W. A. T. Training Manual* Shaolin Abrams, 2018-01-10 There's a great war being waged in the world today and it's not a conflict between nations tribes or government leaders It's not a rebellion or coup but it's an important invisible battle taking place in the spirit world The Bible states that GOD's people are destroyed because of lack of knowledge Hosea 4:6 One of the main areas in which Believers are being defeated due to lack of knowledge is in spiritual warfare The early Church viewed their spiritual experience in terms of warfare and military terminology is used throughout the New Testament Protection was seen in the Armor of GOD and the Word of GOD was compared to a sword Satan's attacks

were called fiery darts and faith was the good fight and Believers were told to war a good warfare The early Church knew they were engaged in an intense spiritual struggle and the same spiritual battle continues today but instead of fighting the enemy Believers are often building great church buildings producing musical dramas holding fellowship meetings and fighting one another while this great spiritual battle wages around them Satan has even intensified his attacks against a church that has withdrawn from the front lines of battle and in these perilous and evil days are upon us it s even more important for Believers to understand spiritual warfare than in the early days of church history The Apostle Paul warned 2 Timothy 3 1 This know also that in the last days perilous times shall come In order to be properly prepared for these perilous times renewed emphasis must be placed on the strategies of spiritual warfare because the Christian life is war and the sooner we recognize and prepare for it the sooner we will experience victory Luke 14 31 says What king going to make war against another king sitteth not down first and consulteth whether he is able with ten thousand to meet him that cometh against him with twenty thousand No king ever entered into a battle without a careful examination of his resources and development of battle strategies but in essence that s what we are doing in this training manual We are making a careful evaluation of the strategy weapons and power available to us to win the war against our enemy Satan In the military world strategy is the science of forming and carrying out military operations and it is the method or plan which leads to the goal of victory

Winning the Battle Before You Dr. Obi O. Edward, 2019-02-23 Winning That Battle before You is a book prepared and packaged to guide you spiritually on how to win the battle you are currently fighting in your life Your battle may be about health family issues jobs or addictions of any kind It could be academic problems marriage fruits of the womb cases and other issues of limitations and challenges presently blocking your life and family Your own battle could be spiritual issues attacking you due to your family DNA and inheritance or it could also be spiritual attacks from household enemies or a cultic involvement and witchcraft You may be experiencing the spirit of poverty or lack of progress in your life and family You will be motivated to develop your fighting spirit through this book which is a formula for winning that battle The book is equipped to train you to fight this war as a soldier of Christ God would never leave us without defensive mechanism as he sent us into the battle to regain our freedom from those demonic attacks and enemies of our progress This book has positioned you to exercise your authority and be in the total domination over strongholds of the enemies fighting against you and your family It is a training spiritual manual with written Words of God the only truth that will win the battle for you and give you complete freedom
