Spirit Bride:

The Gospel of the Holy Spirit Rose Dove,2003-07 These words of Beauty and Truth of Divine Love should like the gospel of Christ bring joy and gladness to all who read them Offering new insights into the Holy Trinity and the Trinitarian relationship they speak of Holy Spirit s role as teacher writer poet artist comforter healer giver of inspiration in the past and of new roles the Spirit will play in Heaven on earth In this book are described many glorious changes the Holy Spirit shall bring about in the third millennium which shall bring much happiness to all **Daughters of the Canton Delta** Janice Stockard,1992-03-01 This book describes an extraordinary traditional marriage system delayed transfer marriage that is virtually unknown in the ethnographic literature on Chinese Society though it was widely established in the Canton Delta In striking contrast to the orthodox Confucian form of marriage brides in delayed transfer marriages were required to separate from their husband shortly after marriage and return to live with their parents for at least three more years During this customary period of separation brides were expected to visit their husband on several festival occasions each year Idelly brides became pregnant about three years after marriage and then settled in the husband s home The area in which delayed transfer marriage was the customary and dominant form of marriage encompassed the rich silk producing district of the Canton Delta as well as adjacent rice producing areas The book analyzes the effect of economic change on the practice of delayed transfer marriage in the silk district *Turning to the Age of the Spirit* Witness Lee,2025-07-04 Today the Lord intends to turn the age He desires to turn to the age of the Spirit I have a deep conviction that the Lord s way hereafter is altogether in the Spirit We may love and fear the Lord desire a godly living that pleases Him and want to live according to the teaching of the Bible being well behaved in all things Such a living is similar to the teachings of Confucius but it is far from the central point revealed in the Scriptures The central point of the Bible shows that the Lord is the life giving Spirit He is leading us to turn from things outside of the Spirit to the Spirit Himself from rituals to the Spirit from knowledge to the Spirit and from the letter of the Bible to the Spirit He has enlivened and regenerated our human spirit and now He dwells in us to be our life and everything This is the central point of the Bible that the Lord wants to recover today **Heavenly**

Bridegrooms Ida Craddock,2019-06-25 It has been my high privilege to have some practical experience as the earthly wife of an angel from the unseen world In the interests of psychical research I have tried to explore this pathway of communication with the spiritual universe and so far as lay in my power to make a sort of rough guidebook of the route For not all wives of heavenly bridegrooms travel the same path at first There are roads running into this one from every religion and folklore under the sun since the pathway of marital relations on the Borderland was once and still is as I hope to show one of the main thoroughfares connecting our world with the world beyond the grave **The Spirit and the Bride Say, Come.** Susan Gutknecht,2015-03-02 Blessed are those who are invited to the wedding supper of the Lamb Revelation 19 9 What is the end of the age What is the wedding supper Are you prepared Like us the apostles asked those very questions In

the Bible the wedding supper refers to what will happen at the end of the age Jesus answered by telling the apostles the parable of the ten virgins a reference to those on earth who know about the end of days He advised the apostles that only half of those who know the end is coming will be prepared only half of those who know about the end of days will have enough oil to keep their lamps burning through the long night of waiting The other half will be at the market looking for oil and will miss the coming of Jesus That would mean half of the people who know that Jesus is coming back are not prepared for his return We need to gather oil for our lamps throughout our lives through prayer through reading the Bible The Holy Spirit was sent to prepare us for the wedding supper Does God still perform miracles or speak to His people At the age of four I clearly heard the voice of the Holy Spirit say to me You can have joy in your life if you walk with me This is a personal testimony of how the Lord heals the ones He loves walks with us and surrounds us with His peace

Awakening the Evolutionary Spirit Margaret Barry,2007-08-30 My book is about an awakening within where I began a journey in discovering who I am and who God is This story told in poetry and reflections is not for me alone but for all searching souls who wish to know what is at the core or source of their being My desire is to reveal to the people of God the possibilities that lie in store for his beloved creations Love gives birth to new life and to this mystic the new woman It has given me cause to believe that a new world of people will soon emerge with a new consciousness a new spirit of awareness becoming the epitome of our creator s design the Omega person I believe the experiences expressed within these pages are a companion experience to the feminine of God which is the Holy Spirit of God who has been attempting to be in union with and at oneness with human beings She like most women has been overlooked ignored rejected and even denied by blind male dominated hierarchical religions However the evolution of our species which is becoming more and more like its creator is entering a phase of experiencing an awakening or awareness of Being which will unite us not only to God but to one another in order that the Cosmic Christ a new creation will be born *Heaven & Hell: From God a Message of Faith* Retha McPherson,Aldo McPherson,2013-02-19 Message of Faith is the second book co authored by Retha McPherson and her teenage son Aldo It tells of Aldo s miraculous healing and their supernatural journey since a car accident almost claimed Aldo s life in 2004 The book contains journal entries in Aldo s own handwriting wherein he warns the bride of Christ to be ready for the soon arrival of the King During Aldo s coma Jesus took him to heaven and hell Aldo rarely wanted to talk or write about hell Jesus said he had to wait for the right time Retha explains She goes on to say That time is now here He recently told me Jesus said to him Aldo tell My bride BE PREPARED I am coming soon Aldo s letters will open your eyes to the reality of heaven and hell and the implications of your choices here on earth The book explains that the road of dying to self and living in Christ is what purifies the bride and this can only be done if you walk by faith and not by sight believing that God is who He says He is *The Book of Love* Andrew M. The Otherworld in Myth, Folklore, Cinema, and Brain Science Jim Kline,2019-04-09 This volume explores a dimension of reality usually scoffed at by rational thinking individuals living in modern industrialized societies but still experienced by these same individuals when they are in a stage of sleep known as rapid eye movement REM sleep this is the stage in which vivid and bizarre dreams are a person's living reality While in this stage we believe what we experience is real but then deny its reality upon awakening as we go about our daily routines Yet in many cases a dream with vivid imagery and bizarre goings on is communicating with the dreamer in an archaic language directly associated with an Otherworld reality This reality exists within us and expresses concepts and ideas about our realm of existence that pertain to our waking lives as well as to an alternate archaic life with its own language and ideas transcending physical reality By studying various myths and folk tales along with cinematic portrayals of otherworldly experiences commentary from modern individuals and reports from traditional shamans who are experts at traversing the Otherworld reality this text discerns the features and characteristics of this supernatural realm Contemporary research into the Otherworld marks this realm as corresponding to the unconscious substratum of the human psyche what C G Jung referred to as the collective unconscious Certain scientists have found evidence of its connection with various aspects of brain functioning suggesting that the brain in many ways encourages a belief in the Otherworld However it would be a mistake to call the Otherworld a figment of the human imagination since this realm seems to have a type of physical existence The book considers the Otherworld to exist and provides reasons why rational thinking individuals are hesitant to accept its existence even when their brains are telling them the Otherworld is real and you have just experienced it **The Spirit of Bohemia** Vladimir Nosek,1927 *The American Gallery of Art* John Sartain,1848
