place in the Spirit. A place of divine encounters with our heavenly Father, where we express our love for Him and enter the dimensions of His glory and power. Where we welcome His presence, receive His revelation and guidance for our life, and are empowered to serve His purposes on earth while experiencing the outpouring of His grace through miracles, healings, deliverances, and salvations. With a scriptural foundation, the conviction of personal experience, and the evidence of many testimonies, Guillermo Maldonado passionately reveals how to enter this place in the Spirit so we, as the body of Christ, can become a house of prayer. Discover the joy of two-way communication with the Father. Learn not only to hear His voice but to listen and act on what He is saying to you. See how to build momentum in your prayer life, creating a spiritual

atmosphere in which God moves powerfully on behalf of His people Discover essential keys for breakthrough and how to have all your prayers answered according to God s will and Word There has never been a more vital time to find our place in prayer We are in a period of increased opposition from the enemy as we draw closer to the day of Christ s return This requires us to attain a higher level of spiritual power and authority which can only come through breakthrough prayer that ushers us into God s presence Nothing else will prepare us to meet the challenges that are coming our way Nothing else will prepare us for the second coming of Christ Now is the time to be spiritually vigilant Now is the time to watch and pray

like the mustard seed of the parable A paradigm shift from the ecclesio centric mission to missio Dei offers reason for further optimism In short the future of mission in India is as bright as the kingdom of God In today s new context theologians despite objections from some quarters are struggling to discover the Asian face of Jesus disfigured by the Greco Roman Church And the missionary is challenged to become a living Bible that undoubtedly everyone will read

Spiritual Initiation and the Breakthrough of Consciousness Joseph Chilton Pearce,2003-07-23 Explains the phenomenon of shaktipat the spiritual transmission of power from a teacher to a devotee Shows how technology has eroded personal power and how insight and awareness can play a higher role in our lives Reveals how insight is the vehicle for profound self transformation Shakti is the creative force the bonding power that holds the universe together Shaktipat is the moment when enlightenment is conferred upon a student instantaneously by his master s touch The guru conferring shaktipat creates a bond of power in those who have accepted him or her as their teacher In *Spiritual Initiation and the Breakthrough of Consciousness* Joseph Chilton Pearce describes his experience of shaktipat from his teacher Swami Muktananda From this awakening Pearce experiences a dramatic shift of mind and comes to the realization that perception is reality and that insight is our only vehicle for profound self transformation Oneness with God is the birthright of every individual though we are culturally vaccinated to resist experiencing this higher consciousness Our search for objective truth has lead us not to wholeness but instead to the belief that we have no bond to each other to God or to an inanimate physical world Our technology reduces our ability to experience revelation and leads us instead toward the chatter of confused thinking The challenge faced by modern humanity which is the challenge Muktananda gave to his students is to passionately gather up the scattered fragments of our lives and channel them into the creative realm where with insight or revelation we will be able to become more than ourselves

The Way To Be Free John Godolphin Bennett,2012-04-02 The central theme of this book is the difference between work from the mind and work from the essence Work from the mind produces skillful prisoners of illusion but prisoners all the same Work from the essence is the way to be free It is centered in the heart This book is compiled from conversations that took place between Bennett and his students and includes several sections from previously unpublished notes that were to be used in a definitive work on a complete system of Gurdjieff study It includes an essay on the Octave of Salvation written in the 1940s which shows Bennett s remarkable familiarity with the spiritual traditions of Buddhism Hinduism and Christianity and which is a significant treatise in its own right Bennett was a master of structural thinking but always remained closely in touch with the concrete detail of experience This 2006 edition has a new foreword by Anthony Blake and was compiled and edited by Anthony Blake
