Spiritual Activism The New Spiritual Bible:

Spiritual Activism Alastair McIntosh, Matt Carmichael, 2015-09-24 A visionary but practical sharing of how spiritual insights and deepening our inner lives can impact leadership for social change Over the past half century the issues facing activists have changed as has our understanding and awareness of spirituality For activists spiritual philosophy is rising up the agenda because it offers distinct tried and tested approaches to deep questions Where did it all go wrong What does it mean to be human What is the place of leadership What is the nature of power Spiritual Activism begins by defining spirituality for a modern audience of all faiths and beliefs and goes on to consider the problems and necessities of true leadership Drawing on a rich history of spirituality and activism from The Bhagavad Gita to the Hebrew prophets to Carl Jung it is both guide and inspiration for people involved in activism for social or environmental justice Written by Scottish writer Alastair McIntosh and climate activist Matt Carmichael the text is enriched with tales from the authors own experiences It also contains case studies of inspirational spiritual activists including Mama Efua Desmond Tutu Gerrard Winstanley Sojourner Truth and Julia Butterfly Hill which demonstrate the transformative power of spiritual principles in action Transform your understanding of spiritual activists with this empowering and thoughtful read *Foundations of Sephardic Spirituality* Rabbi Marc D. Angel, PhD, 2011-09-26 Who were the Sephardic Jews of the Ottoman Empire What lasting lessons does their spiritual life provide for future generations How did the Judeo Spanish speaking Jews of the Ottoman Empire manage to achieve spiritual triumph To answer this question we need to have a firm understanding of their historical experience We need to be aware of the dark unpleasant elements in their environments but we also need to see the spiritual cultural light in their dwellings that imbued their lives with meaning and honor from Chapter 1 The Inner Life of the Sephardim In this groundbreaking work Rabbi Marc Angel explores the teachings values attitudes and cultural patterns that characterized Judeo Spanish life over the generations and how the Sephardim maintained a strong sense of pride and dignity even when they lived in difficult political economic and social conditions Along with presenting the historical framework and folklore of Jewish life in the Ottoman Empire Rabbi Angel focuses on what you can learn from the Sephardic sages and from their folk wisdom that can help you live a stronger deeper spiritual life **Journal of Biblical and Theological Studies, Issue 5.1** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2020-05-19 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible

As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics

The Rise and Fall of the Religious Left L. Benjamin Rolsky,2019-11-12 For decades now Americans have believed that their country is deeply divided

by culture wars waged between religious conservatives and secular liberals In most instances Protestant conservatives have been cast as the instigators of such warfare while religious liberals have been largely ignored In this book L Benjamin Rolsky examines the ways in which American liberalism has helped shape cultural conflict since the 1970s through the story of how television writer and producer Norman Lear galvanized the religious left into action The creator of comedies such as All in the Family and Maude Lear was spurred to found the liberal advocacy group People for the American Way in response to the rise of the religious right Rolsky offers engaged readings of Lear s iconic sitcoms and published writings considering them as an expression of what he calls the spiritual politics of the religious left He shows how prime time television became a focus of political dispute and demonstrates how Lear s emergence as an interfaith activist catalyzed ecumenical Protestants Catholics and Jews who were determined to push back against conservatism s ascent Rolsky concludes that Lear s political involvement exemplified religious liberals commitment to engaging politics on explicitly moral grounds in defense of what they saw as the public interest An interdisciplinary analysis of the definitive cultural clashes of our fractious times The Rise and Fall of the Religious Left foregrounds the foundational roles played by popular culture television and media in America s religious history

Harris, 2025-09-23 Ecowomanist wisdom for justice faith and the flourishing of humanity and the earth Preaching Black Earth is a groundbreaking collection of sermons meditations poems and interviews that illuminates the powerful intersections of environmental justice racial justice and faith With contributions from Bible scholars pastors ecowomanist thinkers and political activists this volume offers a profound exploration of how Black Indigenous and ally communities can craft new theologies to confront the urgent challenges of climate change The sermons thoughtfully composed by those living out an earth honoring faith call readers to engage in environmental justice through everyday practices The poetry inspires with its messages of cherishing the earth amid environmental crisis serving not only as a source of hope but also as a model of contemplative writing practices that can be used as teaching tools in the classroom The meditations and interviews foster creativity and renew the passion for justice among those committed to the intertwined struggles for earth and social equity This volume highlights the disproportionate impact of environmental degradation on communities of color where landfills toxic waste sites and other forms of pollution often encroach on Black and Indigenous neighborhoods It showcases the historic connection between Black preaching traditions activism and stewardship of the land as well as the ecowomanist focus on the interrelatedness of injustices By centering the voices wisdom and methods of women of African descent Preaching Black Earth offers readers an interdisciplinary intersectional framework for understanding environmental ethics and promoting social and environmental justice Whether you are an educator faith leader activist or seeker Preaching Black Earth is an essential resource that equips communities to navigate the intersection of environmental justice faith and activism ensuring that both humanity and the earth not only endure but thrive Contributors and conversation partners include Stacey Abrams Sofia Betancourt Heber Brown III Christopher Carter Elonda Clay Katie

Commons Frances Roberts Gregory Frederick Douglas Haynes III John W Kinney Otis Moss III Kenneth Ngwa Liv Parson Larry Rasmussen and Gina M Stewart Maimonides, Spinoza and Us ,2011-11-16 A challenging look at two great Jewish philosophers and what their thinking means to our understanding of God truth revelation and reason Moses Maimonides 11381204 is Jewish history's greatest exponent of a rational philosophically sound Judaism He strove to reconcile the teachings of the Bible and rabbinic tradition with the principles of Aristotelian philosophy arguing that religion and philosophy ultimately must arrive at the same truth p Baruch Spinoza 163277 is Jewish history's most illustrious heretic He believed that truth could be attained through reason alone and that philosophy and religion were separate domains that could not be reconciled His critique of the Bible and its teachings caused an intellectual and spiritual upheaval whose effects are still felt today Rabbi Marc D Angel discusses major themes in the writings of Maimonides and Spinoza to show us how modern people can deal with religion in an intellectually honest and meaningful way From Maimonides we gain insight on how to harmonize traditional religious belief with the dictates of reason From Spinoza we gain insight into the intellectual challenges which must be met by modern believers **Introducing Human Geographies** Kelly Dombroski,Mark Goodwin,Junxi Qian,Andrew Williams,Paul Cloke,2024-07-09 Introducing Human Geographies is a travel guide into the academic subject of human geography and the things that it studies The coverage of the new edition has been thoroughly refreshed to reflect and engage with the contemporary nature and direction of human geography This updated and much extended fourth edition includes a diverse range of authors and topics from across the globe with a completely revised set of contributions reflecting contemporary concerns in human geography Presented in four parts with a streamlined structure it includes over 70 contributions written by expert international researchers addressing the central ideas through which human geographers understand and shape their subject It maps out the big foundational ideas that have shaped the discipline past and present explores key research themes being pursued in human geography's various sub disciplines and identifies emerging collaborations between human geography and other disciplines in the areas of technology justice and environment This comprehensive stimulating and cutting edge introduction to the field is richly illustrated throughout with full colour figures maps and photos The book is designed especially for students new to university degree courses in human geography across the world and is an essential reference for undergraduate students on courses related to society place culture and space To Change the World James Davison Hunter,2010-04-14 The call to make the world a better place is inherent in the Christian belief and practice But why have efforts to change the world by Christians so often failed or gone tragically awry And how might Christians in the 21st century live in ways that have integrity with their traditions and are more truly transformative In To Change the World James Davison Hunter offers persuasive and provocative answers to these questions Hunter begins with a penetrating appraisal of the most popular models of world changing among Christians today highlighting the ways they are inherently flawed and therefore incapable of generating the change to which they aspire

Because change implies power all Christian eventually embrace strategies of political engagement Hunter offers a trenchant critique of the political theologies of the Christian Right and Left and the Neo Anabaptists taking on many respected leaders from Charles Colson to Jim Wallis and Stanley Hauerwas Hunter argues that all too often these political theologies worsen the very problems they are designed to solve What is really needed is a different paradigm of Christian engagement with the world one that Hunter calls faithful presence an ideal of Christian practice that is not only individual but institutional a model that plays out not only in all relationships but in our work and all spheres of social life He offers real life examples large and small of what can be accomplished through the practice of faithful presence Such practices will be more fruitful Hunter argues more exemplary and more deeply transfiguring than any more overtly ambitious attempts can ever be Written with keen insight deep faith and profound historical grasp *To Change the World* will forever change the way Christians view and talk about their role in the modern world

Sustaining a Healthy Ministerial Workplace Sutton, Barbara, Klimoski, Victor, This book focuses on eight critical elements of a healthy ministerial workplace illustrated by stories and theological reflection of eight experienced lay ecclesial ministers The book includes a model for using the stories for professional development and an assessment tool for examining the reader's workplace Together they offer a pathway for effective positive and sustainable change It is often easier to describe the problem than figure out what to do about it This book does both It emerges from the research of Dr Barabra Sutton on burnout in ministry She was surprised to learn that burnout was not the issue but disengagement and disengagement was the byproduct of unhealthy workplaces The authors invited eight experienced ministers to develop stories from their work that illustrated the elements of a healthy workplace community values vocation fairness workload control reward and financial well being While the stories themselves often recount moments of heartbreak familiar to ministers they provide theological interpretation that returns the emphasis to the transformative power of each element
