Spiritual Theology A Systematic Study Of The Christian Life:

Spiritual Theology Simon Chan, 2025-10-14 Academy of Parish Clergy Top Ten Book Theology is the doctrine of living unto God wrote the Puritan theologian William Ames Unfortunately post Enlightenment theology has tended to divorce doctrine from living unto God And to the degree that this split has been deepened and perpetuated both theology and spirituality have been impoverished Spiritual Theology is a rare book In it Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet highlighting the connections between Christian doctrine and Christian living and drawing out the spiritual implications of particular aspects of systematic theology Allowing rational formulations to drop into the background he brings the mystery of the faith to the fore Chan begins with the principal doctrines of God sin salvation and the church He then progresses to a reflective consideration of the practice of the spiritual life from prayer to spiritual direction Unabashedly evangelical and truly ecumenical Chan grounds his exploration in the sources of the Protestant Catholic and Orthodox traditions His work is well abreast of contemporary theological currents and crossculturally conversant from an Asian perspective Spiritual Theology is a book for those who care deeply about theology and spirituality and strive to integrate the two It is well worth careful reflection and prayerful reading *Spiritual Theology* Simon Chan, 1998-04-29 Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet and he highlights the connections between Christian doctrine and Christian living **Spiritual Theology** Simon Chan, 2011

Dictionary of Christian Spirituality Zondervan, 2016-11-22 In recent decades Christian spirituality spiritual formation and spiritual theology have become important concepts in the global evangelical community Consequently an accessible and reliable academic resource is needed on these topics one that will offer a discerning orientation to the wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace centered values of classic evangelical spirituality The Dictionary of Christian Spirituality reflects an overarching interpretive framework for evangelical spiritual formation a holistic and grace filled spirituality that encompasses relational connecting transformational becoming and vocational doing dynamics At the same time contributors respectfully acknowledge the differences between Reformed Holiness and Pentecostal paradigms of the spiritual life And by bringing together writers from around the world who share a common orthodoxy this reference work is truly global and international in both its topical scope and contributors Entries give appropriate attention to concepts concerns and formative figures in the evangelical tradition of spirituality that other reference work neglect They offer a discerning orientation to the wealth of ecumenical resources available exploring the similarities and differences between Christianity and alternate spiritualities without lapsing into relativism The Dictionary of Christian Spirituality is a resource that covers a wide range of topics relating to Christian spirituality and is biblically engaged accessible and relevant for all contemporary Christians **A Guide to Christian Spiritual Formation** Evan B. Howard, 2018-01-16 Evan Howard a noted authority on Christian spirituality provides a holistic accessible and informed

introduction to Christian spiritual formation written from a broadly evangelical perspective Howard joins Scripture with themes of community spirit formation and mission in a single integrative guide The book includes helpful features such as figures charts chapter overviews and formation focused questions Its evangelical ecumenical and global perspectives will appeal to a wide audience Resources for professors and students are available through Baker Academic s Textbook eSources

Empowered Witness (Foreword by Kevin DeYoung) Alan D. Strange, 2024-01-23 Rediscovering the Spirituality of the Church in Our Highly Politicized Age The goal of the church should be simple share the gospel to the ends of the earth But in our highly politicized age Christians can tend to place earthly political and social agendas over God s spiritual mission of the church In Empowered Witness author Alan D Strange examines the doctrine of the spirituality of the church making a clear distinction between the functions of the church and other institutions Strange argues that if the church continues to push political agendas no institution will be focused solely on the Great Commission and the gospel will be lost entirely This book calls readers to become aware of the church s power and limits and shed light on moral issues in a way that doesn t alter the deeply spiritual and gospel centered mission of the church Explores the Spirituality of the Church An important biblical doctrine developed in the 19th century Appeals to Thoughtful Laypeople and Church Leaders Considers the critical distinctions between the church and other institutions Historical Examines the purpose of the church throughout history and the development of the spirituality of the church in the 19th century Foreword by Kevin DeYoung Author of Just Do Something Crazy Busy and The Biggest Story *Types of Pentecostal Theology* Christopher A. Stephenson, 2016-10 In this the first critical study of the major theologians of pentecostalism Christopher A Stephenson establishes four original categories that classify recent pentecostal theologians methodologies in systematic constructive theology **Pentecostal Theology and the Christian Spiritual Tradition** Simon Chan, 2011-07-12 This book deals with the problem of Pentecostal traditioning Traditioning has been ineffective thus far because the richness of Pentecostal faith and experience has been inadequately captured in the classical Pentecostal doctrines of Spirit baptism and glossolalia A more adequate understanding of the key theological symbol of Pentecostalism glossolalia emerges when it is interpreted in the light of Christian spiritual tradition Within this larger tradition glossolalia can be seen as bringing together both the ascetical and contemplative dimensions of the Christian life Chan thus explores the shape of Pentecostal ecclesiology as traditioning community

Theological Hermeneutics in the Classical Pentecostal Tradition L. William Oliverio, 2012-08-01 In Theological Hermeneutics in the Classical Pentecostal Tradition L William Oliverio Jr accounts for the development of Classical Pentecostal theological hermeneutics through four hermeneutical types and concludes with a philosophical basis for future Pentecostal theological hermeneutics within the contours of a hermeneutical realism *Profiles of Pentecostal Theology* Christopher A. Stephenson, 2021-10-25 Pentecostal theology is burgeoning in the academy and a vast body of literature continues to grow With precision and ease Stephenson carefully leads readers through an array of theological topics texts

and figures Combining original analysis and constructive contributions he classifies diverse and complex ideas in pentecostal biblical studies systematic theology and theological ethics Whether they are beginning students seeking an accessible initiation into an area that newly piques their interests or established scholars who need a sophisticated crash course in a yet unexplored field of inquiry readers will find Stephenson s accounts to be a reliable guide through this daunting topic **A**

Spirituality of Everyday Faith Declan Marmion,1998 Because spirituality is such a ubiquitous term today any attempt to elucidate it more fully is only to be welcomed Volume 23 in the LTPM series represents a significant contribution in this regard Beginning with the apostle Paul Declan Marmion shows how the meaning of the term spirituality changed over the centuries He then offers a useful working definition of spirituality and explores the complicated relationship between spirituality academic theology and religious experience In the main body of the book Marmion focuses on the spiritual basis of Karl Rahner s theology Exhibiting a comprehensive knowledge of the primary and secondary literature in this area Marmion uses Rahner s notion of spirituality to treat such important themes as the nature of God mystical experience prayer love of neighbor and more **The Deep Things of God (Second Edition)** Fred Sanders,2017-04-13 The doctrine of the Trinity is taught and believed by all evangelicals but rarely is it fully understood or celebrated In The Deep Things of God systematic theologian Fred Sanders shows why we ought to embrace the doctrine of the Trinity wholeheartedly as a central concern of evangelical theology Sanders demonstrates engagingly and accessibly that the doctrine of the Trinity is grounded in the gospel itself In this book readers will understand that a robust doctrine of the Trinity has massive implications for their lives restoring depth to prayer worship Bible study missions tradition and understanding of Christianity s fundamental doctrines This new edition includes a study guide with discussion questions action points recommended reading and more

Understanding Watchman Nee Dongsheng John Wu,2012-04-01 This book situates Nee s view within the rich heritage of the Protestant Catholic and Eastern Orthodox spiritual traditions and thus renders Nee s thought more intelligible to Christians of both evangelical and more liberal persuasions In this book Dongsheng John Wu examines Watchman Nee s thought on the spiritual life focusing on the relationship between spiritual formation and spiritual knowledge Different ways of acquiring spiritual understanding are explored including the respective roles of divine illumination intellectual studies and life circumstances Understanding Watchman Nee begins by synthesizing strategic aspects of Nee s teachings as well as formative events and sources in the development of Nee s own spirituality and theology It then utilizes the critical work of contemporary theologian Mark McIntosh to bring Nee s voice into dialogue with some important figures in the history of Christian spirituality Such interactions reveal that Nee s crucial theological convictions exhibit strong parallels with related themes found in the church s spiritual or mystical treasures **Pentecostal Experience** Peter D. Neumann,2012-08-22 Pentecostals are known for an experiential spirituality that emphasizes immediate encounters with God through the Holy Spirit But how should such experience be understood Is it in fact quite so immediate Neumann argues that Pentecostal

Understanding Watchman Nee Dongsheng John Wu,2012-04-01 This book situates Nee s view within the rich heritage of the Protestant Catholic and Eastern Orthodox spiritual traditions and thus renders Nee s thought more intelligible to Christians of both evangelical and more liberal persuasions In this book Dongsheng John Wu examines Watchman Nee s thought on the spiritual life focusing on the relationship between spiritual formation and spiritual knowledge Different ways of acquiring spiritual understanding are explored including the respective roles of divine illumination intellectual studies and life circumstances Understanding Watchman Nee begins by synthesizing strategic aspects of Nee s teachings as well as formative events and sources in the development of Nee s own spirituality and theology It then utilizes the critical work of contemporary theologian Mark McIntosh to bring Nee s voice into dialogue with some important figures in the history of Christian spirituality Such interactions reveal that Nee s crucial theological convictions exhibit strong parallels with related themes found in the church s spiritual or mystical treasures **Pentecostal Experience** Peter D. Neumann,2012-08-22 Pentecostals are known for an experiential spirituality that emphasizes immediate encounters with God through the Holy Spirit But how should such experience be understood Is it in fact quite so immediate Neumann argues that Pentecostal

experience of God is mediated by the Spirit's work through Scripture the Christian tradition and the broader cultural context Using the work of three contemporary Pentecostal theologians Frank D Macchia Simon K H Chan and Amos Yong the book demonstrates that a mediated view of experience of God is forging a more mature Pentecostal theology As further evidence of this maturation Neumann engages these Pentecostal theologians in ecumenical dialogue with leading representatives from Roman Catholic Eastern Orthodox and Protestant traditions

Pentecostal Hermeneutics in the Late Modern World L. William Oliverio Jr.,2022-05-27 In *Pentecostal Hermeneutics in the Late Modern World* L William Oliverio Jr offers a series of forays into the places where late modernity and Pentecostalism have met in interpreting God the world and human selves and communities Oliverio provides a historical constructive and ecumenical approach to understanding current trajectories in Pentecostal interpretation as he engages a variety of philosophers and theologians Together these essays point to a way forward for Pentecostal hermeneutics in the context of the late modern world *Ex Auditu - Volume 23* Klyne Snodgrass,2008-04-01

The Spiritual Formation of Leaders Chuck Miller,2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That's why *The Spiritual Formation of Leaders* invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God's presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom *The Disciple's Handbook* Fr. David L. Hall,2020-02-05 Twenty years ago God led me to the writings of the church fathers and then on a journey that changed my life I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even greater depth and passion in their walk with Christ

The Pentecostal Gender Paradox Joseph Lee Dutko,2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women's equality little research has been done to put these two areas into conversation with each other eschatological convictions are

often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality Transforming Renewal Andy Lord, 2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewal theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world
