The Octagon of Spiritual Balances Pastor Bernard J. Weathers, 2016-11-21 The Octagon of Spiritual Balances was written and detailed for those who have been made aware of their salvation and are seeking the Christian way of life according to God's mandate as outlined in the Bible The focus is on the origin sequence and balancing of the spiritual attributes faith knowledge spiritual understanding belief trust hope love obedience peace and joy When these ten attributes are appropriated with the use of eight defined balances a spiritual equilibrium is formed within the life of the believer The purpose is to introduce and explain these spiritual attributes and their order of effective advent in the Christian life

instituting a spiritual foundation awareness and purpose in the believer which in due course will create stability and harmony with God and life in the spirit It enhances the believer s understanding of the work and will of God in their lives and empowers them to discern and receive what is of and from God as opposed to deceptive enticements The believer will receive direction purpose spiritual clarity and understanding as well as a confirmed spiritual equilibrium for Christian living The reward and end result from following Jesus will be illuminated so vividly in the spirit of the believing reader that the reality of eternity will displace the thoughts of temporal time     *A Study in Scripture, Separating Truth from Fiction* Travis

Yonson,2017-09-12 A study in scripture was an end product from a quest I had set out for many years ago to find the truth I started this quest with one goal in mind and that was to be able to separate the facts and truths in scripture from all the fiction and disorder that seem so prevalent today in Christian thought and teachings Though not perfect this work turned out to be a great study tool and starting point I still use often to further my quest And I hope it may help you in yours     **Where**

**Leading the Young People with the Word and the Spirit** Witness Lee,2024-03-25 In leading the young people there are two indispensable aspects spiritual knowledge and spiritual life The spiritual content we impart into our young people must be related to both aspects and we should not lean too much toward one or the other we must be balanced According to God s law in the universe everything is balanced Thus in our service with the young brothers and sisters we should keep the principle of being balanced we should give the young people knowledge and life in such a way that these aspects interact with each other     **The Foundations of Christian Bioethics** Hugo Tristram Engelhardt,2000 For decades Engelhardt has

foundations for a Christian bioethics that can remedy the onesidedness of a secular bioethics and supply the bases for a Christian bioethics The volume then addresses issues from abortion third party assisted reproduction and cloning to withholding and withdrawing treatment physician assisted suicide and euthanasia Practices such as free and informed consent are relocated within a traditional Christian morality Attention is also given to the allocation of scarce resources in health care and to the challenge of maintaining the Christian identity of physicians nurses patients and health care institutions in a culture that is now post Christian

**Law of Love and the Mathematics of Spirituality** Raju Sitaram Chidambaram Ph. D., 2011-11      **The Works of Thomas Goodwin, vol. 1** Thomas Goodwin, 2009-04-07      Isaac of Nineveh's Ascetical Eschatology Jason Scully, 2017-11-03

Isaac of Nineveh's Ascetical Eschatology demonstrates that Isaac's eschatology is an original synthesis based on ideas garnered from a distinctively Syriac cultural milieu Jason Scully investigates six sources relevant to the study of Isaac's Syriac source material and cultural heritage These include ideas adapted from Syriac authors like Ephrem John the Solitary and Narsai but also adapted from the Syriac versions of texts originally written in Greek like Evagrius's Gnostic Chapters Pseudo Dionysius's Mystical Theology and the Pseudo Macarian homilies Isaac's eschatological synthesis of this material is a sophisticated discourse on the psychological transformation that occurs when the mind has an experience of God It begins with the premise that asceticism was part of God's original plan for creation Isaac says that God created human beings with infantile knowledge and that God intended from the beginning for Adam and Eve to leave the Garden of Eden Once outside the garden human beings would have to pursue mature knowledge through bodily asceticism Although perfect knowledge is promised in the future world Isaac also believes that human beings can experience a proleptic taste of this future perfection Isaac employs the concepts of wonder and astonishment in order to explain how an ecstatic experience of the future world is possible within the material structures of this world According to Isaac astonishment describes the moment when a person arrives at the threshold of eschatological perfection but is still unable to comprehend the heavenly mysteries while wonder describes spiritual comprehension of heavenly knowledge through the intervention of divine grace
