

**Spiritual Psychology** combines the spiritual and transcendent features that influence the human experience beyond the body, mind, and emotions hence making it more accessible and acceptable by people. It is also called transpersonal psychology.

## Conventional Psychology

It focuses on three areas – physical, mental and emotional.

It is based on the concept of impermanence & helps you cope with the constant changes like what you do, what you think and what you feel.

VS

## Spiritual Psychology

It focuses on four areas – physical, mental, emotional and core being or inner self.

It can help you experience peace, joy, unconditional love & to live your life in harmony both inside and out by accessing your inner self or your core.

Piedmont,Teresa A. Wilkins,2019-11-20 Understanding the Psychological Soul of Spirituality is a comprehensive exploration of spiritual constructs based on an empirical evidence based paradigm for understanding and addressing spirituality In a field where there is no current consensus on spirituality this book provides a much needed psychologically based definition and ontology that assists helping professionals in formulating their professional identities developing effective and appropriate training models furthering their understanding of what spirituality is and is not from a psychological perspective and more effectively addressing spiritual issues to support clients The authors provide a review of current issues in the area of spirituality also called the numinous and provide perspectives that address these concerns in ways that promote a fully scientific understanding of the construct Ultimately the book

provides a concise definition of the numinous that places it squarely in the social sciences Chapters outline the clear value of the numinous for psychology and detail its relevance for professionals training

**Loyalty To Your Soul** H. Ronald Hulnick, Ph.D., Mary R. Hulnick, Ph.D., 2011-02-15 Loyalty to Your Soul establishes Spiritual Psychology as a paradigm altering frontier It initiates a radical shift at the core of contemporary psychological thought by unveiling a technology for using everyday life experiences as rungs on the ladder of spiritual evolution This book is uniquely suited for anyone seeking to discover and cross the bridge that spans the waters between life referenced in material reality and life lived within the context of spiritual reality Loyalty to Your Soul shows you how to first gain access to and then gradually learn to live from that sacred place inherent within everyone referred to by the authors as the Authentic Self a place where emotional suffering ceases and profound peace and love are present While many people have written about such an inner state Ron and Mary Hulnick show you how to travel there and what to anticipate once you arrive The radical technology they introduce empowers readers to transform challenging or negative human experiences into direct experiences of the Soul

The Conquering Soul Miriam Bostwick, 2000-04 This book will introduce you to a new psychology for the Age of Light We are entering a spiritual evolution in which psychology as we have known it is changing into spiritual psychology to reflect our higher spiritual values The new framework used in the Conquering Soul will show you how to align the personality with the soul to become a conquering soul It is an approach that introduces to the personality the ageless spiritual laws of an Infinite Intelligence and demonstrates that once these laws are accepted by the personality the personality can exercise its freedom of choice in a more responsible manner and perform the function for which it was designed to freely serve the soul in the soul's eternal quest to return to the Godhead Showcased are twenty five mental games the personality frequently plays in its attempts to reign supreme over the soul
