Religion and Spirituality in the Life Cycle James Gollnick, 2005 In recent years profound changes have affected the way people view the role of religion and spirituality in the life cycle For many people spirituality always considered an essential part of religion has become an interest no longer tied to organized religion This book addresses the evolving relationship of spirituality to religion in our time and the consequences of this change for understanding personality development It also applies the concept of implicit religion to show how the least easily observed aspects of religion are at work in the growth of personality

Contemporary Leadership and Intercultural Competence Michael A. Moodian, 2008-10-29 Featuring contributions from some of the world's most renowned cross cultural management theorists and commentators this breakthrough text explores the cross cultural dynamics within organizations The book examines the evolving role of cultural diversity in the workplace the application of cultural comprehension to organizations and the measurement of various aspects of intercultural competence

Edgewalkers Judi Neal, 2006-10-30 In ancient cultures each village had a shaman or medicine man who would visit the invisible world to obtain vital information guidance and healing for members of the tribe These edgewalkers have contemporary counterparts in today's organizations those individuals who don't fit squarely into any one box in their metaphorical travels they interpret trends from the marketplace translate messages across departments and envision the future impact of today's decisions and actions Edgewalking doesn't come without its own risks and challenges these unconventional people often clash with more traditional rule bound colleagues and they are often frustrated by organizational systems that emphasize quantitative results over creative impulses And yet in today's fast changing diverse and globalized business environment organizations must recruit and support these people in order to stay competitive Featuring colorful interviews and practical tools to gauge and manage your own edgewalking skills Edgewalkers explores the opportunities that are created by defying formal boundaries and fostering creativity at every level of the organization They're the first people to volunteer to head up a new business unit lead a cross company initiative or take on an overseas assignment They're the glass half full folks who are constantly thinking out of the box forging alliances with colleagues in other departments seeking out new solutions to old problems and anticipating challenges on the horizon And in today's increasingly diverse workplaces they are often people who have pursued unusual educational and career paths traveled

widely and speak more than one language Judi Neal has a term for these people Edgewalkers Literally an edgewalker is someone who walks between two worlds In ancient cultures each village had a shaman or medicine man who would visit the invisible world to obtain vital information guidance and healing for members of the tribe Today s corporate edgewalkers serve a similar function interpreting trends from the marketplace translating messages across departments and envisioning the future impact of today s decisions and actions Edgewalking doesn t come without its own risks and challenges these unconventional people often clash with more traditional rule bound colleagues and they are often frustrated by organizational systems that emphasize quantitative results over creative impulses And yet in today s fast changing globalized business environment organizations must recruit and support these people in order to stay competitive Featuring colorful interviews with edgewalkers from a variety of fields and practical tools to gauge and manage your own edgewalking skills Edgewalkers explores the opportunities that are created by defying formal boundaries and fostering creativity at every level of the organization

Jewish Megatrends Sid Schwarz, 2013 Visionary solutions for a community ripe for transformational change from fourteen leading innovators of Jewish life Jewish Megatrends offers a vision for a community that can simultaneously strengthen the institutions that serve those who seek greater Jewish identification and attract younger Jews many of whom are currently outside the orbit of Jewish communal life Schwarz and his collaborators provide an exciting path building on proven examples that we ignore at our peril from the Foreword The American Jewish community is riddled with doubts about the viability of the institutions that well served the Jewish community of the twentieth century Synagogues Federations and Jewish membership organizations have yet to figure out how to meet the changing interests and needs of the next generation In this challenging yet hopeful call for transformational change visionary leader Rabbi Sidney Schwarz looks at the social norms that are shaping the habits and lifestyles of younger American Jews and why the next generation is so resistant to participate in the institutions of Jewish communal life as they currently exist He sets out four guiding principles that can drive a renaissance in Jewish life and gives evidence of how on the margins of the Jewish community those principles are already generating enthusiasm and engagement from the very millennials that the organized Jewish community has yet to engage Contributors leading innovators from different sectors of the Jewish community each use Rabbi Schwarz s framework as a springboard to set forth their particular vision for the future of their sector of Jewish life and beyond CONTRIBUTORS Elise Bernhardt Rabbi Sharon Brous Sandy Cardin Dr Barry Chazan Dr David Ellenson Wayne Firestone Rabbi Jill Jacobs Anne Lanski Rabbi Joy Levitt Rabbi Asher Lopatin Rabbi Or N Rose Nigel Savage Barry Shrage Dr Jonathan Woocher
