Church And Grace Age:

Theological Explanation of State of Church, Nations, and the Cosmos at End Times Plammoottil V. Cherian Ph. D,2024-06-05 From a thorough understanding of the human history from a Biblical perspective and knowledge in science and theology author Plammoottil Cherian elucidates a vivid picture of the current state of the Christendom under the power of secularism atheism and apostasy in a confused and chaotic world The Church is at the crossroads of confusion losing its power in spreading the Gospel at a time when it is most needed The Book in five separate parts describes Who is true God the foundation of Church and God's religion What the mission of the Church is Church and nations are living in an Age of Delusion and a generation of compromised Christians Apostasy is on the rise and Church without Christ like in Laodicea Global Unhappiness because God is on the sidelines There is perfect harmony between science and Christian faith The world has been experiencing the bowls of wrath of God Nations morally deteriorate by the spiritual blindness of leaders of Church and State Humanity has been experiencing the hoofbeats of the four horses in the Book of Revelation The nations and Church are in the state of Mene Mene Tekel Upharsin The Babylons of the world nations are about to fall unless aligned with God The Grace Age is ending soon as scientific evidence proves the Biblical prophecies The pressing need of the Church is to prepare believers for Christ's Second Coming As a scientists and theologian Dr Cherian analyzes the present world culture and explains the Biblical prophecies that we are at the threshold of Church that lost the faith and calls church and nation's leaders to realign with God for his guidance and continued blessings
