Spirit Of Place Contemporary Landscape Painting And The American Tradition:

Spirit of Place John Arthur, 1989-01-01 Over 80 artists are represented including Wolf Kahn **Expressions of Place** John R. Kemp, 2016-09-27 *Expressions of Place* embarks on a journey across the rural and urban landscapes of Louisiana via the talents of thirty seven artists located all around the state Many are acclaimed professionals whose paintings are included in major private and public collections regionally and nationally Others have found their followings closer to home All however strive to express impressions of the land with artistic styles that range from traditional to the symbolic and almost totally abstract Such a variety of interpretation becomes possible in a landscape that changes from dark cypress shrouded bayous trembling earth grassy prairies the gritty streets of inner city New Orleans to vast wind swept coastal marshes and the piney hills of north and central Louisiana Rather than stand as an encyclopedia catalog or history of the visual arts in Louisiana Kemp s book is instead a celebration of the state s evocative landscape in the work of accomplished contemporary artists It includes an introductory essay which places these creators and their works in historical context *Expressions of Place* provides readers with individual essays and biographical sketches in which the artists in their own words give insight as to what they paint how they paint where they paint and why they are drawn to the Louisiana landscape Particularly inspiring the artists discuss their interpretations of that landscape directly with the viewing audience *Expressions of Place* remains as much about the landscape of the artists imaginations as it is about the land itself With each painting they have created visual poetry of a land and environment that has become a defining part of their lives **Joseph E. Yoakum** Mark Pascale, Esther Adler (Curator), Édouard Kopp, 2021-01-01 The extraordinary life of a captivating American artist beautifully illustrated with his dreamlike drawings Much of Joseph Elmer Yoakum s story comes from the artist himself and is almost too fantastic to believe At a young age Yoakum 1891 1972 traveled the globe with numerous circuses he later served in a segregated noncombat regiment during World War I before settling in Chicago There inspired by a dream he began his artistic career at age seventy one producing some two thousand drawings over a decade How did Yoakum gain representation in major museum collections in Chicago and New York What fueled his process which he described as a spiritual unfoldment This volume delves into the friendships Yoakum forged with the Chicago Imagists that secured his place in art history explores the religious outlook that may have helped him cope with a racially fractured city and examines his complicated relationship to African American and Native American identities With hundreds of beautiful color reproductions of his dreamlike drawings it offers the most comprehensive study of the artist s work illuminating his vivid and imaginative creativity and giving definition and dimension to his remarkable biography Edwin Dickinson Douglas Dreishpoon, Edwin Walter Dickinson, Francis V. O'Connor, Mary Ellen Abell, 2002 This work surveys Edwin Dickinson s life and career both of which revolved around Cape Cod Buffalo and New York s Finger Lakes region It covers the artist s influential career as a teacher and analyzes Dickinson s self portraits and major symbolic paintings **Shaped by the West Wind** Claire

Elizabeth Campbell, 2005 Claire Campbell draws from recent work in cultural history landscape studies in geography and art history and environmental history to explore what happens when external agendas confront local realities a story central to the Canadian experience Explorers fishers artists and park planners all were forced to respond to the unique contours of this inland sea their encounters defined a regional identity even as they constructed a popular image for the Bay in the national imagination Jacket
