Spirit Communication The Souls Path:

Spirit Communication Kevin Ryerson, Stephanie Harolde, 1991-06-01 An authority on New Age practices and medium for prophetic spirits discusses the art of trance channeling and its use in reaching higher consciousness and spiritual fulfillment

Spirit Communication Kevin Ryerson, 1989 A ground breaking work on channeling and spirit communication by the internationally famous and respected trance channeler Kevin Ryerson whose work with Shirley MacLaine led to her writing of *Out On A Limb* Soul Communication Olivia Blakey, 2020-10-07 Designed to help sensitive souls intentionally align with the callings of their higher self *Soul Communication* is a guide to becoming the creator of one's unique path of abundance Shaped by a story of the cyclic nature of death and rebirth through an astrological metaphor the journey includes twelve powerful exercises of intentional soul work used for transcending darkness to light and fear to love in all areas of life Western medicine call it mental illness Shamanic traditions call it spiritual emergence I call it rebirth Rebirth does not have to be painful but rather enables you to release old patterns that no longer serve your highest good so that you can receive the new Rebirth does not have to create suffering but rather empowers you to heal and free yourself from limiting belief systems Rebirth does not have to be resisted but rather awakens you to the beauty and liberation of limitless possibility Rebirthing the soul is a natural process of evolution and is often mistaken as a problem but *Soul Communication* transcends this stigma reflecting the exact reason why humanity must surrender to rebirth When you align with the language of your soul you become the creator of your own life Soul Breathing Carrie L'Esperance, 2016-05-17 An exploration of the multidimensional interplay between body mind and spirit Identifies the frequencies that support life and the dissonant frequencies incompatible with life such as the imbalances of EMFs Explains how to cultivate higher consciousness by building a strong light body Includes techniques and exercises for psychic cleansing physical and emotional detox chakra and aura strengthening and oracular dreaming Civilization has reached a critical threshold in time unlike any other Whether life continues to evolve or devolve depends upon our ability to reach higher states of consciousness en masse This requires calling upon the transformative power of the soul a power not handed to us but earned We are living proof that the physical and spiritual realms of existence work together in unity Yet for many of us our natural soul light and inner spiritual intuition are suppressed due to the distractions of day to day living and the electromagnetic pollution of our screen filled technological world In this exploration of the multidimensional interplay between the body mind and spirit Carrie L Esperance reveals how we can restore the flow of spiritual light in everyday living through the art of self mastery She explains how technology has severely reduced humanity's natural abilities and spiritual power She shows how EMFs and wi fi toast our energetic bodily systems and suppress our immune systems blocking the ethereal frequencies of light and suppressing our creative intuition and higher powers Detailing the spiritual bio geometry of light and the holographic principle she explores how the cells of our bodies receive light's deeper vibratory frequencies to support conscious evolution and soul development as well as

explaining near death and out of body experiences She identifies the dissonant energies that endanger mind body health and reveals new advances in brain science that allow us to transcend the malign influences that hamper human evolution She provides exercises and techniques for spiritual alignment and receptivity including psychic cleansing physical and emotional detox chakra and aura strengthening and oracular dreaming Preparing us for the new cosmology and the greater community of worlds that is being revealed L Esperance shows that when we are properly connected with our soul s intelligence and cultivate the reception of higher frequencies of consciousness then we are able to soul breathe to absorb more pranic energy the electromagnetic force and cosmic radiation that is the sustaining element of all life and consciousness *Your Guardian Angels* Schweitzer,2009 Your Guardian Angels is a book about spirit angels that assist you in meeting your soul path objectives within the human life you have chosen to live This book identifies the characteristics and job descriptions of these angels as well as their spirit contract with you in this lifetime Furthermore this book outlines the importance of communication with your guardian angels especially when facing challenges in life It provides information as well as a method to successfully open the door of communication with specific guardian angels When the door of communication is opened between spirit dimensions and the human plane of living insight and answers to life challenges can be easily obtained You have a team of seven to nine guardian angels who are with you always You have many more guardian angels moving in and out of your life on a daily basis In truth you are never alone This book identifies those angels **Metaphysical Divine Wisdom on Psychic Spirit Team Heaven Communication** Kevin Hunter,2019-06-25 In Psychic Spirit Team Heaven Communication spiritual motivational author Kevin Hunter examines the areas tied to psychic phenomena and mediumship You are psychic Everything that is not human made but God created has access to these Divine communication receptors deep within the soul s DNA regardless if there is awareness of that or not This is one of the ways that everything and everyone is affected and connected to one another Some of the topics discussed include fine tuning your soul for stronger psychic reception the psychic abilities built into all souls psychically connecting and other psychic related wisdom communicating with the Divine the core psychic clair senses picking up on heavenly input psychic insights psychic accuracy psychic timing how much does your Spirit Team know blocking Divine guidance the power of your sensitivities psychic spirit team communication the author s channeling process spirit guides and angels connecting with the tarot and much more Let more Light into your soul s life with the Metaphysical Divine Wisdom collection of books Each cover a variety of distinctive themes connected to the spiritual and the practical interwoven and back around again The Metaphysical Divine Wisdom practical motivational guide to spirituality series of books include Psychic Spirit Team Heaven Communication Soul Consciousness and Purpose Manifesting Fearless Assertive Confidence Balancing the Body Mind and Soul Increasing Prayer with Faith for an Abundant Life and Universal Physical Spiritual and Soul Love *The Complete Idiot's Guide to Communicating with Spirits* Deb Baker,Rita Berkowitz,2002-09-01 You re no idiot of course You know life is a journey and

The Nature of Magic Susan Greenwood, 2020-06-03 This book examines how and why practitioners of nature religion Western witches druids shamans seek to relate spiritually with nature through magical consciousness Magic and consciousness are concepts that are often fraught with prejudice and ambiguity respectively Greenwood develops a new theory of magical consciousness by arguing that magic ultimately has more to do with the workings of the human mind in terms of an expanded awareness than with socio cultural explanations She combines her own subjective insights gained from magical practice with practitioners in depth accounts and sustained academic theory on the process of magic She also tracks magical consciousness in philosophy myth folklore story telling and the hi tech discourse of postmodernity and asks important questions concerning nature religion's environmental credentials such as whether it is inherently ecological as many of its practitioners claim

Shalom My Love Sunny Ariel, 1998 Shalom My Love is a story of true love that bridges heaven and earth This amazing true story unfolds as a series of time loops flash backs and flash forwards triggered by conversations with Gadi after his death Written with humor and passion the author ruminates on sexuality her Jewish upbringing life in Israel and inevitably in this context the Holocaust all from the unblinking point of view of eternity *Heart Resonance* Trevor Gollagher, Light, 1918 Ancient Objects and Sacred Realms F. Kent Reilly, James F.

Garber, 2010-01-01 Between AD 900 1600 the native peoples of the Mississippi River Valley and other areas of the Eastern Woodlands of the United States conceived and executed one of the greatest artistic traditions of the Precolumbian Americas Created in the media of copper shell stone clay and wood and incised or carved with a complex set of symbols and motifs this seven hundred year old artistic tradition functioned within a multiethnic landscape centered on communities dominated by earthen mounds and plazas Previous researchers have referred to this material as the Southeastern Ceremonial Complex SECC This groundbreaking volume brings together ten essays by leading anthropologists archaeologists and art historians who analyze the iconography of Mississippian art in order to reconstruct the ritual activities cosmological vision and ideology of these ancient precursors to several groups of contemporary Native Americans Significantly the authors correlate

archaeological ethnographic and art historical data that illustrate the stylistic differences within Mississippian art as well as the numerous changes that occur through time The research also demonstrates the inadequacy of the SECC label since Mississippian art is not limited to the Southeast and reflects stylistic changes over time among several linked but distinct religious traditions The term Mississippian Iconographic Interaction Sphere MIIS more adequately describes the corpus of this Mississippian art Most important the authors illustrate the overarching nature of the ancient Native American religious system as a creation unique to the native American cultures of the eastern United States
