Spirituality And Administration:

Spirituality and Administration Constance Brittain Bouchard,1979 **Redeeming Administration** Ann M. Garrido,2013-09-23 Ann Garrido s 2009 article in America magazine on the spirituality of administration in Catholic settings created a wave of demand in this successful academic administrator s already full speaking schedule Garrido admits that she sometimes finds administration draining even boring as it fractures her days into tiny shards of time that make it impossible to focus on the big ideas And yet she has found spiritual gifts in her many years as a theologian parish minister and administrator in higher education In Redeeming Administration she reveals those gifts by examining twelve spiritual habits for Catholic leaders in parishes schools religious communities and other institutions presenting a saint who embodies each habit and showing readers how to experience their administrative work as a crucial ministry of the Church A brief prayer and questions for personal reflection group conversation or spiritual direction complete each chapter Free downloads to accompany Redeeming Administration include a small group guide and prayer resources **Spirituality Management in the Workplace** Fahri Özsungur,Fevziye Bekar,2023-12-14 The experts here provide conceptual frameworks and guidance by examining the subject in the light of current developments at multiple levels of analysis individual organizational cultural and in leadership Spirituality in the workplace considers employees as a whole in spirit body and mind **Spirituality and Ethics in Management** Laszlo Zsolnai,2011-04-20 The book which was originally published by Kluwer in 2004 is a collection of scholarly papers focusing on the role of spirituality and ethics in renewing the contemporary management praxis The basic argument is that a more inclusive holistic and peaceful approach to management is needed if business and political leaders are to uplift the environmentally degrading and socially disintegrating world of our age The book uses diverse value perspectives Hindu Catholic Buddhist and Humanist and a variety of disciplines philosophy ethics management studies psychology and organizational sciences to extend traditional reflections on corporate purpose and focuses on a self referential organizational existential search for meaning identity and success *Spirituality and Management* Sanjeev P. Sahni,Tithi Bhatnagar,Pankaj Gupta,2022-05-17 This book discusses the importance of integrating spirituality from diverse knowledge backgrounds to be effective in its everyday use Bringing together global experts in the field this book provides an extensive overview of the various spirituality and management themes models approaches and complexities The chapters in the book include deliberations upon wisdom from the Bhagwat Gita Buddha the impact of spirituality on good governance quality of life integrating ethics human values happiness meditation and linking of spirituality and management and their effect on leadership and workplace environment A thought provoking read for scholars students and policy makers this book provides an Indian perspective on managing spirituality at work This book is even more relevant in the post COVID 19 scenario as it focuses on the holistic development of people and organizations *Spirituality and Business* Sharda S. Nandram,Margot Esther Borden,2009-11-11 We Sharda and Margot feel very honored to be able to write and edit such a

book Our spiritual journey has led to the passion of bringing together and sharing the thoughts we ourselves have come across in our lives by meeting gurus swamis like minded seekers managers teachers entrepreneurs academics students and by reading books and practicing spiritual techniques We also have gained much spiritual inspiration from the teachings of Sri Aurobindo and The Mother to whom we are grateful The thoughts presented in this book already exist in the East and West Integrating them into the way we do business can help us to regain trust and respect in business even in the current economic crisis We aim to convince others of our deep belief that spiritual practices and a spiritual orientation help make life more enjoyable and makes us better human beings through helping us to live in line with our karma in every context of life in our roles as employees entrepreneurs managers leaders mothers or fathers etc Blessed Are Those Who Ask the Questions J. Goosby Smith, Erin D. Renslow, 2021-04-01 Today s organizational environment is characterized by high levels of cross cultural cross national and cross religious communication conflict collaboration and commerce This environment produces myriad encounters between individuals who embrace different ideologies religions and spiritual practices As such unanswered and even unasked questions about management spirituality and religion abound This book seeks to advance our understanding by asking the big questions Blessed are Those Who Ask the Questions What Should We be Asking About Management Spirituality and Religion in Organizations is intended to be provocative in nature Its chapters address novel ways that leadership organizations and organizational stakeholders mutually impact each other by their similarities and differences in religious spiritual and ideological traditions cultures and practices Interdisciplinary in nature and firmly grounded in scholarly literature this book identifies and maps out bold new trajectories for advancing the study of management spirituality and religion including but going far beyond Western Christian conceptualizations of religion Sometimes universal sometimes quite specific this volume identifies unexplored underexplored or unresolved issues in the field and proposes new streams of research Diverse conceptual empirical theoretical and critical treatments that honor a variety of inquiry styles and research methods push the boundaries of MSR research *Responsible Leadership and Ethical Decision-Making* Sunil Savur, Sukhbir Sandhu, 2017-05-19 The volume brings to life a number of the conference themes including corporate social responsibility culture academic integrity vulnerability health military ethics education leadership sustainability and philosophy and addresses concerns of many leading applied ethicists *Spirituality in Management* Sushanta Kumar Mishra, Arup Varma, 2019-05-16 With spirituality being brought to the fore of management and organisation studies this timely collection takes a closer look at the relationship between religion and work in India Bringing together experts from various backgrounds this book provides a comprehensive review of the topic addressing its key underpinnings and complexities Spirituality in Management is divided into four sections covering the evolution of workplace spirituality its causes characteristics and outcomes and culminating in a critical analysis A thought provoking read for scholars students and policy makers this book provides an Indian perspective on managing spirituality at work and offers insights into

successful organisational practice Spirituality Management in the Workplace Fahri Özsungur, Fevziye Bekar, 2023-12-14 The experts here provide conceptual frameworks and guidance by examining the subject in the light of current developments at multiple levels of analysis individual organizational cultural and in leadership Spirituality in the workplace considers employees as a whole in spirit body and mind *Metaphysical Realities in Psychology and Management* Mithila Bihari Sharan, 2011 **Russia at a Crossroads** Nurit Schleifman, 2013-12-16 The meaning of Russia's past is in a process of continuous deconstruction reshaping and negotiation by various social and political groupings Of the deluge of group memories which have broken loose this collection focuses on several new voices which have never been heard in Russia in this way before women Tatars Cossacks as well as the voices of religious and provincial populations In addition the volume sheds light on the creation of a multi party system which paved the way for the expression of particular views and interests and generated much of memory's concepts and language *The International Politics of Eurasia: v. 3: The Politics of Religion in Russia and the New States of Eurasia* S. Frederick Starr, Karen Dawisha, 2016-06-16 First Published in 2015 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The contributors were chosen not only for their recognized expertise but also to ensure a stimulating diversity of perspectives and a dynamic mix of approaches This is Volume 3 The Politics of Religion in Russia and the New States of Eurasia Central Asia Boris Z. Rumer, 2002 The societies of Central Asia are besieged from within and without The political elites virtually unchanged despite the transition to independent statehood battle radical Islamic movements and other oppositional threats that are continuously fueled by economic instability corruption environmental deterioration and the collapse of social services The heightened U S presence in the area in connection with the military action in Afghanistan is likely to unsettle the situation further even while bolstering the incumbent regime This survey of political economic and social developments in Central Asia offers geopolitical context unparalleled coverage and analytical depth to our understanding of a region that can no longer be safely ignored

Muslims in Poland and Eastern Europe Katarzyna Górak-Sosnowska, 2011 *Religion in the Soviet Union* F. Corley, 1996-08-27 The Soviet government's attitude to religion in theory and practice is shown in this wide ranging collection of annotated texts from the newly opened archives Included are documents from the KGB the Central Committee the Council for Religious Affairs and numerous other official bodies For the first time in English we see the bureaucrats own view of how religious believers should be controlled following the story from the persecutions of the early Soviet years to the openness instituted by Mikhail Gorbachev *Being a Woman and Being Tatar* Alena Lange, 2024-09-04 Being a Woman and Being Tatar uses ethnographic research to explore the multifaceted and complex identities such as gender ethnicity religion of Tatar women in Siberia and Estonia Focusing on the intersections and interactions of multiple identities and exploring that

focus through Tatar women's own voices narratives and subjectivity this book unfolds women's stories about what it means to be a woman and to be a Tatar in a post Soviet situation through narrations of their aspirations their sexuality their relationship with relatives and the dynamics of power and hierarchy they feel themselves within It explores how identity and tradition are shaped by state politics and also brings attention to new geographical areas including the Tyumen region and Estonia Being a Woman and Being Tatar will demonstrate to those studying gender studies and cultural anthropology the intricacies of Tatar women's identities and invites readers to better understand the Tatar women's diversity across Eastern Europe and Russia

Muslims of Post-Communist Eurasia Galina M. Yemelianova, Egdūnas Račius, 2022-09-30 This book discusses the evolution of state governance of Islam and the nature and forms of local Muslims' rediscovery of their Muslimness across post communist Eurasia It examines the effects on the Islamic scene of the political and ideological divergence of Central and South Eastern Europe from Russia and most of the Caucasus and Central Asia Of particular interest are the implications of the proliferation of new global interpretations of Islam and their relationship with existing traditional Islamic beliefs and practices The contributions in this book address these issues through an interdisciplinary prism combining history religious studies theology social anthropology sociology ethnology and political science They analyse the greater public presence of Islam in constitutionally secular contexts and offer a critique of the domestication and accommodation of Islam in Europe comparing these to what has happened in the international Eurasian space The discussion is informed by the works of such thinkers as Talal Asad Bryan Turner Veit Bader Marcel Maussen and Bassam Tibi and utilises primary and secondary sources and ethnographic observation Looking at how collectivities and individuals are defining what it means to be Muslim in a globalised Islamic context this book will be of great interest to scholars of Religious Studies Islamic Studies Political Science Sociology and Anthropology

A Poet and Bin-Laden Hamid Ismailov, 2018-01-01 The reality novel A Poet and Bin Laden set in Central Asia at the turn of the 21st century against a swirling backdrop of Islamic fundamentalism in the Ferghana Valley and beyond gives a first hand account on the militants and Taliban's internal life The novel begins on the eve of 9/11 with the narrator's haunting description of the airplane attack on the Twin Towers as seen on TV while he is on holiday in Central Asia and tells the story of an Uzbek poet Belgi who was disappointed in the authoritarian regime in Uzbekistan and became a terrorist in the eyes of the world His journey begins with a search for a Sufi spiritual master and ends in guerrilla warfare and it is this tension between a transcendental and a violent response to oppression between the book and the bomb between Archipelago GULAG and modern Central Asia and Afghanistan that gives the novel its specific poignancy In this book Hamid Ismailov masterfully intertwines fiction with documentary and provides wonderfully vivid accounts of historical events such as the siege of Kunduz the breakout from Sheberghan prison and the insurgency in the Ferghana Valley as witnessed by the Byronian figure of Belgi who enters the inner sanctum of al Qaeda and ultimately meets Sheikh bin Laden himself
