The Secret Place of God's Power Bill

Vincent, 2019-01-24 Many have a desire to be a powerful man or woman of God. The Secret Place of God's Power by Bill Vincent will truly stir your faith. By using Biblical principles Bill outlines much revelation for today's saints of God to walk in power. The power of God is the result of finding God, it is what is known as the Secret Place. This book has been compiled from all the lessons I have learned and grown to know the Lord. He has been my closest friend and all this is found in the secret place. Before finding this revelation I flowed in little to no power of God. It is time for the Church to grow in power. Everyone wants someone to lay hands on them and impart the power of God. There may be a truth to real impartation but it still will not come without a price. This book has been a long time coming but is necessary. You will learn to overcome religion, get closer to God, find the power of God and experience Heaven. God spoke to me that this book has been brought to get His people to find the Secret Place and discover His Power. Bill spends a lot of time seeking the face of God concerning current cutting edge things. The ministry is more than just being a minister. The First Chapter takes you into the Secret Place. You will find by spending time with God will usher in provision, promotion, increase of Godly knowledge and so much more. Bill has a way to say things many different ways until you get it. There are many things that you will learn about Heaven on Earth and how to become a source that God can use in a mighty way. The Secret Place of God's Power is more than a book, it is learning to be led by the Holy Spirit, being a deliverer to all who need set free and increasing in the anointing and power of God. You are going to be truly encouraged with this power packed book. It is time for us all to find God in a deeper and intimate way.

They are God's plan, Christ's redemption, the Spirit's application, the believers, the church, the kingdom, and the New Jerusalem.

Mede,2015-05-15 I could write much more on this subject of our spiritual walk but I have only built upon another man's foundation pertaining to these matters Watchman Nee at the turn of the last century whilst in a Chinese prison and as a martyr wrote several works which have been compiled into one volume the Spiritual Man I would suggest this as a compulsory read as the truths contained are pure spiritual gold and will certainly set you on the correct spiritual path As you are now aware much has been added to the book of Revelation and many a predecessor has added to the book which has led them away from the truth contained therein with theories of great tribulations and raptures of the Church I have in no way attempted to answer all the mysteries contained in this book but only to lay a true foundation on which others may build Just as the early apostles used the Old Testament to write the New so I have done only the same as they have by using both so that I may not labor in vain The book of the Acts of the Apostles has never stopped being written and will go on until the end of the age As the Apostle Paul admonishes the church in Galatia Galatians 1:9 As we said before so now I say again If anyone is preaching to you a gospel different from or contrary to that which you received from us let him be accursed anathema devoted to destruction doomed to eternal punishment This I also claim with my apostolic authority This is my Gospel of the end the Gospel of Kings It is a word that I received from Jesus himself and I claim all of the apostolic rights to be a special messenger sent from God and to reprove and correct the Church of the Living God as He has authorized me to do Do not add to nor take away from any of the words contained herein Selah pause and calmly think of and reflect on these things Amen so be it *Revelation of Bible Creatures* Elizabeth Ukeni Abamu,2018-01-09 All creatures mentioned in the Holy Scriptures are explained according to their individual characteristics spiritual significance and the lessons they teach us As part of the biblical narrative they inadvertently carry with them a measure of wisdom good or bad for the reader's benefit as we learn about them Since we must worship God in spirit and in truth the biblical creatures are therefore a big part of the ways and significance of God For example when Christ reminds us to be as wise as serpents and as harmless as doves it is using the very nature of these creatures to explain how vivid examples such as those would propagate our understanding in the worship of God Readers will also learn the basics the depths and meaning of life who to fear why and how to love and how to

persevere in our godly walk if we are to understand God and what he requires of us This book will help man fight the good fight of faith and finish the race of life in a very strong and fruitful way Moreover ears and eyes would be opened and souls will be won as sermons and good tidings are sown into the hearts of readers and hearers of this faith This book can also be a great turning point for a host of people in the realm of God It includes sinners and maturing Christians songwriters fledgling preachers and her slew of scholarly teachers in the things about God
