Chester Litvin,2010-06 We are emigrants and having the mind of sailors we want to connect We are discovering and unifying all parts of our psyche and are having genuine dialogs and real meetings In the past we were forced to become part of a collective where the ideologists were acting as crooked preachers to lure the naive The ideologists were enlisting us to live a life of monks In return they were promising happiness and a heaven on earth Opposite to radical collective instead of creating the rigid structure of compliance and ignoring our subconscious feelings sailors decided to enjoy flexible interactions between all parts of the psyche To be happy we are altering connections between our fragments The plasticity of self is a big advantage It is including the cooperation of consciousness and sub consciousness We do not suppress our thoughts and feelings and are treating them with respect We are not rejecting any subconscious messages however unlike they are Only when our fragments are respecting each other does the genuine dialog exist and our identity is solid and does not fall apart under the stress Life of the Sailor examines the psyche of the collective and asks the question how do we remain true to ourselves Explorations of Spirituality in American Women's Literature Scarlett Cunningham,2023-07-07

This book connects the aging woman to the image of God in the work of Flannery O Connor Joyce Carol Oates Alicia Ostriker Lucille Clifton Mary Szybist and Anne Babson It introduces a canon of contemporary American women s spiritual literature with the goal of showing how this literature treats aging and spirituality as major connected themes It demonstrates that such literature interacts meaningfully with feminist theology social science research on aging and body image attachment theory and narrative identity theory The book provides an interdisciplinary context for the relationship between aging and spirituality in order to confirm that US women s writing provides unique illustrations of the interconnections between aging and spirituality signaled by other fields This book demonstrates that relationships between the human and divine remain a consistent and valuable feature of contemporary women s literature and that the divine human relationship is under constant literary revision Nursery Rhymes for Adult Spiritual Enrichment Roman New,2016-04-25

Worldwide rhymes have been recited to children for generations These rhymes are familiar to the masses but behind the lyrical prose was information and insight into the world those children and their parents were living in Nursery Rhymes for Adult Spiritual Enrichment is a collection of 39 notable rhymes that are aimed at connecting adult readers to history most notably the years leading up to the signing of the Declaration of Independence and its impact on Great Britain then and shortly thereafter While many can recite these rhymes verbatim few if any have learned the secrets behind the words They are more than fun lyrics and memorable tunes they are rich in history and rooted in the realities of what life was like at that time Not only will you gain insight into the world so long ago but you will come to understand the spiritual connection between the rhymes and the undeniable perseverance of a people besieged by tragedy yet deeply rooted in their faith and in their quest to hold on to joy in a world that offered few opportunities to experience it *The Spirit and Scope of Education in Promoting the Well-being of Society.*
