Collected Works of Erasmus

Desiderius Erasmus, 1998-08-08 The five pieces in this volume are among the

twenty selected for inclusion in volumes 66-70 of the Collected Works of Erasmus the series of spiritualia and pastoralia Like

many of the other works in this series they represent an Erasmus that despite the recent growth of interest in him has

remained largely unfamiliar the Erasmus of the works pertaining to pietas As Professor O Malley's introduction makes clear

Erasmian pietas assumes an intrinsic relationship among spirituality theology and ministry and the five works in volume 70

characteristically develop the implications of that relationship Professor O Malley provides background and context for each

of the selections and shows how over the course of the years Erasmus gives pietas a theological base and centre by

grounding it ever more firmly in the mystery of Christ's death and resurrection Volume 70 includes A Short Debate

Concerning the Distress Alarm and Sorrow of Jesus A Sermon on the Immense Mercy of God On Praying to God An

Explanation of the Apostles Creed and Preparing for Death Volume 70 of the Collected Works of Erasmus series Collected

Erasmus, 2015-07-07 Among Erasmus of Rotterdam's many influential treatises on theology during the early Reformation

Exomologesis 1524 revised 1530 and Ecclesiastes 1535 stand out as two of his most significant Exomologesis or The Manner

of Confessing in which Erasmus articulated his views on the true manner of Christian confession was sufficiently

controversial that he published an expanded version with concessions and clarifications six years later Ecclesiastes or The

Method of Preaching was an extensive exposition on how to employ scripture the writings of Church Fathers and classic

rhetoric to reinvigorate the practice of preaching This innovative work ushered in a new genre of homiletic treatises that

supplanted medieval preaching manuals and paved the way for what has been called the age of eloquence The Collected Works of Erasmus presents these two important works complete with extensive introductions and annotations in an elegant and precise two volume modern translation for the first time Volumes 67 and 68 of the Collected Works of Erasmus series Two volume set **Collected Works of Erasmus: Spiritualia and Pastoralia** Desiderius Erasmus,1974 **Collected Works of Erasmus** Desiderius Erasmus,2015 **Collected Works of Erasmus** Erasmus Desiderius Rotterodamus,1998

Spiritualia and Pastoralia: Exomologesis. Ecclesiastes 1-4 Desiderius Erasmus,1988 **Patience, Compassion, Hope, and the Christian Art of Dying Well** Christopher P. Vogt,2004 By mining the rich tradition of virtue ethics Christopher Vogt uses the virtues of patience compassion and hope as a framework for specifying the shape of a good death and for naming the practices Christians should develop to live well and die well Bringing together historical biblical and contemporary sources in Christian ethics Vogt provides a long overdue theological analysis of the ars moriendi or art of dying literature of four centuries ago Through a careful analysis of Luke s passion narrative Vogt uses Jesus as the primary model for being patient in the face of death and for dying well **Collected Works of Erasmus** Desiderius Erasmus,1998-08-08 The five pieces in this volume are among the twenty selected for inclusion in volumes 66 70 of the Collected Works of Erasmus the series of spiritualia and pastoralia Like many of the other works in this series they represent an Erasmus that despite the recent growth of interest in him has remained largely unfamiliar the Erasmus of the works pertaining to pietas As Professor O Malley s introduction makes clear Erasmian pietas assumes an intrinsic relationship among spirituality theology and ministry and the five works in volume 70 characteristically develop the implications of that relationship Professor O Malley provides background and context for each of the selections and shows how over the course of the years Erasmus gives pietas a theological base and centre by grounding it ever more firmly in the mystery of Christ s death and resurrection Volume 70 includes A Short Debate Concerning the Distress Alarm and Sorrow of Jesus A Sermon on the Immense Mercy of God On Praying to God An Explanation of the Apostles Creed and Preparing for Death Volume 70 of the Collected Works of Erasmus series **Collected Works of Erasmus: Spiritualia and pastoralia** Desiderius Erasmus,1974 **Collected Works of Erasmus** A. H. T. Levi,1974 *The Christian Art of Dying* Allen Verhey,2011-11-28 A renowned ethicist who himself faced death during a recent life threatening illness Allen Verhey in *The Christian Art of Dying* sets out to recapture dying from the medical world Seeking to counter the medicalization of death that is so prevalent today Verhey revisits the fifteenth century Ars Moriendi an illustrated spiritual self help manual on the art of dying Finding much wisdom in that little book but rejecting its Stoic and Platonic worldview Verhey uncovers in the biblical accounts of Jesus death a truly helpful paradigm for dying well and faithfully **Old St Paul's and Culture** Shanyn Altman,Jonathan Buckner,2021-09-01 *Old St Paul s and Culture* is an interdisciplinary collection of essays that looks predominantly at the culture of Old St Paul s and its wider precinct in the early modern period while also providing important insights into the Cathedral s medieval institution

The chapters examine the symbolic role of the site in England's Christian history the London book trade based in and around St Paul's the place of St Paul's commercial indoor playhouse within the performance culture of sixteenth and seventeenth century London and the intersection of religion and politics through events such as civic ceremonies and occasional sermons Through the organising theme of culture the authors demonstrate how the site as well as the people and trades occupying the precinct can be positioned within wider fields of representations practices and social networks A focus on St Paul's is therefore about more than just the specific site on Ludgate Hill it is about those practices and representations connected to it which either extended beyond or originated in places other than the Cathedral environs This points to the range of localised regional national and transnational relationships in which the precinct and its people were situated and to which they contributed

Princely Education in Early Modern Britain Aysha Pollnitz, 2015-05-19 In the sixteenth century Erasmus of Rotterdam led a humanist campaign to deter European princes from vainglorious warfare by giving them liberal educations His prescriptions for the study of classical authors and scripture transformed the upbringing of Tudor and Stuart royal children Rather than emphasising the sword the educations of Henry VIII James VI and I and their successors prioritised the pen In a period of succession crises female sovereignty and minority rulers liberal education played a hitherto unappreciated role in reshaping the political and religious thought and culture of early modern Britain This book explores how a humanist curriculum gave princes the rhetorical skills biblical knowledge and political impetus to assert the royal supremacy over their subjects souls Liberal education was meant to prevent over mighty monarchy but in practice it taught kings and queens how to extend their authority over church and state

Shakespeare and the Play Scripts of Private Prayer Ceri Sullivan, 2020-09-04 Early modern private prayer is skilled at narrative and drama In manuals and sermons on how to pray collections of model prayers scholarly treatises about biblical petitions and popular tracts about life crises prompting calls to God prayer is valued as a powerful agent of change Model prayers create stories about people in distinct ranks and jobs with concrete details about real life situations These characters may act in play lets or appear in the middle of difficulties or voice a suite of petitions from all sides of a conflict Thinking of early modern private prayers as dramatic dialogues rather than lyric monologues raises the question of whether play going and praying were mutually reinforcing practices Could dramatists deploying prayer on stage rely on having audience members who were already expert at making up roles for themselves in prayer and who expected their petitions to have the power to intervene in major events Does prayer's focus on cause and effect structure the historiography of Shakespeare's Henry VI Richard III Richard II Henry V and Henry VIII
