## **Spirit Of The Disciplines Understanding How God Changes Lives:**

**The Spirit of the Disciplines - Reissue** Dallas Willard, 1990-12-07 How to Live as Jesus Lived Dallas Willard one of today's most brilliant Christian thinkers and author of *The Divine Conspiracy* Christianity Today's 1999 Book of the Year presents a way of living that enables ordinary men and women to enjoy the fruit of the Christian life He reveals how the key to self transformation resides in the practice of the spiritual disciplines and how their practice affirms human life to the fullest *The Spirit of the Disciplines* is for everyone who strives to be a disciple of Jesus in thought and action as well as intention *Renewing Your Mind in a Mindless World* James Montgomery Boice, 2001 Written by the James Montgomery Boice this practical guide to personal application of Romans 12:1-2 to daily life will radically change not only how you see the world it will change how you live Step away from the trends of mainstream culture and follow a narrow but rewarding path to the transformation of your mind and life These principles for discerning and following God's will are perfect for meaningful group discussion or life changing personal reading *The Spirit of Our Politics* Michael R. Wear, 2024-01-23 For those discouraged and exhausted by the bitterness and rage in our politics Michael Wear offers a new paradigm of political involvement rooted in the teachings of Jesus and drawing insights from Dallas Willard's approach to spiritual formation When political division shows up not only on the campaign trail but also at our dinner tables we wonder Can we be part of a better way *The Spirit of Our Politics* says yes offering a distinctly Christian approach to politics that results in healing rather than division kindness rather than hatred and hope rather than despair In this profound and hope filled book Michael Wear a leading thinker and practitioner at the intersection of faith and politics applies insights taken from the work of Dallas Willard to argue that by focusing on having the right politics we lose sight of the kind of people we are becoming to destructive results This paradigm shifting book reveals Why we need to reframe how we view our political involvement as Christians How as Christians we can reorient our politics for the good of others The crucial connection between discipleship to Jesus and political involvement A different way of talking about politics that is edifying not stomach turning How to navigate political strife in churches and small groups Why who we are in our political life is not quarantined from who we are in real life Why gentleness is entirely possible in our political discourse *The Spirit of Our Politics* is for readers of any political perspective who long for a new way to think about and engage in politics That new approach begins with a simple question What kind of person would I like to be **Eschatological Discipleship** Trevin Wax, 2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one's evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps
