Spiritual Midwifery Ina May Gaskin, 2010-11-09 Spiritual Midwifery is considered by many to be the bible of the home birth movement This classic book on natural childbirth introduced a whole generation of women to the possibility of home birth and breast feeding At a time when higher levels of technology were the wave of the future the home birth movement testified to the naturalness and normalcy of the birthing process even the sacredness of it Ina May Gaskin the author is a powerful advocate for a woman's right to give birth without excessive and unnecessary medical intervention Now in its fourth edition her voice is needed as much now as then In today's climate of unprecedented numbers of cesarean sections and induced labor knowledge of this birthing process enables women to make informed choices regarding their maternity care and delivery options The birthing stories and section on care of the newborn are valuable to anyone about to become a parent One of the highlights of this book is the collection of amazing birth tales that replaces misconceptions about childbirth with an awareness of the rights of mothers and babies to experience a conscious and loving process Birthing tales from ladies who were babies in earlier editions of Spiritual Midwifery and stories of Amish women from a nearby community who were delivered by The Farm Midwives bring a fresh perspective Also new to this edition is information on postpartum depression and maternal death along with updated information on the safety of natural childbirth and the safety of popular practices such as labor induction and cesarean operations Photos of ecstatic faces of mothers and babies permeate the pages The section on instructions to midwives provides excellent clinical information for all health professionals who attend births The stories and information in this volume will remain relevant to women for generations to come Spiritual Midwifery Ina May Gaskin, 2002 Shares the birthing stories of women who chose to have their babies at home with the help of a midwife provides information about the safety of techniques used in the hospital before and after birth discusses postpartum depression and maternal death and includes resources for doulas birth centers and other organizations Birth (Revised Edition) Catherine Price, Sandra Robinson, 2010-02-01 Fully revised with up to the minute information the bestselling and comprehensive Australian bible for expectant parents Birth provides practical up to date accurate and research based information on everything relating to preconception pregnancy childbirth and early parenting Co written by a midwife and a childbirth educator with over 35 years collective experience in working closely with women and their families this invaluable resource is an essential for every prospective parent Birth The essential guide to conceiving nurturing and giving birth to your baby is reader friendly reassuring unbiased and accessible to a wide readership It presents medical treatments and natural therapies the many physical changes of pregnancy labour and birth and possible variations from the norm It dispels myths and addresses all the common concerns and endless worries of women their partners and support people as well as providing achievable support strategies Many aspects of the book move into unchartered territories such as the realistic management of labour pain common emotional reactions that may be experienced on the journey to parenthood relationship

changes and challenges and how to survive these Psychedelic Mysticism Morgan Shipley, 2015-11-12 Concerned with scholarly popular and religious backdrops that understand the connection between psychedelics and mystical experiences to be devoid of moral concerns and ethical dimensions a position supported empirically by the rise of acid fascism and psychedelic cults by the late 1960s Psychedelic Mysticism Transforming Consciousness Religious Experiences and Voluntary Peasants in Postwar America traces the development of sixties psychedelic mysticism from the deconditioned mind and perennial philosophy of Aldous Huxley to the sacramental ethics of Timothy Leary Richard Alpert and Ralph Metzner to the altruistic religiosity practiced by Stephen Gaskin and The Farm Building directly off the pioneering psychedelic writing of Huxley these psychedelic mystics understood the height of psychedelic consciousness as an existential awareness of unitive oneness a position that offered worldly alternatives to the maladies associated with the postwar moment e g vapid consumerism and materialism lifeless conformity unremitting racism heightened militarism In opening a doorway to a common world Morgan Shipley locates how psychedelics challenged the coherency of Western modernity by fundamentally reorienting postwar society away from neoliberal ideologies and toward a sacred understanding of reality defined by mutual coexistence and responsible interdependence In 1960s America psychedelics catalyzed a religious awakening defined by compassion expressed through altruism and actualized in projects that sought to ameliorate the conditions of the least advantaged among us In the exact moments that historians and cultural critics often locate as signaling the death knell of the counterculture Gaskin and The Farm emerged not as a response to the perceived failures of the hippies nor as an alternative to sixties politicos but in an effort to fulfill the religious obligation to help teach the world how to live more harmoniously Today as we continue to confront issues of socioeconomic inequality entrenched differences widespread violence and the limits of religious pluralism Psychedelic Mysticism serves as a timely reminder of how religion in America can operate as a tool for destabilization and as a means to actively reimagine the very basis of how people relate such a legacy can aid in our own efforts to build a more peaceful sustainable and compassionate world Active Birth - Revised Edition Janet Balaskas, 1992-03-16 It's time to empower yourself and just say no to giving birth passively. This is the book that has revolutionized childbirth turning birthing mothers from subdued and passive patients to active and empowered owners of their childbirth experience Janet Balaskas started a movement of women who refused to give birth lying down and she has been teaching women about active birth ever since She emphasizes the importance of movement during labor the wide range of options and positions for delivery itself and the many natural alternatives to heavy sedation and other medical interventions Her book is eminently useful whether you are planning to give birth in a hospital a free standing birth center or at home If such options as water birth or hypno birthing are appealing to you this is an essential book at the same time it is non judgmental and encourages you to give birth in whatever manner and position you see fit It covers Exercises for pregnancy to prepare you optimally for childbirth Massage and yoga during labor Labor and birthing positions that maximize

your comfort and encourage efficient contractions Essential tips for birth partners spouses doulas and other attendants Relaxation and recovery exercises for the postpartum period Janet Balaskas shows you how to prepare for and experience a truly natural joyful and empowering birth Five Standards for Safe Childbearing David Stewart, 1997 Gentle Mothering Sarah Buckley, 2013-02-20 An authoritative guide to natural childbirth and postpartum parenting options from an MD who home birthed her own four children Sarah Buckley might be called a third wave natural birth advocate A doctor and a mother she approaches the question of how a woman and baby might have the most fulfilling birth experience with respect for the wisdom of both medical science and the human body Using current medical and epidemiological research plus women s experiences including her own she demonstrates that what she calls undisturbed birth is almost always healthier and safer than high technology approaches to birth Her wise counsel on issues like breastfeeding and sleeping during postpartum helps extend the gentle birth experience into a gentle parenting relationship Goddess Makeover. Revised Edition Tanishka no legal surname, 2014-06-24 Experience the true power of your feminine essence Unlike the quick fix exterior makeovers that fade when you take a shower this insightful and life affirming journey of self discovery will empower your feminine sense of sense for a lifetime Presented as seven steps to meet and understand the seven universal feminine aspects The Inner Goddess Makeover combines ancient women s wisdom with fun experiential processes interesting facts and candid autobiographical accounts making it ideal for girls women of all ages who wish to fulfill their feminine potential A compelling read which reveals fundamental truths about our experience of womanhood and begs the question Why wasn t I told this earlier What Others Are Saying Every woman should read this book It should be on every woman's bookshelf Lael I m afraid I m becoming evangelical about your book I m telling every woman I meet they should read it Lynne I ve read my wife s copy twice John History of Modern Soy Protein Ingredients - Isolates, Concentrates, and Textured Soy Protein Products (1911-2016) William Shurtleff; Akiko Aoyagi, 2016-01-17 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographical index 405 photographs and illustrations mostly color Free of charge in digital PDF format on Google Books The Complete Idiot's Guide to Natural Childbirth Deb Baker, Jennifer L.
