scope to include significant social political and cultural variations on the theme *Creativity* Matthew Fox,2004-06-17 The author of *Original Blessing* explores how the highest communion with the Divine can be found right at our fingertips in the simplest expressions of human creativity Drawn from a sermon that has electrified listeners here is a concise powerful meditation on the nature of creativity from Episcopal priest and radical theologian Matthew Fox *Creativity* is Fox at his most dynamic It is immensely practical and leaves the reader with a message to put into action in life Fox tantalizingly suggests that the most prayerful most spiritually powerful act a person can undertake is to create at his or her own level with a consciousness of the place from which that gift arises **Choosing Life after Tragedy** Anson Hugh Laytner,2023-09-08 A wave of disease and death in his immediate family led Rabbi Anson Laytner to question much of what he had learned about the meaning of suffering the value of petitionary prayer and the role of God in human life As he struggled to deal with his grief and doubts he gradually found a way forward His spiritual healing process took him from intense grief to a renewed appreciation of life and resulted in this book a work of creative theology some eighteen years in the making *Choosing Life After Tragedy* is written for people who struggle with the subjects of suffering divine providence God and prayer people who are looking for honest thoughtful provocative and occasionally humorous theological reflections but no easy answers Laytner intersperses his penetrating theological reflections with pertinent episodes from his life because for him theology is personal and experience based Trained as a liberal rabbi Laytner riffs on Jewish themes to offer a universal message of hope in the face of suffering and loss and of mutual support based on humanity's various teachings of lovingkindness This book will challenge you it will sometimes amuse you but you will not remain unmoved *A Way to God* Matthew Fox,2016-04-15 This unique reflection was prompted by an invitation Matthew Fox received to speak on the centennial of Thomas Merton's birth Fox says that much of the trouble he's gotten into such as being excommunicated in 1993 from the Dominican Order by Cardinal Ratzinger who later became Pope Benedict was because of Thomas Merton who sent Fox to Paris to complete a doctoral program in philosophy Fox found that Merton's journals poetry and religious writings revealed a deeply ecumenical philosophy and a contemplative life experience similar to that of Meister Eckhart the fourteenth century mystic theologian who inspired Fox's own creation spirituality It is little surprise to find Fox and Merton to be kindred spirits but the intersections Fox finds with Eckhart are intellectually profound spiritually enlightening and delightfully engaging **A New Reformation** Matthew Fox,2006-02-14 A modern day theologian's call for the radical transformation of Christianity Echoes the Reformation initiated by Martin Luther in 1517 Addresses the corruption and authoritarian tendencies that distinguish today's Christian institutions from the spiritual message upon which they are founded Offers a new vision of Christianity that values the Earth honors the feminine and emphasizes spiritual tolerance In 1517 Martin Luther disgusted at the corruption then reigning in the Catholic Church nailed on the door of Castle Church in Wittenberg Germany 95 theses calling for a Reformation During Pentecost week 2005 former Dominican priest Matthew Fox nailed at that same church door a new set of

95 theses calling for a reawakening of the Christian spirit and a repudiation of the authoritarian punitive tendencies that prevail in modern churches today Fox's theses not only condemn the deep corruption in the hierarchy of the Roman Catholic Church made evident by the pedophile scandal and the recent canonization of a fascist admirer of Hitler but also speak to the loss of inspiration and resulting apathy that have emptied churches of all denominations Fox says At this critical time in human and planetary history when the earth is being ravaged by the violence of war poverty sexism homophobia and eco destruction we need to gather those who offer a future that is one of compassion creativity and justice to speak their conscience as never before Religion ought to be part of the solution not the problem His 95 theses call for a New Reformation a radical transformation that will allow us to move once again from the hollow trappings of organized religion to genuine spirituality

False Dawn Lee Penn, 2004 The interfaith movement which began with the 1893 World's Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today's interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI's proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans Kng and from the Dalai Lama to the leaders of government approved Protestant churches in the People's Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In The Reign of Quantity and the Signs of the Times French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non's time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and

gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org
