

SPIRITUAL FUNDAMENTALS: PRAYER AND FASTING

1 Thessalonians 5:16-18; Luke 11:1-12, Colossians 4:2

YOUTH MEETING 22ND APRIL 2024

OVERVIEW

Prayer and time spent away from food would keep the believer on his/her toes. The believer should be reminded that as a spiritual being, he or she lives also by the power of the Holy Spirit ignited through prayer and fasting.

CONTENT EXPOSITION

Just like the word of God, prayer is very important in the life of a Christian. The New Birth establishes a parent-child relationship between God and the believer, and God wants to keep this relationship active and growing through regular conversation with Him. Therefore, although He is able to supply our needs without us asking Him, He insists we ask Him to supply our needs whenever we find any. (Matt. 7:7)

In asking, we must ask in the right way. *What is the right way?*

Our prayers must be patterned after God's word. When we ask anything according to his will, God answers. (1 Jn. 5:14-15) The will of God is His word. What it means is that when our lives are ordered by God's word our prayers will be answered. The opposite is also true, in Prov. 28:9, the Bible emphasizes that if anyone does not obey God, his prayers are abomination to Him.

Prayer also helps the believer to recognize the doings of the Lord in his or her life. If indeed, he asked God and God did it, it gives him/her a testimony and helps him to put his trust fully in God.

The importance of fasting to spiritual growth lies in the fact that it creates the space and time for the believer to wait on God to be filled with good things without interruptions. When we deny ourselves of food and other pleasures of the body, we are able to concentrate better on God. We get the opportunity to assess our past and gain a clearer perspective for the future.

Because of the physically weakening effect it imposes, fasting may require that we stay away from the regular demands on our time and devote much attention to God alone. Where it is not possible to totally abstain from work you will need to make a conscious effort to make time within the fasting period for prayer and the study of the Word.

Fasting, however, does not stop the devil from appealing to our desires (Matt. 4:8). As we fast, its important to be sensitive to God and His word which is able to build us. (Acts 20:32)

Spiritual Truth Richard D. Danso, 2010-10 Enter Into Spiritual Reality The spirit realm is very real Everything that happens in the physical first happens in the spiritual but more importantly what you do now in the physical affects the spiritual realm around you You need to know the reality of the spirit realm so that purpose can be realised We all have a

purpose for being here This spiritual manual is designed to take you into a deeper revelation of the spiritual reality around you and will as you take in the mysteries contained within what it says How much you know about the spiritual is dependent on how much you want to know The spiritual principles that govern the existence that we are in right now can be understood and if you receive the Truth and understand the mysteries of the spirit realm you will excel in this life and your purpose for being here will be realised Whatever we do there is a spiritual aspect to it You reading this right now has been orchestrated from the spirit realm but Who has orchestrated you reading this right now and why There is a reason to why all things happen and all the answers come from the spirit realm This spiritual manual will bring you to a deeper understanding of Truth and the reality of the spirit realm As you receive the keys of supernatural spiritual revelation locked doors will be opened for you in this realm and also in the other then you will know the Truth and the Truth will make you free

Spiritual Fundamentals John Hammon,2024-10-03 Spiritual Fundamentals offers a down to earth roadmap for people who feel spiritual but refuse to get lost in dogma Rather than lecturing it uncovers the mechanics of how wants intentions and daily choices shape reality then shows you how to steer that process with clarity and compassion The book begins with a simple truth desire is the engine of creation From primal survival to creative self expression every wish you hold is a signal to the universe When you ignore or misread that signal life feels like struggle when you honor it new doors open As desires mature they shift from fear based grabs for safety toward cooperative aims that lift both you and the wider world Practical chapters such as Channels of Manifestation and Illusions and How to Use Them break the mechanics down step by step You ll learn how to match thought feeling and action so they flow in the same direction whether you re after a healthier body a deeper relationship or a creative breakthrough Key spiritual pillars faith meaning forgiveness sacrifice are stripped of vague mysticism and reframed as usable tools Faith becomes the courage to act on a well defined plan Sacrifice turns into a way of injecting deeper purpose but only when freely chosen Forgiveness is recast as a release valve that unclogs the channel through which new possibilities arrive The book does not gloss over pain In Suffering and Universal Laws it faces unfairness loss and karma head on arguing that hardship can pressure cook deeper meaning if you meet it with curiosity rather than resentment Drawing on thinkers like Viktor Frankl it shows how gratitude service and deliberate meaning making turn random events into fuel for growth Throughout one question echoes How do we balance free will with the forces that seem to script our lives By expanding awareness and consciously ranking our wants we reclaim authorship without denying larger currents Clear explanations relatable anecdotes and no nonsense exercises make Spiritual Fundamentals a practical field guide for anyone who s disenchanted with religion yet hungry for depth It invites you to become a conscious co creator aligning your inner compass so the universe can meet you halfway Simplicity Craig Dilworth,2013 Simplicity presents a new wide ranging philosophical theory one that concerns how reality is conceived In so doing it also provides a new logic with which to approach conceptual situations In this book Craig Dilworth replaces the dualistic true false approach of formal

logic with a three part basis for thought This basis consists of the categories of simplicity complexity and nothingness The category of simplicity is paradoxical while that of complexity is unproblematic and that of nothingness is self contradictory When applied to ontological categories such as those of substance self or causality these categories of reason can resolve rather than solve intellectual issues The notion of perspective is integral to the simplicity way of thinking A particular entity such as the self may be conceived as simple in one perspective while being complex or nothing in another Combined with the categories of the simplicity theory Dilworth uses the notion of perspective to reveal a type of conceptual conflict that differs from contradiction So for example simplicity better represents the relation between competing scientific theories such as the wave and particle theories of radiation as a form of perspectival incompatibility The book distinguishes between two forms of simplicity analytic and synthetic which can respectively be conceived of as a point and a whole Again the notion of perspective is employed what is analytically simple in one perspective may well be synthetically simple in another In this book the simplicity way of thinking is applied to intellectual issues in philosophy set theory and physics These applications show how simplicity can provide real insight into a wide variety of conceptually complex situations

Acts The Holy Spirit at Work Practical Christianity Foundation,2020-08-08 The Holy Spirit at work The Gospel is spreading In this powerful narrative Luke records specific historical events marking the crucial moments of transition from Jesus physical departure from earth ascension to the coming of the Holy Spirit to earth focusing on the commission of the apostles and the beginning of the ministry of the Church of Jesus Christ in spreading the Gospel beyond Jerusalem to the ends of the world Luke outlines an investigative historical narrative detailing the works of the Holy Spirit through the apostles primarily Peter Stephen and Paul Although Luke s narrative was addressed to an individual Acts 1 1 it is equally relevant to the Church of Jesus Christ across the ages This verse by verse devotional study complete with engaging commentary and practical life applications will renew your appreciation of the grace of God in your own life and challenge you to pursue a closer walk with Christ As you embark on this journey surrender yourself to the living Word of God to inspire you to share the fundamental message of the gospel with others we are reconciled to the Father not by our works but only by the sacrifice of Jesus Christ This extensive Devotional Commentary candidly addresses various controversial issues and offers challenging devotional thoughts and precepts assuring the redeemed and warning the unsaved about the unchanging Truth of God s Holy Word May we heed the words of Christ and open our ears to hear what the Spirit says to the churches

Spirituality Indu Mittal,2016-01-01 Spirituality Discovering our true self is a guiding path for those disgruntled and restless in their lives unsure about their real self and attempting self development through the dreary desert sand of desire Aiming at discovering the truth about ourselves the Reality we know as God and our relationship to God the book in a very simple language guides us to self discovery lasting peace and total oneness with God It addresses the confusion besieging most people regarding the differences between right behavior religious dictum and correct spiritual inquiry Going to the core of spirituality it compels

you question your existing beliefs about God and established religious practices Without any moralistic diktats it emphasizes the need to be self responsible whereby spirituality becomes an effortless way of life **Spirituality, Leadership and Management, Seventh National Conference Proceedings** Spirituality, Leadership and Management.
