Spiritual Awakening Oziris M. Stoltz, 2012-03-22 The wisdom that the 2012 code can inspire in us is to look directly at our lives right here and now What are our spiritual guiding principles How can we live in greater harmony with all our personal relations How can we embody genuine compassion How can we become increasingly aware and self reflective How can we deepen our humility How can we share our talents and gifts as a way to influence our culture and help manifest the new paradigm How can we be of service to life and positively contribute to the whole How can we cultivate a balance of being and doing receptivity and action On this diverse planet we all have different strengths different abilities different callings Rather than looking to the world to show us our path we need to look deep within our spiritual being and listen to our inner sense of how to navigate these times of the great unknown It is essential we learn to hear the voice of our inner wisdom our spiritual self No one can give us wisdom it is within all of us born of our own direct experience We each have our own direct connection to our spirit and we must keep learning how to hear our divine intuitive directives whispering within Th is ability to hear the voice of our inner guidance is the most practical

commonalities Based on this discovery with much trial and error in the process due to lack of a book like this one the author found spiritual awakening the Light within **My Journey Of Spiritual Awakening** AiR - Atman in Ravi, Spiritual Awakening is not something mystical and magical Every human being has the right to be Enlightened In this book AiR Atman in Ravi the author shares his journey and how he went from Achievement to Fulfillment to Enlightenment This book will show you the way to being Enlightened and to a life of Eternal Bliss Divine Love and Everlasting Peace **My Spiritual Awakening - up Close & Personal** Nicole Marie Castillo A.A.S,2021-07-06 Have you heard of a spiritual awakening Do you believe in intuition Take a spiritual dive into this treatise with Nicole Marie Castillo As she goes into enlightened detail how she survived a proven intense spiritual awakening This treatise defines intuition and how it is connected to our actual human body She introduces the 12 Universal laws Goes into detail regarding different types of clair abilities and much more Nicole highlights her duties as a spiritual lightworker and proves the existence of spirituality on Earth SPIRITUAL AWAKENING Darshan Singh,2025-02-22 The Golden Age begins with each of us it begins within each of us There is a sure definite path which we can follow to realize the totality of our potential the path of Spiritual Awakening It is at once man s oldest and his newest preoccupation We need only look at recent medical research in life after death experiences and studies in the New Physics to realize that science itself is now confirming the insights of the ancient prophets and mystics The language and symbols may change as time passes or as we move from one culture to another but the underlying truth is the same The talks collected here fall into three parts Part I Eternal Science deals with the fundamentals of spirituality Part II Crucible examines the daily discipline necessary for success on the spiritual path Part III Alchemy of Love considers love as that alchemy which alone transforms the human into the divine Finally Part IV comprises questions and answers which explore related issues If some of the chapter titles appear to be unusual for a collection on mysticism and spirituality there is an unusual explanation I made my first tour of America during the summer of 1978 A two month program of lectures was planned but much to the dismay of those traveling with me the suitcase filled with all my notes articles and manuscripts the material for my lectures was lost by the airlines With talks scheduled for almost every night what was to be done As I then remarked The choice is to turn and flee or to plunge headlong into the program Relying on the grace of the great Masters Hazur Baba Sawan Singh and Sant Kirpal Singh I decided to take the plunge According to an old tradition in India parents are honor bound to preserve the purity of their daughter up to the time they give her away in marriage So I prayed to the Masters to preserve their own honor and they came to my rescue Because of these circumstances the themes of the talks often suggested themselves by the accidents of the moment On one occasion as I walked to a hotel lecture hall a marriage party was in progress and the result was Eternal Spouse On another the hotel s air conditioning failed and the guests squirmed in discomfort This mechanical breakdown became my point of departure for Air conditioning This collection of talks also includes several delivered in India and these too follow a similar pattern of development After particularly heavy rains floods destroyed much property and

A Call to Spiritual Awakening Uchenna Mezue,2017-01-31 To understand ourselves and fulfill our roles on earth we need to look into the records of time for our origin and purpose Not in history books but in life itself Each individual human spirit carries within its personality as a totality of its identity all the experiences and the level of maturity it has achieved since its first incarnation in the Worlds of Matter Although we do not often tap into these for our path in life it is these unique experiences that make us who we are The capacity to weigh every experience written and unwritten exists within us and we have only ourselves to blame if we fail to recognize the Truth in any given experience This book discusses the path of development for the human spirit in the Material spheres and draws attention to the paths in the Will of God we must follow if we are to fulfill the purpose of our existence
