**Richard Bonney, David J. B. Trim**

## **Spirit Possession And Popular Religion From The Camisards To The Shakers:**

*Spirit Possession and Popular Religion* Clarke Garrett, 1987 The description is outstanding Nowhere else can one find such a succinct and eminently readable account that places Shakerism in its broadest context Garrett makes character and personality come alive throughout the book from the Prophets strange gyrations to Mother Ann Lee's drinking problem Journal of American History The most successful study yet written of transatlantic spiritual enthusiasm in the century of the Enlightenment Jon Butler Yale University Pietists Methodists and sectarian groups such as the Shakers all shared the conviction that God touched the individual directly and visibly manifestations of spirit possession accompanied by prophecy visions and ecstatic seizures became outward signs of an inner expedience a kind of sacred theater as believers acted out their possession before others Clarke Garrett follows this sacred theater back to the Camisards of southeastern France an ecstatic Protestant group whose doomed rebellion against Louis XIV led to their dispersal among Huguenot exiles Then Garrett writes in a form that the Huguenots themselves would probably not have recognized a dozen English ecstatics who in their native Manchester had been known as Shakers brought Huguenot spirit possession to America in 1774 The Shakers emerge as the culmination of the century's religious quest preserving the immediacy of spirit possession while making it the basis for the formation of an ideal Christian community Unravels the subtle links among such apparently divergent manifestations of popular religion as that of the Camisards and French Prophets of the seventeenth century German pietism the early Methodists in England the revivals of the Great Awakening the Amana community and the Shakers Garrett's study deserves the attention of all who would understand the history and nature of ecstatic experience and its continuing presence in Western religion Church History Shaker buffs will not find this study very comforting but serious students of Shakerism and historians interested in other communal societies stand in Garrett's debt for his excellent contribution to the field for his determination to address a range of important but difficult interpretive issues and for his willingness to employ a critical approach to texts too long handled uncritically American Historical Review A carefully researched methodologically sophisticated and lucidly written work Catholic Historical Review Originally published as *Spirit Possession and Popular Religion From the Camisards to the Shakers*

**The Shaker Experience in America** Stephen J. Stein, 1992-01-01 The first general history of the Shakers from their origins in 18th century England to the present day Drawing on written and oral testimony by Shakers over the past two centuries Stein offers a full and often revisionist account of the movement 57 illustrations

**Sex and Sects** Stewart Davenport, 2022-03-17 With a revolution behind them a continent before them and the First Amendment protecting them religious sexual pioneers in antebellum America were free to strike out on their own breaking with the orthodoxies of the past Shakers followed the ascetic path Oneida Perfectionists accepted sex as a gift from God and Mormons redefined marriage in light of new religious revelations that also redefined God humankind spirit and matter Sex became a powerful way for each group to reinforce their sectarian identity as strangers in a strange land Sex and

Sects tells the story of these three religiously inspired sexual innovations in America the celibate lifestyle of the Shakers the Oneida Community's system of controlled polyamory and plural marriage as practiced by the Mormons Stewart Davenport analyzes why these bold experiments rose and largely fell over the course of the nineteenth century within the confines of the new American republic Moving beyond a social scientific lens Davenport traces for the first time their fascinating shared trajectory as they emerged struggled institutionalized and declined in tandem and sheds historical light on the way in which Americans have discussed contested and redefined the institutions of marriage and family both in our private lives and in the public realm

Death and Afterlife in Modern France Thomas A. Kselman, 2014-07-14 Although today in France church attendance is minimal when death occurs many families still cling to religious rites In exploring this common reaction to one of the most painful aspects of existence Thomas Kselman turns to nineteenth century French beliefs about death and the afterlife not only to show how deeply rooted the cult of the dead is in one Western society but how death and the behavior of mourners have been politicized in the modern world Drawing on sermons preached in rural and urban parishes folktales and accounts of seances the author vividly re creates the social and cultural context in which most French people responded to death and dealt with anxieties about the self and its survival Inspired mainly by Catholicism beliefs about death provided a social basis for moral order throughout the nineteenth century and were vulnerable to manipulation by public officials and clergy Kselman shows however that by mid century the increase in urbanization capitalism family privacy and expressed religious differences generated diverse attitudes toward death causing funerals to evolve from Catholic neighborhood rituals into personalized symbolic events for Catholics and dissenters alike the civil burial of Victor Hugo being perhaps the greatest symbol of rebellion Kselman's discussion of the growth of commercial funerals and innovations in cemetery administration illuminates a new struggle for control over funeral arrangements this time involving businessmen politicians families and clergy This struggle in turn demonstrates the importance of these events for defining social identity Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Ann the Word* Richard Francis, 2013-07-01 Ann Lee is perhaps one of the most remarkable and mystifying women in the history of Western culture Few could have imagined that humble beginnings in Manchester England would lead to the illiterate daughter of a blacksmith overcoming personal anguish and increasingly Puritanical sentiments in England and rising to become a visionary religious leader thought by her followers to have been the second incarnation of Christ After the deaths of her four children Ann was committed to an insane asylum While committed she received the revelation that she was Ann the Word the female embodiment of Christ Upon her release she assumed

leadership of the Shaking Quakers or Shakers a local religious cult known for erratic fits of divine shaking passionate song and dance speaking in tongues and a belief that the millennium heralding the end of the world had come Escaping persecution she emigrated with a small band of Shakers to America in 1774 Charges of witchcraft and spying followed Lee wherever she went as she began an ambitious mission of conversion establishing communities across New England In the first serious biography about this spirited captivating leader Richard Francis provides the best portrait to date of a heroic indomitable mesmerizing woman Sunday Telegraph a trail blazer whose feminizing influence upon Christianity was marked progress for women of her time and long after He also demonstrates the aura and strangeness of the radical Shakers during their militant years and in so doing poignantly recreates a remote prophetic world Evening Standard bursting with mystery and intrigue

*Utopias and Utopians* Richard C.S. Trahair,2013-10-31 Utopian ventures are worth close attention to help us understand why some succeed and others fail for they offer hope for an improved life on earth Utopias and Utopians is a comprehensive guide to utopian communities and their founders Some works look at literary utopias or political utopias etc and others examine the utopias of only one country this work examines utopias from antiquity to the present and surveys utopian efforts around the world Of more than 600 alphabetically arranged entries roughly half are descriptions of utopian ventures the other half are biographies of those who were involved Entries are followed by a list of sources and a general bibliography concludes the volume

*Against Sex* Kara M. French,2021-04-27 How much sex should a person have With whom What do we make of people who choose not to have sex at all As present as these questions are today they were subjects of intense debate in the early American republic In this richly textured history Kara French investigates ideas about and practices of sexual restraint to better understand the sexual dimensions of American identity in the antebellum United States French considers three groups of Americans Shakers Catholic priests and nuns and followers of sexual reformer Sylvester Graham whose sexual abstinence provoked almost as much social moral and political concern as the idea of sexual excess Examining private diaries and letters visual culture and material artifacts and a range of published works French reveals how people practicing sexual restraint became objects of fascination ridicule and even violence in nineteenth century American culture Against Sex makes clear that in assessing the history of sexuality an expansive view of sexual practice that includes abstinence and restraint can shed important new light on histories of society culture and politics

**The Millenarian World of Early Mormonism** Grant Underwood,1999-01-15 Shows how early LDS interpretation of the Bible and the Book of Mormon affected and was affected by Mormon millennial doctrines

Hearken, O Ye People Mark Lyman Staker,2008-07-01 Best Book Award Mormon History Association Best Book Award John Whitmer Historical Association More of Mormonism s canonized revelations originated in or near Kirtland than any other place Yet many of the events connected with those revelations and their 1830s historical context have faded over time Barely twenty five years after the first of these Ohio revelations Brigham Young lamented in 1856 These revelations after a lapse of years become mystified sic to those who

were not personally acquainted with the circumstances at the time they were given He gloomily predicted that eventually the revelations may be as mysterious to our children as the revelations contained in the Old and New Testaments are to this generation Now more than 150 years later the distance between what Brigham Young and his Kirtland contemporaries considered common knowledge and our understanding of the same material today has widened into a sometimes daunting gap Mark Staker narrows the chasm in *Hearken O Ye People* by reconstructing the cultural experiences by which Kirtland's Latter day Saints made sense of the revelations Joseph Smith pronounced This volume rebuilds that exciting decade using clues from numerous archives privately held records museum collections and even the soil where early members planted corn and homes From this vast array of sources he shapes a detailed narrative of weather religious backgrounds dialect differences race relations theological discussions food preparation frontier violence astronomical phenomena and myriad daily customs of nineteenth century life The result is a from the ground up experience that today's Latter day Saints can all but walk into and touch

*O Sisters Ain't You Happy?* Suzanne R. Thurman, 2001-12-01 In her account of the founding golden years and eventual demise of the two Massachusetts villages Thurman history U of Alabama Huntsville augments the narrative history with discussion of how gender family and community functioned in them They were founded by English born visionary Ann Lee She called her sect the United Society of Believers in Christ's Second Appearing but they were commonly known as Shakers or Believers Annotation copyrighted by Book News Inc Portland OR

**The Ghost in the Universe** Taner Edis, 2009-12-02 Emphasizing the results of natural science physicist Taner Edis takes a fresh look at an age old question Is there a God or a spiritual reality beyond nature

*The Oxford Handbook of Nineteenth-century Christian Thought* Joel D. S. Rasmussen, Judith E. Wolfe, Johannes Zachhuber, 2017 This Handbook considers Christian thought in the long nineteenth century from the French Revolution to the First World War encompassing not only doctrine and theology but also Christianity's mutual influence on literature and the arts political and economic thought and the natural and social sciences

**CRM**, 2006

**The Oxford Dictionary of the Christian Church** Frank Leslie Cross, Elizabeth A. Livingstone, 2005 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable one volume reference work on all aspects of the Christian Church It contains over 6 000 cross referenced A-Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject including theology churches and denominations patristic scholarship the bible the church calendar and its organization popes archbishops saints and mystics In this revision innumerable small changes have been made to take into account shifts in scholarly opinion recent developments such as the Church of England's new prayer book Common Worship RC canonizations ecumenical advances and mergers and where possible statistics A number of existing articles have been rewritten to reflect new evidence or understanding for example the Holy Sepulchre entry and there are a few new articles Perhaps most significantly a great number of the bibliographies have been updated Established since its first appearance in 1957 as an essential resource for

ordinands clergy and members of religious orders ODCC is an invaluable tool for academics teachers and students of church history and theology as well as for the general reader

**The Chosen People** John Allegro, 2015-03-06 The Chosen People tells the history of the Jews from the conquest of Jerusalem by Nebuchadnezzar of Babylon in 587 B C E to the Second Jewish Revolt of C E 132 John Allegro bases his account on traditional texts books of the Old Testament Josephus Philo Judaeus Dio Cassius and others and sets out the complicated parade of plots counter plots betrayals and insurrections in a brisk and highly readable sequence His main theme is how the conception of the Jewish nation as a divinely chosen race was planted as a political ambition among the exiled Jews Bringing together old customs and stories the idea was fired by the longing of the Babylonian Jews for their traditional homeland Many of them grew prosperous outside Palestine and their wealthy communities manipulated the wish for identity in the idea of an exclusive Judaism embodied as a political state and fighting for autonomy against local and imperial neighbors more dream than fact The author writes that When the new Judaism came to be hammered out after the return from captivity it was around these ancient customs and a historicized mythology that it was fashioned The religion was devised not as popularly presented by gift of the desert god Yahweh who had manifested himself in opposition to the Canaanite fertility god Baal but by reinterpreting the Sumerian idea of a life giving god over many generations For there was no fundamental opposition the god names originally meant the same This second edition features a new introduction by James M Donovan

**The Development of Pluralism in Modern Britain and France** Richard Bonney, David J. B. Trim, 2007 Europe is increasingly multi ethnic and multi faith as well as multi cultural Western democracies now comprise a plurality of fundamental opinions and inherited cultures it is not clear how or if they can be related to each other without involving either oppression or anarchy This debate requires historical understanding and a contemporary grasp of the points at issue amongst different cultures By virtue of their proximity and frequent historical interaction Britain and France lend themselves to comparative study The studies in this volume collectively demonstrate that the affairs of religious minorities in these two countries were not only of concern to themselves and their national established churches Rather over a long term period they had a sustained impact on many other issues All chapters illustrate the problematic shift from a persecutory to a pluralistic mentality

*In Search of Peace and Prosperity* Hartmut Lehmann, Hermann Wellenreuther, 2010-11-01 This volume brings together essays by leading German and American historians on the subject of German emigration in the eighteenth century when Germans were moving to a variety of destinations Russia Prussian Lithuania and various other German territories as well as North America What drove men and women from different regional and social backgrounds to leave their homes during this time Some migrations were forced as for the Mennonites the Salzburger emigrants and the French Huguenots some were voluntary and determined by the wish for one's own land and greater social and economic opportunity In all groups religion was a prominent motivator and primary element of social identification and cohesion Inevitably migrants carried with them traditional skills and other indispensable

cultural baggage A key strength of this book is that contributors emphasize the mutual exchanges that occurred among cultures

*Pragmatist Philosophy and Dance* Eric Mullis, 2019-11-29 This book investigates how Pragmatist philosophy as a philosophical method contributes to the understanding and practice of interdisciplinary dance research It uses the author's own practice based research project Later Rain to illustrate this Later Rain is a post dramatic dance theater work that engages primarily with issues in the philosophy of religion and socio political philosophy It focuses on ecstatic states that arise in Appalachian charismatic Pentecostal church services states characterized by dancing paroxysms shouting and speaking in tongues glossolalia Research for this work is interdisciplinary as it draws on studio practice ethnographic field work cultural history Pentecostal history and theology folk aesthetics anthropological understandings of ecstatic religious rituals and dance history regarding acclaimed works that have sought to present aspects of religious ecstasy on stage Doris Humphrey's *The Shakers* 1931 Mark Godden's *Angels in the Architecture* 2012 Martha Clarke's *Angel Reapers* 2015 and Ralph Lemon's *Geography* trilogy 2005 The project thereby demonstrates a process model of dance philosophy showing how philosophy and dance artistry intertwine in a specific creative process

**The Business of Tourism** Philip Scranton, Janet F. Davidson, 2007 The Business of Tourism transports readers from the foundations of mass leisure travel in 1860s Egypt to contemporary religious sight seeing in Branson Missouri from the Stalinist Soviet Union to post Soviet Cuba This collection of ten essays explores the enterprises institutions and technologies of tourist activity

*Transatlantic Spiritualism and Nineteenth-Century American Literature* B. Bennett, 2007-06-11 This book asks about the cultural and political meanings of spiritualism in the Nineteenth century United States In order to re assess both transatlantic spiritualism and the culture in which it emerged Bennet locates spiritualism within a highly technologized transatlantic capitalist culture

### **Spirit Possession And Popular Religion From The Camisards To The Shakers Introduction**

Spirit Possession And Popular Religion From The Camisards To The Shakers Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Spirit Possession And Popular Religion From The Camisards To The Shakers Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Spirit Possession And Popular Religion From The Camisards To The Shakers : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Spirit Possession And Popular Religion From The Camisards To The Shakers : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Spirit Possession And Popular Religion From The Camisards To The Shakers Offers a diverse range of free eBooks across various genres. Spirit Possession And Popular Religion From The Camisards To The Shakers Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Spirit Possession And Popular Religion From The Camisards To The Shakers Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Spirit Possession And Popular Religion From The Camisards To The Shakers, especially related to Spirit Possession And Popular Religion From The Camisards To The Shakers, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Spirit Possession And Popular Religion From The Camisards To The Shakers, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Spirit Possession And Popular Religion From The Camisards To The Shakers books or magazines might include. Look for these in online stores or libraries. Remember that while Spirit Possession And Popular Religion From The Camisards To The Shakers, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from

legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Spirit Possession And Popular Religion From The Camisards To The Shakers eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Spirit Possession And Popular Religion From The Camisards To The Shakers full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Spirit Possession And Popular Religion From The Camisards To The Shakers eBooks, including some popular titles.

### **FAQs About Spirit Possession And Popular Religion From The Camisards To The Shakers Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Spirit Possession And Popular Religion From The Camisards To The Shakers is one of the best book in our library for free trial. We provide copy of Spirit Possession And Popular Religion From The Camisards To The Shakers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Spirit Possession And Popular Religion From The Camisards To The Shakers. Where to download Spirit Possession And Popular Religion From The Camisards To The Shakers online for free? Are you looking for Spirit Possession And Popular Religion From The Camisards To The Shakers PDF? This is definitely going to save you time and cash in something you should think about.
