Elliot N. Dorff: In Search of the Good Life Hava Tirosh-Samuelson, Aaron W. Hughes, 2014-07-17 Rabbi Elliot N Dorff the Sol and Anne Dorff Distinguished Professor of Philosophy and Rector of American Jewish University in Los Angeles is one of today s leading Jewish ethicists Writing extensively on the intersection of law morality science religion and medicine Dorff offers an authoritative and non Orthodox interpretation of Jewish law As a leader in the Rabbinical Assembly s Committee on Jewish Law and Standards he has shaped the religious practices of Conservative Jews In serving on national advisory committees and task forces he has helped to articulate a distinctive Jewish voice on contested bioethical and biomedical issues An analytic philosopher by training Dorff has endorsed pluralism arguing that Jewishness best flourishes in the context of American pluralism and he has worked

closely with non Jews to advance religious pluralism in America Business Ethics in the Middle East Yusuf Sidani, 2018-06-12 Business Ethics in the Middle East fills a crucial gap in the Middle East educational landscape Written in an easy and accessible format this book covers the foundations of business ethics by drawing from both Eastern and Western traditions The chapters include many examples case studies activities and illustrations that are customized to the Middle Eastern market yet relevant to readers outside of the Middle East who want thorough insights about business behaviour in the region A special module introduces the Arab Middle Eastern context that non Arab readers will find valuable The author addresses topics related to organizational culture leadership CSR corporate governance marketing HR accounting finance and production This is accomplished with a deep attention to the cultural and contextual elements of the Middle East Special attention is given to religious business ethics while still deeply engaging the vast heritage of Western ethical systems This combination is essential for the development of a comprehensive approach to the topic of business ethics This textbook will be essential reading for students of business ethics in the Middle East and will also be valuable for students and researchers across business ethics Islamic Studies religion and philosophy Ethics in Marketing Patrick E. Murphy, Gene R. Laczniak, 2012-02-13 Understanding and appreciating the ethical dilemmas associated with business is an important dimension of marketing strategy Increasingly matters of corporate social responsibility are part of marketing's domain Ethics in Marketing contains 20 cases that deal with a variety of ethical issues such as questionable selling practices exploitative advertising counterfeiting product safety apparent bribery and channel conflict that companies face across the world A hallmark of this book is its international dimension along with high profile case studies that represent situations in European North American Chinese Indian and South American companies Well known multinationals like Caterpillar Coca Cola Cadbury and Facebook are featured The two introductory chapters cover initial and advanced perspectives on ethical and socially responsible marketing in order to provide students with the necessary theoretical foundation to engage in ethical reasoning A decision making model is also presented for use in the case analyses This unique case book provides students with a global perspective on ethics in marketing and can be used in a free standing course on marketing ethics or marketing and society or it can be used as a supplement to the readings for other marketing classes **Faith, Morals, and Money** Edward D. Zinbarg, 2005-01-01 Most books on business ethics approach the subject philosophically That approach Zinbarg tells us is that it neglects the most important source of most people's understanding of right and wrong their religious tradition While philosophy can shed the light of reason on the ethical dilemmas of economic life it's less than convincing about why we ought to behave well lacking the compelling urgency of religious faith Following a wonderfully lucid and succinct summary of the ethical systems relative to Judaism Christianity Islam Hinduism Buddhism and Confucianism the author presents a variety of case studies in lively dialogue form from the whole gamut of economic life including misrepresentation by sellers truth in advertising the ethics of part time employment child labor and environmental ethics The

solutions may vary from tradition to tradition but overall one is struck by the similarities This is a book grounded in the real ethical challenges of modern business practice with a kind of world religious perspective so necessary in an era of globalization
