The Truth About Truth Robin Tittle,2022-11-03 In a day and time that anything goes a time of subjective morality and a society that thrives living in the gray area there seems to be a loss of vision of what is right and wrong what is truth and what is deception and we have an entire society willing to compromise with anyone and anything other than the God of the Bible Yet there has to be some absolutes there can t be both truth and lies living together in some imaginary land called The Gray Area We must realize that there is truth and it is the same truth that has prevailed throughout the ages and His name is God His Son is Jesus and His Word the Bible is still truth and when heaven and earth have passed away His Word will still be standing The power of truth is undeniable because once we know the truth we can t be deceived by the false The greatest realization of truth is that God is truth therefore God truly desires us to have truth because when we have truth we have Him The understanding of truth only comes from those who seek truth and those who seek God with all their hearts The rewards of truth are freedom the fruit of truth is unity the judgment and work of truth is transformational to those that find it Proverbs 23 23 tells us to buy truth and sell not
