The Spirit of Leadership Harrison Owen,1999-04-12 The business world is desperate for leaders Books and courses on leadership flood the market as companies search in vain for that one person who can make sense of their rapidly changing environment through assertiveness charisma and control According to noted consultant Harrison Owen our inability to locate such a person isn't the fault of our leaders it's the fault of our expectations In today's world where chaos is normal and paradoxes can't be resolved such old style leaders no longer offer the solution Today's world requires inspired leadership from all levels of the organization Inspired leadership literally means in spirited leadership and this book explores the intimate connection between spirit and leadership it implies It presents the radical notion that spirit is the most important ingredient of any organization and that leadership means opening space for that spirit to show up in powerful and productive ways The Spirit of Leadership lays out the New Rules of Leadership rules which surprisingly turn Ol organizations have always played by For the keys to these new rules the book turns to those who have always successfully operated apart from the levers of formal power and authority women Offering lessons from effective female strategies it reveals the true functions of leadership to evoke grow sustain comfort and raise the spirit Not to be confused with morale building motivational techniques or even the current fad of spirituality in business The Spirit of Leadership digs deeper to show that at its essence leadership is our link to deep inner forces It provides practical steps readers can use to uncover their own capacity for leadership in whatever position they find themselves and to exercise that capacity both to enhance the performance of their organizations and to find their own fulfillment as complete human beings

Transformative and Engaging Leadership Maggie Madimbo,2016-05-26 This book explores how spirituality and resiliency defines the character of African women and inspires them to serve the communities and organizations around them Through portraits of twelve Malawian women national leaders it celebrates the lives of indigenous women and describes how their unique backgrounds and experiences have contributed to their leadership development It provides an understanding of the strategies these women employ to move beyond historical barriers to exercise leadership The author introduces a new leadership model called transformative engaging leadership which demonstrates how African women leaders use their inner

strength to thrive and succeed in the midst of challenges It contributes to African female leadership studies and will be helpful to leaders and organizations that have a passion for advancing female leaders in the developing world

Women's Spiritual Leadership in Africa Faith Wambura Ngunjiri,2010-02-23 Women s Spiritual Leadership in Africa offers portraits of sixteen African women in leadership positions in grassroots national Pan African and global organizations and explores how they choose to rock the boat without falling out by transforming their communities and organizations from within In her analysis of the women leaders experiences Faith Ngunjiri demonstrates how these African women navigate cultural and organizational challenges including the intersecting oppressions of gender ethnicity class and marital status in order to act boldly against social and economic injustices Ngunjiri characterizes the women as critical servant leaders because of their approach to leadership where they lead through service while deconstructing patriarchal social and institutional practices and providing positive alternatives The women s tempered radicalism and servant leadership is deeply informed by African and Christian spirituality which animates and informs their lives and leadership experiences Collectively the women s stories present an important and inspiring vision of contemporary women s leadership in African contexts

The Genesis

Principle of Leadership Richard D. Allen,Richard D Allen Ph D,2008-04 It s time you knew the truth about leadership and that is exactly what Richard Allen unveils in The Genesis Principle of Leadership Through careful examination of original intent Richard Allen silences the age old argument of nature versus nurture He concludes leaders are not born Leaders are not made Leaders are created in God s image that is The capacity for great leadership is an inherent created aptitude within each of us Not only did God equip us to lead He also commands us to lead The Genesis Principle of Leadership reminds us of our unique personhood designed specifically for effective leadership and aids in reclaiming and cultivating this created capacity Don t be fooled You do have the right stuff for leadership You can be the leader God has called you to be
