Andrews, 2015-08-27 If you believe that God is not dead then who is He and what does He do Does He take an active role of a father to provide for us nurture us and teach us In my first book When God Speaks Who Will Listen I discussed how our Father has nurtured me I have had many unexpected encounters with Him where He has taught me through prophecy spiritual language and most of all the written word that He has given us through holy men My latest encounter lasted over eight years He graciously opened my eyes to many mysteries and directed me to write several books of what He revealed This book is part of what I was shown God is our Father Without Him we would not exist He first gave birth to us as a spiritual being creating us in the image of Himself Then we were born of a woman by His design to become a living soul He is responsible for the welfare of each of His children He takes this very seriously Throughout the history of this world He has acted through certain men like Adam Noah and Melchizedek to accomplish His plan for us He also worked through a man named Abram to form a nation of people He could use for the benefit of all of His children Through Isaiah and other Prophets He told how His work with these children is not yet complete He revealed how Jerusalem is not the only city of God and the descendants of Abraham are not His only people He has also formed nations of people upon the land of America This book tells what our Father wants us to hear at this time about these people Are You Practicing Christianity? A. Christian, 2004-11 This book is written to glorify God and to help people walk closer to the Lord and become Kingdom laborers It gives insight about practical reasons for implementing our Christian faith in our day to day lives The book is written for all levels of faith from non believers to mature Christians It looks at why our American culture has moved from a God fearing nation to a secular one It also discusses relevant topics and issues in the church in our culture and in individual lives The primary focus is helping Christians to see things from Gods perspective to walk closer to the Lord and to have an active faith It will also help readers understand that God has a

relationship with nations as well as individuals We must pray read and meditate on Gods ways in the Holy Bible to develop a more personal and intimate relationship with the Lord

*Before I Ever Saw Your Face* Norah Billups Wilson,2019-02-04 Dreams can be the very basic plans of life disturbing the qualities of my five senses I began witnessing many perplexing situations in life that would not relate to my common sense A man speaks to me from standing at my side yet the shadow engulfs his body as he appears without a face How can a man appear right beside me and have no face for me to see Life is not how you make it but how you dream it It seems to be a lesson well taught as the dream and the events as in the dream unveil when I do see a face Alone and suddenly caught up in the aura of love that for the moment seemed to have nothing to do with none of my five senses yet I was so fully aware of being loved like I ve never knew Finally seeing what was attracting me it was not at all what I would ever guess could happen to me But it did here in my soul just like it was a dream and then realizing what was happening in my life was not only a dream but just the beginning of Souluos the spiritual joining of me with a man Joy is a dreamer What if her dreams in the night when her eyes are closed do come true in her life with a man that has no emotions Chemistry of a man s love is a different kind of spirit that captures the heart of a woman this time Even broad daylight is blind when God joins her in Souluos

**The Shambhala Revelation: Unveiling the Alien**

**Connection** AQEEL AHMED,2023-10-02 Summary of this story The city of Shambhala from mythology is said to be in the middle of the Himalayas tucked between tall mountains and quiet woods For thousands of years explorers mystics and wealthy hunters have been interested in Shambhala People say it is a legendary and mythical utopia that holds the key to wisdom and cosmic secrets The story revolves around Maya a mysterious teen who lives close to the Tibetan border Maya is different from other people her age because she is interested in old stories and is always looking for hidden meanings and links She is very interested in everything so she goes to a dusty antique shop and finds an old book with strange symbols all over it The store owner tells a shocking secret the Shambhala legend is not a story but a hugely important cosmic truth When Maya reads the strange words in the manuscript her trip takes an unexpected turn She finds a link between Shambhala and life from other planets It talks about a secret doorway inside Shambhala that leads to a different world where creatures from other universes live This news makes Maya s world go crazy and changes how she sees the world As Maya digs deeper she learns of stories about cosmic messengers who came to Shambhala and taught people lessons that changed the future of Earth and the secret city With the old text in hand these insights make her want to go on a dangerous trip into the heart of the Himalayas Maya gets a group of explorers historians and conspiracy theorists to help her with her dangerous task They meet the Guardians of Shambhala a group of monks who keep the city s secrets safe The beings from the stars and the Guardians share what they know about the secret doorway This strengthens the cosmic link which is led by an unspoken tie When Maya and her team get to Shambhala they find the secret portal that was written about in the manuscript It s a shimmering doorway to a beautiful world full of celestial beings Beings of light and energy that live in the air greet them with open hearts and thoughts Through telepathic contact the beings show where they came from in other worlds and how they are connected to Shambhala Throughout history they led people and planted the seeds of knowledge and wisdom Maya learns that Shambhala s real goal is to connect people to the consciousness of the universe by making a bridge between Earth and the stars The next cosmic talks lead to a deep sharing of information which starts a Golden Age of growth wisdom and unity on Earth Clean energy takes the place of fossil fuels which ends poverty and hunger and heals illnesses People go beyond space and build cities on Mars and the Moon Maya and her team come back to Earth to talk about what they ve learned and help everyone rise Some people are fascinated by the idea of being one and linked while others don t care about their story Scholars scientists and spiritual leaders are still looking into the link between Shambhala and alien species as part of their search for cosmic knowledge Countries are working together to answer problems that affect everyone around the world Resources are moved to scientific study and collaboration and environmental projects do very well In contact with extraterrestrial beings scientists share advice and information that could completely change the way people live At the end of the story Maya looks up at the night sky and knows that her trip is far from over The hidden past of Shambhala and its connection to aliens is just the start of a very big journey through space Maya s legacy inspires people today to learn more

about the world's wonders work for the unity of all living things and reach for the stars continuing humanity's quest for enlightenment and cosmic link

### Part 1 The Myth No One Knows

People have been interested in the mysterious story of Shambhala and its supposed connection to aliens for a long time. This interest spans mythology, mysticism, and conspiracy theories. Many people have said that Shambhala is like a secret utopian city tucked deep in the Himalayas. It has captivated generations of people. The idea that it's a cosmic bridge between Earth and strange places inhabited by aliens and other non-human beings makes the story even more interesting. At the heart of the Shambhala story is the belief that this elusive city is more than just a place; it is a metaphysical idea that represents the search for enlightenment and spiritual growth. It is said that only people who have gained a certain level of spiritual enlightenment can reach Shambhala, which is a higher level of awareness. Now is the time when the hidden truth starts to come out. Shambhala's relationship with aliens comes from very old texts and stories that have been passed down orally. Some of these stories are thousands of years old. These writings make references to talks between people who live in Shambhala and gods and goddesses from other worlds. These guests from space, according to these stories, have taught the people of Shambhala a lot of spiritual knowledge, advanced technology, and great wisdom. People often describe them as beings of light with a deep understanding of cosmic wisdom and a sincere desire to help people grow. One of the most interesting things about the connection between Shambhala and aliens is the idea that it is a way to get to other worlds, including ones where aliens live. Recent ideas in quantum physics and interdimensional flight support this idea. It suggests that there may be hidden doors to worlds we can't understand. Could Shambhala be one of these gateways that lets us talk to other worldly civilizations? Many adventurers, researchers, and spiritual seekers have gone on trips and quests because of the mysterious books and teachings that hint at a link between Shambhala and aliens. People have gone on dangerous treks through the Himalayas to find proof that Shambhala exists and is connected to beings from other worlds because they want to know the truth about this story. Even though real proof is still hard to find, the legend's appeal lasts. When it comes to conspiracy ideas, the link between Shambhala and aliens is even stranger. Certain theories say that Shambhala is more than just a passive receiver of information from the universe; they say that it works with aliens to shape the course of human history. They say that secret plans and groups have worked together to use the power of this link for their own purposes, such as making technology better, taking over the world, or becoming very spiritually enlightened. Many people may think these ideas are crazy, but they show how people have always been interested in the unknown and want to know their place in the universe. The link between Shambhala and aliens is an interesting mix of old beliefs and new ideas in a world full of secrets where our understanding of the universe keeps growing. Shambhala and its supposed link to aliens are interesting not only because of the allure of hidden knowledge but also because people want to feel more connected to the universe. It speaks to a basic human need to find meaning and purpose in life beyond the limits of our lives on Earth. Because of its cosmic link, the Shambhala story reminds us that no matter how big the universe is, we are a part of it.

and its mysteries keep drawing us forward on a road of discovery and enlightenment People are still drawn to Shambhala whether they see it as a real place or a symbol of spiritual growth It s a place that shows how people want to find truth and transcendence in the face of the unknown Chapter 1 A Strange Event In the middle of the Himalayas tucked away among tall mountains and quiet woods lies the legendary city of Shambhala This powerful picture takes us to a place where the beauty and mystery of nature meet setting the stage for a story that has captivated people for thousands of years People have a lot of ideas about Shambhala which is also called the earthly paradise or the legendary city of learning Explorers mystics and treasure hunters are all drawn to the word treasure because it makes them feel mysterious and interested But this interesting story hides a question that has fascinated people for thousands of years What if there is more to Shambhala than meets the eye People who study the subject and people who like to go on adventures both disagree on whether or not Shambhala exists A lot of people are interested in the idea of a hidden utopia a place of spirituality and knowledge hidden behind the Himalayas People from different cultures and countries have told stories about meeting this legendary city which has made the legend even more mysterious From old Tibetan texts to the works of Russian mystics Shambhala s mysterious thread can be seen running through history But the idea that Shambhala goes beyond the physical world is what makes the story more than just folklore It s a fascinating puzzle It s not just a place on a map it s a state of mind and a spiritual world that lives beyond the veil of the everyday This ethereal quality of Shambhala makes it more appealing luring people who are looking for the truth to go on a philosophical trip a search for enlightenment as well as a trip to see the sights Shambhala is even more mysterious when you think about the thought that it holds the key to a better understanding of life and the universe In folklore Shambhala is often linked to deep understanding old knowledge and a guiding light that can help people find a better way to live For mystics and spiritual seekers the link between Shambhala and the search for greater awareness is what draws them to the Himalayan wilderness to find the hidden truths of the wilderness One more reason why Shambhala has always been so appealing is that people need the unusual they need a place where normal rules of life don t apply The tall mountains and quiet forests that surround this mythical city act as a natural defense and provide a background for the strange events and beings that are said to live within its borders People who are looking for the supernatural may come face to face with the impossible in this place where the line between fact and myth is blurred But beneath the mystery and charm there is a worry that goes back hundreds of years What if there was more to Shambhala than meets the eye Would this famous city really exist or is it just a story that people have told each other for a long time Is it possible that Shambhala has secrets that we can t figure out Over the years exploration and science have grown and so has the search for Shambhala The most remote parts of the Himalayas have been searched for physical proof of the lost metropolis These expeditions have been equipped with the latest scientific tools and satellite images Even though there isn t any real proof yet the search goes on because people are still hopeful that Shambhala will be proven to exist one day An interesting teen girl named Maya lives in a

small town close to the border with Tibet The story of Maya shows how curiosity the constant search for knowledge and an open mind can change things In a world where life may seem to follow a set pattern Maya stands out as a beacon of intellectual interest She gets her ideas from old stories and secrets When most teens are going through the normal bad things that come with puberty Maya s interests make her stand out Her friends are busy with typical teen activities but she is drawn to a new area where the present and the past meet in a web of secret meanings and connections
