Director and Physician V. Raymond (Dominican.),1914 Spiritual Director and Physician. The Spiritual Treatment of Sufferers from Nerves and Scruples. From the French ... Translated by Dom Aloysius Smith. [With a Preface by A. Masquin.].

V. RAYMOND (Dominican.),A. MASQUIN,Aloysius SMITH,1914 **Negotiating a Presence-Centred Christian**

Counselling Simon Shui-Man Kwan,2016-04-26 How Christian is Christian counselling In what ways should one s counselling practice be conducted in order to fulfil one s role as a Christian counsellor Is there a counselling practice that truly penetrates into the secular approaches while remaining faithful to the Christian traditions of healing What are the theological roots of secular counselling How may secular counselling both reinforce and challenge the Christian faith In answering these questions this book engages readers to navigate between two frames of reference one Eastern secular social scientific and modern the other Western Christian theological and traditional At levels of both theory and practice this book undertakes to integrate synthesize hybridize revise dichotomize and antagonize the two It proposes a revised presence centred counselling approach which may serve as a perspective that helps us to see things in more depth as we shuttle back and forth between the two frames This book thus negotiates a revised presence centred form of counselling that is theologically grounded social scientifically informed and cross culturally sensitive As the author s counselling practice proceeds mainly in societies where Chinese is the majority the cross cultural examinations and proposals offered in this book have been bred in a space where Chinese culture meets the Christian Protestantism in particular West This book is an outgrowth of the author s experience teaching Christian counselling courses for 17 years and his 30 year clinical practice experience in places where East meets West namely Hong Kong and South China Guangdong Province Spiritual Director and Physician Viktor Raymond,1927 **The Living Age** ,1916 **Understanding OCD** Leslie J. Shapiro,2015-03-10 One

of the most experienced therapists in the world for treatment resistant obsessive compulsive disorder OCD explains the disorder the treatments available and the skills needed to overcome and outsmart OCD This is an eye opening study of one of the most common psychiatric ailments diagnosed today obsessive compulsive disorder OCD Written by Leslie J Shapiro a renowned therapist at one of the most well known OCD facilities in the world this reference shares effective treatment

strategies and clinical factors for helping therapists mental health professionals psychology students clergy and others deal with patients coping with this illness The author offers case examples from her 15 years of residential work with patients demonstrating how sufferers even the most treatment resistant can get control of the condition Organized into three sections this guidebook first reveals how OCD and guilt are intertwined and explores survival instincts cultural factors and the nature of thoughts The second section covers aspects of the obsessive conscience such as scrupulosity moralosity and obsessive guilt The book s conclusion describes effective exposure and response prevention strategies for these symptoms and examines methods of treatment that augment and help maintain recovery An in depth discussion on the differences between compulsive and impulsive behaviors as well as other treatment impediments is included

American Ecclesiastical Review Herman Joseph Heuser, 1916 *Religion and Spirituality in Psychiatry* Philippe Huguelet, Harold G. Koenig, 2009-03-30 Although medicine is practised in a secular setting religious and spiritual issues have an impact on patient perspectives regarding their health and the management of any disorders that may afflict them This is especially true in psychiatry as feelings of spirituality and religiousness are very prevalent among the mentally ill Clinicians are rarely aware of the importance of religion and understand little of its value as a mediating force for coping with mental illness This book addresses various issues concerning mental illness in psychiatry the relation of religious issues to mental health the tension between a theoretical approach to problems and psychiatric approaches the importance of addressing these varying approaches in patient care and how to do so and differing ways to approach Christian Muslim and Buddhist patients
